A REGULATION relating to professions; defining the authorized scope of practice for audiologists and speech-language pathologists holding certain credentials; establishing provisions governing penalties for the unlicensed practice of audiology, speech-language pathology and fitting and dispensing hearing aids; authorizing the Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board to require applicants to submit proof of passing an examination regarding certain laws relevant to the practice area of an applicant; revising provisions governing the in-service training of apprentices in the practice of fitting and dispensing hearing aids; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law exempts a person who holds a credential issued by the Department of Education and who engages in the practice of audiology or speech-language pathology within the scope of that credential from the provisions of chapter 637B of NRS which govern the practice of audiology and speech-language pathology in this State. (NRS 637B.080) **Section 2** of this regulation establishes the circumstances under which a person qualifies for this exemption.

Existing law authorizes the Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board to impose certain penalties against a person who engages in the practice of audiology, speech-language pathology or fitting and dispensing hearing aids without a license, including the issuance of an order to cease and desist, the issuance of a citation and the imposition of an administrative fine. (NRS 637B.290) **Section 3** of this regulation provides that the Board will issue an order to cease and desist and a citation to a person who has engaged in the practice of audiology, speech-language pathology or fitting and dispensing hearing aids without the applicable license. **Section 3** also establishes requirements for the imposition of administrative fines for unauthorized practice and authorizes the Board, under certain circumstances, to waive an administrative fine that has been imposed.

Existing law requires an applicant for a license to engage in the practice of audiology, speech-language pathology or fitting and dispensing hearing aids to pass an examination prescribed by the Board by regulation. (NRS 637B.160, 637B.191, 637B.194) **Section 4** of this regulation authorizes the Board to require an applicant to submit proof that he or she has passed an examination that tests the familiarity of an applicant with the laws and regulations relevant to the practice area for which the applicant is applying. **Section 5** of this regulation prohibits a person who has failed to achieve a passing score on an examination concerning the practice of fitting and dispensing hearing aids to retake the examination sooner than 30 days after the date of the previous examination.

Existing regulations require a person who has been issued an apprentice license by the Board to participate in certain in-service training for a minimum of 2 years. (NAC 637B.0391) **Section 6** of this regulation authorizes a person whose apprentice license has expired but has been reinstated to receive credit for up to 2 years of in-service training from his or her initial license period.

Existing regulations establish the eligibility criteria for a hearing aid specialist or dispensing audiologist to act as the sponsor of an apprentice. (NAC 637B.0396) **Section 7** of this regulation requires a sponsor of an apprentice to have the same employer as the apprentice during the term of the on-site training period.

Section 1. Chapter 637B of NAC is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this regulation.

Sec. 2. 1. *Except as otherwise provided in subsection 2, for the purposes of subsection 1 of NRS 637B.080, the provisions of chapter 637B of NRS do not apply to a person who holds a current credential issued by the Department of Education pursuant to chapter 391 of NRS and any regulations adopted pursuant thereto who engages in the practice of audiology or speech-language pathology, as applicable, within the scope of that credential if the person:*

(b) Is employed by a public educational institution; and

(c) Does not engage in the practice of audiology or speech-language pathology as an independent contractor or provide services in the private practice of audiology or speech-language pathology.

2. If a person who holds a current credential issued by the Department of Education pursuant to chapter 391 of NRS and any regulations adopted pursuant thereto also holds a valid license to engage in the practice of audiology or the practice of speech-language pathology pursuant to the provisions of chapter 637B of NRS and any regulations adopted pursuant thereto, such a person is subject to the provisions of chapter 637B of NRS and any regulations adopted pursuant thereto to the extent that he or she engages in the practice of audiology or speech-language pathology as an independent contractor or provides services in the private practice of audiology or speech-language pathology.

Sec. 3. 1. If a person has engaged or is engaging in the practice of audiology, the practice of speech-language pathology or the practice of fitting and dispensing hearing aids in this State without holding a valid license issued pursuant to the provisions of chapter 637B of NRS, the Board will issue and serve on the person a citation that contains an order for the person to cease and desist as authorized by NRS 637B.290.

2. A citation issued pursuant to subsection 1 may include the assessment of an administrative fine against the person to whom the citation is issued. If an administrative fine is assessed against a person to whom a citation is issued, such an administrative fine must be:

(b) If the unauthorized practice occurred over a period of more than 30 days, not less than \$200 or more than \$5,000.

3. *A person to whom a citation is issued pursuant to subsection 1 may appeal the citation by submitting a written request for a hearing to the Board. The written request for a hearing must be submitted to the Board not later than 30 days after the date on which the citation was issued. Upon receipt of a written request for a hearing, the Board will conduct a hearing on the citation. At the conclusion of the hearing, the Board may waive any administrative fine assessed against the person to whom the citation was issued if:*

(a) The administrative fine was assessed for a first offense;

(b) The unauthorized practice for which the administrative fine was assessed occurred due to a failure by the person to renew his or her license in a timely manner pursuant to NAC 637B.036 and the license was reinstated not later than 60 days after the date on which the license expired; or

(c) The Board determines that good cause exists. As used in this paragraph, “good cause” includes, without limitation, circumstances under which a person suffers from an illness, injury or disability, experiences a family hardship or is subject to other circumstances beyond the person’s control as may be determined by the Board.

4. *If a person against whom a citation has been issued pursuant to subsection 1 submits a written request for a hearing to the Board and the written request seeks a waiver of any administrative fine assessed against the person, the person who submits such a written request must include with the request proof necessary to demonstrate the existence of one or more of the circumstances justifying the waiver of the administrative fine as set forth in subsection 3.*

Sec. 4. *The Board may require an applicant for any category of license issued by the Board to submit with his or her application for licensure proof that the applicant has passed an examination that tests the familiarity of the applicant with the provisions of this chapter*
