Sec. 3. NAC 581.280 is hereby amended to read as follows:

581.280 Issuance of license: Prerequisites; inspection of devices; failure of inspection; period of validity of license. ([NRS 581.050](#), [581.057](#), [581.065](#), [581.067](#))

1. To obtain a license to use a weighing or measuring device as commercial weighing and measuring equipment, an applicant must provide to the Division information concerning the device, including:

(a) The date on which the device was purchased or installed;

(b) The manufacturer and model or type of the device;

- (c) The address where the device is located; and
- (d) The name of the person who installed the device.

2. Except as otherwise provided in this section, upon receiving the information pursuant to subsection 1 about a weighing or measuring device, the Division will, as soon as practicable, inspect the device. If the Division determines that the device meets all the applicable standards and the applicant has paid the applicable fees, the Division will issue a license for the device to be used as commercial weighing and measuring equipment.

3. The Division may waive the initial inspection of a weighing or measuring device required pursuant to subsection 2 if the Division determines that the device was adjusted after installation by a person who is registered with the Division pursuant to [NRS 581.103](#) to adjust such a device. If the Division waives the initial test, the Division will:

- (a) Immediately issue a license for the weighing or measuring device to be used as commercial weighing and measuring equipment; and
- (b) As soon as practicable thereafter, inspect the device to ensure that it meets all the applicable standards.

4. If a weighing or measuring device fails an inspection conducted pursuant to subsection 3, the Division will immediately suspend the license issued for the device. If, during the period for which the license was issued, the device:

- (a) Passes an inspection conducted by the Division, the Division will reinstate the license.
- (b) Fails to pass an inspection conducted by the Division, the Division may revoke the license.

5. A license issued for a weighing or measuring device to be used as commercial weighing and measuring equipment is valid from ~~[October]~~ *September* 1 or the date on which it is issued, whichever is later, until the next following ~~[September 30]~~ *August 31*.

6. If a weighing or measuring device used as commercial weighing and measuring equipment was approved by the Department for use on or after July 1, 2003, but before January 27, 2004, a license shall be deemed to have been issued for the device by the Division pursuant to this section, effective on the date on which the device was approved for commercial use.

(Added to NAC by St. Sealer of Weights & Measures by R161-03, eff. 1-27-2004)

Sec. 4. NAC 581.285 is hereby amended to read as follows:

581.285 Renewal of license: Notice; payment of fee; inspection of device; failure of inspection. ([NRS 581.050](#), [581.057](#), [581.065](#), [581.067](#))

1. On or before ~~[August 1]~~ **July 10** of each year, the Division will send a notice of renewal for each license then in force that has been issued by the Division for a weighing or measuring device to be used as commercial weighing and measuring equipment. If a license that is suspended as of the date the Division sends the notices of renewal is subsequently reinstated, the Division will, at the time of the reinstatement of the license, provide a notice of renewal to the holder of the license.

2. The notice of renewal must include the amount of the renewal fee which must be paid on or before ~~[September 30]~~ **August 31** of that year. If the renewal fee is paid timely, the Division will:

(a) Renew the license for the weighing or measuring device to be used as commercial weighing and measuring equipment; and

(b) As soon as practicable thereafter, inspect the device to ensure that the device continues to meet all the applicable standards.

3. If, at the inspection conducted pursuant to subsection 2, a weighing and measuring device fails to meet the applicable standards, the Division will immediately suspend the license issued for the device to be used as commercial weighing and measuring equipment. If, during the period for which the renewal was issued, the device:

(a) Passes an inspection conducted by the Division, the Division will reinstate the license.

(b) Fails to pass an inspection conducted by the Division, the Division may revoke the license.

(Added to NAC by St. Sealer of Weights & Measures by R161-03, eff. 1-27-2004)

Sec. 5. NAC 581.295 is hereby amended to read as follows:
