

**LEGISLATIVE REVIEW OF ADOPTED REGULATIONS AS REQUIRED BY
NRS 233B.066
LCB FILE R099-19**

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 638.

1. A clear and concise explanation of the need for the adopted regulation.

This regulation is necessary to update the regulations to remove a requirement for licensure that was determined by the Board to be an unnecessary regulation.

2. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.

Copies of the proposed regulations, notices of workshop and notices of intent to act upon the regulation were email to licensees and facilities as well as those who requested such notice. The public response was in support of the proposed amendment to the regulations. These documents were also made available at the website of the Board of Veterinary Medical Examiners and mailed to all county libraries in Nevada and posted at the following locations:

A workshop was held in conjunction with a meeting of the Board on October 17, 2019 in Las Vegas, NV to provide advice on proposed regulatory changes. The minutes of that meeting, attached hereto, contain a summary of the discussion held regarding the proposed amendments. There was 1 individual who gave testimony regarding regulations R099-19

An additional workshop was held October 23, 2019 at the bi-annual meeting of the Nevada Veterinary Medical Association in Reno, NV. The NVMA Board and Executive Director Michelle Wagner were in attendance.

A hearing to adopt regulations occurred April 15, 2020.

3. The number persons who:

- (a) **Attended each hearing:** April 15, 2020: No public was in attendance
- (b) **Testified at each hearing:** April 15, 2020: No testimony was given
- (c) **Submitted to the agency written comments:** No written comments were submitted.

4. A list of names and contact information, including telephone number, business address, business telephone number, electronic mail address, and name of entity or organization represented, for each person identified above in #3, as provided to the agency, is attached as Exhibit A.

5. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.

Comments were solicited from affected businesses in the same manner as they were solicited from the public.

6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

The permanent regulation was adopted on April 15, 2020 and included the only suggested change that was in the regulation and that did not have objections from previous workshops.

7. The estimated economic effect of the adopted regulation on the businesses which it is to regulate and on the public. These must be stated separately, and each case must include:

(a) Both adverse and beneficial effects

There are no predicted adverse effects. This should allow Equine Dental Practitioners to become registered with the Board more easily and remove possible barriers to licensure that are unnecessary for the safety of the public.

(b) Both immediate and long-term effects.

We foresee the possibility of increased registration both in the immediate and long-term.

8. The estimated cost to the agency for enforcement of the adopted regulation.

There is no additional cost to the agency for enforcement of this regulation.

9. A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

There are no other state or government agency regulations that the proposed regulation duplicates.

10. If the regulation includes provisions that are more stringent than a federal regulation which regulates the same activity, a summary of such provisions.

There are no federal regulations that apply.

11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

This regulation does not provide a new fee or increase an existing fee.
