

LEGISLATIVE REVIEW OF ADOPTED REGULATIONS--NRS 233B.066
Informational Statement
LCB File No. R068-19

1. A clear and concise explanation of the need for the adopted regulation.

The amendment to NAC 284.442 in Section 1 of the regulation is necessary to specify the length of a trial period based on the class an employee holds.

The amendment to NAC 284.444 in Section 2 of the regulation is necessary to allow an appointing authority to waive the trial period for an employee who voluntarily transfers. This is in line with other subsections in NAC 284.444, including when an employee is reinstated or reappointed.

The amendment to NAC 284.448 in Section 3 and to NAC 284.450 in Section 4 incorporate “trial period” into the regulations, where appropriate. This is necessary to ensure that trial period, as well as probationary period, is reflected in the provisions, as both terms are now reflected in NAC 284.442 in Section 1 of the regulation.

2. A description of how public comment was solicited, a summary of public response, and an explanation of how other interested persons may obtain a copy of the summary.
