AUTHORITY: §1, NRS 639.070

- A. A **REGULATION** relating to authorizing the delivery of a prescription drug to a practitioner for administration to the ultimate user or patient if the FDA has made a determination that the drug is dangerous for the ultimate user or patient to possess.

### Section 1. NAC 639.

- a. *A prescription to be dispensed to an ultimate user may be furnished to a practitioner if the medication being dispensed to the ultimate user has been mandated by the Food and Drug Administration (FDA) to be administered only under the direct supervision of a healthcare provider.*
- b. *The practitioner must be licensed as required by both State and Federal Law to possess the medication.*
- c. *The practitioner must comply with all State and Federal Laws regarding the handling of the medication.*
- d. *The medication must be stored separately from the practitioner's stock of medication.*
- e. *The medication must be administered to only the patient named on the prescription not later than 14 days after the receipt of the medication. If the medication is not administered within 14 days it must be destroyed or donated in compliance with NRS 453B.*
