NEVADA INTERSCHOLASTIC ACTIVITIES ASSOCIATION**

LCB File No. R049-19

Filed December 29, 2020

EXPLANATION – Matter in *italics* is new; matter in brackets ~~(omitted material)~~ is material to be omitted.

AUTHORITY: §§1-21, NRS 385B.060.

A REGULATION relating to interscholastic activities; requiring the Board of Control of the Nevada Interscholastic Activities Association, at least 2 years before each season of a sanctioned sport, to establish the dates upon which a school is authorized to begin engaging in certain activities for that season; revising certain requirements relating to the amount of practice a team and a pupil are required to complete before participating in certain sanctioned sports; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the formation of the Nevada Interscholastic Activities Association, composed of all the school districts of the State, for the purposes of controlling, supervising and regulating all interscholastic athletic events and other interscholastic events in the public schools, and requires the Association to adopt regulations governing those events. (NRS 385B.050, 385B.060)

Existing regulations require the Board of Control of the Association to establish the date upon which a school is authorized to begin practicing for a season of certain sanctioned sports at least 2 years before the beginning of the season for those sports. (NAC 385B.400, 385B.420, 385B.430, 385B.434, 385B.450, 385B.454, 385B.458, 385B.470, 385B.500-385B.520, 385B.530, section 2 of LCB File No. R162-16) **Section 2** of this regulation applies this requirement to all sanctioned sports. In addition to the date upon which a school is authorized to begin practicing, **section 2** also requires the Board, at least 2 years before the beginning of each season of a sanctioned sport, to establish the date upon which: (1) a school is authorized to begin tryouts for that season; and (2) the first game, contest or meet of that season is authorized to be held. **Section 2** requires the dates established by the Board to allow for a minimum of 10 days of team practice to be completed before the first game, contest or meet for the season. **Sections 4-10, 12-16, 19 and 21** of this regulation make conforming changes.

Under existing regulations, pupils and teams that participate in sanctioned sports other than golf or bowling are required to complete at least 10 days of practice before participating in the sanctioned sport. (NAC 385B.790, 385B.792, 385B.794) If the season of a sport in which a pupil participates extends into the season of another sport in which the pupil participates, the pupil is required to complete only 5 days of practice in the subsequent sport. Under existing

regulations, this exception does not apply to a pupil who pitches in a baseball game. (NAC 385B.790) Existing regulations further require a pupil participating in football to meet certain additional practice requirements. (NAC 385B.436)

Sections 3, 17 and 21 of this regulation revise practice requirements for teams and pupils participating in certain sanctioned sports. **Section 21** of this regulation eliminates the requirement that a team must complete 10 days of practice before participating in a sanctioned sport. **Section 17** of this regulation decreases the number of days of practice that a pupil is required to complete before participating in a sanctioned sport other than golf or bowling from 10 days to 5 days. **Section 17** provides that this requirement does not, with certain exceptions, apply to a pupil who has completed a season of a sanctioned sport and that season has extended into the season of the sanctioned sport in which the pupil is currently participating. Under **section 17**, the heightened practice requirements provided for under existing regulations for pupils participating in football are maintained. Additionally, **section 3** of this regulation provides that a pupil is not eligible to pitch in a baseball game unless the pupil has completed at least 10 days of practice in baseball. **Sections 11, 18 and 20** of this regulation make conforming changes.
