A REGULATION relating to health care; authorizing the Chief Medical Officer to impose certain reporting requirements during a pandemic or epidemic; adopting certain publications by reference; prescribing certain requirements concerning the operation of a medical facility or facility for the dependent; requiring a medical facility to report the acquisition or loss of certain accreditation; providing for the licensure and regulation of certain referral agencies; requiring a home health agency to comply with certain federal requirements concerning the reporting of data; prescribing class designations for ambulatory surgical centers; establishing requirements concerning the employment of a surgical technologist by an ambulatory surgical center; establishing requirements relating to the licensure and operation of providers of community-based living arrangement services; revising certain publications adopted by reference; removing the requirement that certain facilities must be inspected by the State Fire Marshal or a local fire department before the issuance of a license; revising certain requirements governing the licensure and operation of a home health agency; authorizing certain persons to make referrals through a referral agency; removing the term “general hospital” from the Nevada Administrative Code; imposing certain requirements concerning the abuse or neglect of a resident at a psychiatric residential treatment facility; clarifying that certain professionals are authorized to order or prescribe a therapeutic diet or home health care; revising certain requirements concerning intermediate care facilities; imposing certain requirements concerning the operation of a pharmacy at a recovery center; revising provisions concerning the imposition of

administrative sanctions upon certain facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to adopt regulations governing the control of communicable diseases in this State. (NRS 441A.120) Existing law also authorizes the Board to take immediate action for the preservation of human health without going through the prescribed process for the adoption of regulations. (NRS 233B.039) **Section 1** of this regulation authorizes the Chief Medical Officer to impose reporting requirements, in addition to those currently prescribed in chapter 441A of NRS, concerning a disease for which a pandemic or epidemic is ongoing without adopting additional regulations.

Existing law requires the Board to adopt regulations governing the licensing and operation of medical facilities and facilities for the dependent. (NRS 449.0302) **Section 3** of this regulation adopts by reference certain guidelines concerning the use of personal protective equipment, and **section 4** of this regulation requires a medical facility or facility for the dependent to follow those guidelines and to take certain measures to ensure that the facility maintains an adequate supply of personal protective equipment. **Section 5** of this regulation imposes certain requirements relating to the use of audio and video monitoring equipment to monitor a patient or resident at a medical facility or facility for the dependent. **Section 7** of this regulation requires a facility for the dependent to adopt an infection control program and designate two employees to be responsible for infection control at the facility.

Existing regulations require certain hospitals to be accredited by a national accrediting organization. Existing regulations also require a hospital to notify the Division of Public and Behavioral Health of the Department of Health and Human Services if the hospital: (1) is not required to be accredited and becomes accredited; or (2) loses accreditation. (NAC 449.318) **Section 6** of this regulation makes this requirement applicable to any medical facility that acquires or loses accreditation, and **section 37** of this regulation removes duplicative requirements concerning hospitals. **Section 6** also: (1) authorizes the Division to impose an administrative penalty for failure to report the acquisition or loss of accreditation; and (2) prohibits the Bureau of Health Care Quality and Compliance of the Division from imposing any other administrative sanction for such a violation.

Existing regulations require an applicant for the issuance or renewal of a license to operate a medical facility or facility for the dependent who wishes or is required to have building plans for new construction or remodeling reviewed by the Division to submit two complete sets of building plans for new construction or remodeling to the entity designated to review such plans by the Division. (NAC 449.0115) **Section 8** of this regulation requires a facility for hospice care that plans to commence new construction or certain remodeling to submit two copies of the building plans to that designated entity and the Division, regardless of whether the facility is applying for the issuance or renewal of a license. **Section 8** requires the building plans to be approved before the construction or remodeling, as applicable, begins. **Section 8** additionally requires the Bureau to conduct a site survey before licensing a newly constructed facility for hospice care. **Section 23** of this regulation makes a conforming change to indicate the proper placement of **section 8** in the Nevada Administrative Code. **Section 24** of this regulation requires a facility for hospice care to comply with certain requirements for fire safety.

Senate Bill No. 92 of the 2019 Legislative Session expanded provisions for the licensing

and regulation of referral agencies that provide referrals to residential facilities for groups to also require the licensing and regulation of referral agencies that provide referrals to certain similar group housing arrangements. (Chapter 75, Statutes of Nevada 2019, at page 405) **Sections 9 and 27-33** of this regulation expand provisions governing referral agencies to also include agencies that provide referrals to the group housing arrangements added by Senate Bill No. 92. **Section 30** of this regulation authorizes a licensed nurse, public guardian, social worker, physician or hospital to provide a referral to a group housing arrangement through a licensed referral agency.

Sections 10 and 11 of this regulation require a home health agency to comply with certain federal requirements concerning the collection and reporting of data, and **section 48** of this regulation makes a conforming change to indicate the proper placement of **sections 10 and 11** in the Nevada Administrative Code.

Section 12 of this regulation: (1) prescribes different class designations for ambulatory surgical centers based on the type of surgical procedures performed at an ambulatory surgical center; and (2) requires an ambulatory surgical center to have a certain amount of space in the operating room, depending on the class designation of the ambulatory surgical center. **Section 18** of this regulation requires an application for a license to operate an ambulatory surgical center to identify the class designation of the ambulatory surgical center.

Existing law, in general, prohibits a hospital, independent center for emergency medical care, psychiatric hospital or ambulatory surgical center from employing a surgical technologist unless the surgical technologist has: (1) successfully completed an accredited training program for surgical technologists and obtained certification as a Certified Surgical Technologist by the National Board of Surgical Technology and Surgical Assisting or a successor organization; (2) successfully completed a training program for surgical technologists administered by certain federal entities; or (3) engaged in the practice of surgical technology at such a facility before January 1, 2018. Existing law authorizes such a facility to employ a surgical technologist who does not meet those requirements if, after conducting a thorough and diligent search, the facility is unable to employ a sufficient number of surgical technologists who possess such qualifications. (NRS 449.24185) **Section 13** of this regulation prescribes certain qualifications for a surgical technologist who is hired under such circumstances. **Section 13** also establishes the conditions under which an ambulatory surgical center will be deemed to have conducted a thorough and diligent search. Finally, **section 13** requires an ambulatory surgical center that employs a surgical technologist under such circumstances to maintain certain documentation. **Section 59** of this regulation makes a conforming change to indicate the proper placement of **sections 12 and 13** in the Nevada Administrative Code.

Section 14 of this regulation prescribes certain required training for: (1) a natural person responsible for the operation of a provider of community-based living arrangement services; (2) an employee of a provider of community-based living arrangement services who supervises or provides support to recipients of services; and (3) a caregiver who assists a recipient of community-based living arrangement services in the administration of medication. **Section 15** of this regulation: (1) requires a provider of community-based living arrangement services who operates a facility that provides assistance to residents in the administration of medications to maintain certain records concerning those medications; and (2) prescribes requirements governing the administration of over-the-counter medications or dietary supplements to such residents. **Section 55** of this regulation makes a conforming change to indicate the proper placement of **sections 14 and 15** in the Nevada Administrative Code.

Assembly Bill No. 131 of the 2019 Legislative Session removed a requirement that a

provider of community-based living arrangement services must be certified by the Division of Public and Behavioral Health of the Department of Health and Human Services and instead required such a provider to be licensed by the Division as a facility for the dependent. (Chapter 51, Statutes of Nevada 2019, at page 246) **Section 56** of this regulation makes a conforming change to replace language referring to a provisional certificate to pwrqtain amount, place that amount in escrow or take other action prescribed by the Division to ensure the continuation of services if the applicant becomes insolvent. **Section 57** of this regulation requires a provider of community-based living arrangement services to maintain a staff sufficient to meet the needs of each person receiving services from the provider.

Existing regulations adopt by reference certain publications concerning the design, construction and operation of health care facilities and require certain health care facilities in this State to comply with the requirements prescribed by those publications. (NAC 449.0105, 449.3154, 449.3156, 449.685, 449.74413, 449.74543, 449.97026, 449.9843, 449.9935, 449.99718) **Sections 17 and 61** of this regulation update the titles and prices of and certain other information concerning those publications, and **sections 35, 36, 43, 45, 47, 58, 60, 61 and 63** of this regulation make conforming changes.

Existing regulations require the Division to perform an investigation and survey of a facility and receive a satisfactory report of inspection of the facility from the State Fire Marshal or local fire department before issuing a license to the facility. (NAC 449.0112) **Section 19** of this regulation: (1) extends the requirement concerning the investigation and survey by the Division to additionally apply to intermediary service organizations, which are certified by the Division; and (2) exempts from the requirement to receive a fire inspection certain entities that are required to obtain a license or certificate from the Division but do not always operate in a physical facility.

Existing regulations: (1) define the term “subunit agency” to mean a home health agency owned and controlled by a central organization, corporate entity or home office, but operated and directed by governing and administrative bodies separate from the central organization or any other unit owned and controlled by the central organization; and (2) require a subunit agency to obtain a license separate from that of the parent agency. (NAC 449.749, 449.758) **Section 49** of this regulation removes the requirement that a subunit agency obtain a separate license. **Sections 21, 22, 48, 51, 52 and 76** of this regulation remove other requirements governing subunit agencies and references to the term “subunit agency.” **Section 20** of this regulation makes a conforming change to remove a reference to a repealed section. **Sections 50-53 and 76** of this regulation revise certain other requirements concerning the administration and operation of a home health agency. **Section 21** of this regulation also: (1) revises the term “obstetric center” to “freestanding birthing center” to conform with changes made by Assembly Bill No. 287 of the 2021 Legislative Session; and (2) removes the fee for licensure of a peer support recovery organization to conform with the removal of provisions for the licensure of peer support recovery organizations by Senate Bill No. 69 of the 2021 Legislative Session. (Assembly Bill No. 287, chapter 517, Statutes of Nevada 2021, at page 3427; Senate Bill No. 69, chapter 444, Statutes of Nevada 2021, at page 2807)

Existing regulations prohibit a residential facility for groups from accepting or retaining a resident who is suffering from a serious infection. (NAC 449.271) **Section 26** of this regulation authorizes a residential facility for groups to retain such a resident during an epidemic or pandemic if the facility is capable of safely providing the appropriate level of care to the resident. **Section 25** of this regulation revises requirements governing the size of the windows in

a bedroom of a residential facility for groups.

Assembly Bill No. 232 of the 2019 Legislative Session abolished the classification of general hospital. (Section 9 of Assembly Bill No. 232, chapter 424, Statutes of Nevada 2019, at page 2644) **Sections 38, 39, 62 and 71-76** of this regulation make conforming changes to remove the term “general hospital” from the Nevada Administrative Code. **Section 34** of this regulation makes a conforming change to remove a reference to a repealed section.

Existing law requires certain health care providers and other personnel at a medical facility to report the abuse or neglect of an older or vulnerable person or a child. (NRS 200.5093, 432B.220) If there is reasonable cause to believe that a resident of a psychiatric residential treatment facility has been abused or neglected, **section 40** of this regulation requires: (1) an employee or independent contractor having knowledge of the abuse or neglect to report the abuse or neglect as required by law; and (2) the facility to take certain measures to stop the abuse or neglect, notify the family of or other person legally responsible for the alleged victim and ensure that the alleged victim receives proper care.

Existing law requires a medical facility to ensure that the facility provides a special diet for each patient for whom such a diet has been ordered by a licensed dietitian or prescribed by a physician, physician assistant, dentist, advanced practice registered nurse or podiatric physician. (NRS 449.1915) **Sections 41, 46 and 64** of this regulation revise provisions governing facilities for the treatment of irreversible renal disease, facilities for skilled nursing and recovery centers to clarify that a dietitian, physician, physician assistant, dentist, advanced practice registered nurse or podiatric physician is authorized to order or prescribe, as appropriate, a therapeutic diet for a patient at any of those facilities.

Existing regulations require an employee at a medical facility, a facility for the dependent, a home for individual residential care or an outpatient facility to undergo certain screening for communicable diseases. (NAC 441A.375) **Section 42** of this regulation removes duplicative requirements concerning employees of intermediate care facilities. **Section 44** of this regulation revises the required dimensions of doors to certain rooms that permit access for wheelchairs at an intermediate care facility.

Existing law authorizes a physician assistant or advanced practice registered nurse to order home health care for a patient. (NRS 630.271, 632.237, 633.432) **Section 54** of this regulation makes conforming changes to existing regulations governing home health agencies.

Existing law authorizes the State Board of Pharmacy to issue a license to a recovery center to conduct a pharmacy. (NRS 639.2177) If an order for entry on a chart is given by a prescribing practitioner, existing law requires the practitioner who authorized the administration of the drug to sign the chart order within 48 hours after giving the order. (NRS 639.23275) **Section 65** of this regulation requires: (1) a pharmacy conducted by a recovery center to be licensed; and (2) a recovery center to comply with the requirement concerning the signing of chart orders.

Existing law authorizes the Division to impose administrative sanctions against a medical facility, facility for the dependent or certain other facilities that: (1) are not in compliance with statutes or regulations governing such facilities; or (2) have engaged in certain other conduct. (NRS 449.160, 449.163) If the Bureau of Health Care Quality and Compliance of the Division discovers a deficiency at a such a facility, existing regulations require: (1) the Bureau to notify the facility of the deficiency; and (2) the facility to develop a plan of correction for the deficiency. (NAC 449.99856, 449.9987) **Sections 68 and 70** of this regulation establish requirements concerning the confidentiality of a statement of deficiencies and plan of correction.

If there is an immediate and serious threat to the health and safety of residents or patients at a facility, **sections 67 and 69** of this regulation authorize the Bureau to require the facility to establish a plan of abatement to end the threat. **Section 16** of this regulation prescribes the requirements for a plan of abatement, and **section 66** of this regulation makes a conforming change to indicate the proper placement of **section 16** in the Nevada Administrative Code.

Section 1. Chapter 441A of NAC is hereby amended by adding thereto a new section to read as follows:

If the Chief Medical Officer determines that a pandemic exists or an epidemic exists within this State, the Chief Medical Officer may require any person or entity in this State to report to the Chief Medical Officer information prescribed by the Chief Medical Officer concerning the disease for which the pandemic or epidemic has been determined to exist.

Sec. 2. Chapter 449 of NAC is hereby amended by adding thereto the provisions set forth as sections 3 to 16, inclusive, of this regulation.

Sec. 3. 1. *The following publications are hereby adopted by reference:*

(a) “Part II.E.: Personal Protective Equipment (PPE) for Healthcare Personnel” of 2007 Guideline for Isolation Precautions: Preventing Transmission of Infectious Agents in Healthcare Settings, as updated in July 2019, published by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services and available at no cost on the Internet at <http://www.cdc.gov/infectioncontrol/pdf/guidelines/isolation-guidelines-H.pdf>, or, if that Internet website ceases to exist, from the Division.

(b) “Optimizing Personal Protective Equipment (PPE) Supplies,” available at no cost on the Internet website of the Centers for Disease Control and Prevention of the United States Department of Health and Human Services at <https://www.cdc.gov/coronavirus/2019-ncov/hcp/ppe-strategy/index.html>, or, if that Internet website ceases to exist, from the Division.

(c) “Interim Infection Prevention and Control Recommendations for Healthcare Personnel During the Coronavirus Disease 2019 (COVID-19) Pandemic,” available at no cost on the Internet website of the Centers for Disease Control and Prevention of the United States Department of Health and Human Services at <http://www.cdc.gov/coronavirus/2019-ncov/hcp/infection-control-recommendations.html>, or, if that Internet website ceases to exist, from the Division.

2. If any publication adopted by reference in subsection 1 is revised, the Division shall review the revision to determine its suitability for this State. If the Division determines that the revision is not suitable for this State, the Division shall hold a public hearing to review its determination and give notice of that hearing within 90 days after the date of the publication of the revision. If, after the hearing, the Division does not revise its determination, the Division shall give notice that the revision is not suitable for this State within 90 days after the hearing. If the Division does not give such notice, the revision becomes part of the publication adopted by reference pursuant to subsection 1.

Sec. 4. 1. A medical facility or facility for the dependent shall ensure that each person on the premises of the facility uses personal protective equipment in accordance with the publications adopted by reference in section 3 of this regulation. The facility shall maintain:

(a) Not less than a 30-day supply of personal protective equipment at all times; or

(b) If the facility is unable to comply with the requirements of paragraph (a) due to a shortage in personal protective equipment, documentation of attempts by and the inability of the facility to obtain personal protective equipment.

2. Except as otherwise provided in subsection 3, a medical facility or facility for the dependent shall:

(a) Enter into a contract with a supplier of personal protective equipment which ensures that the facility has a supply of personal protective equipment sufficient to comply with the requirements of subsection 1; and

(b) Track the amount of personal protective equipment that the facility has available, the rate at which personal protective equipment is used in the facility and orders for personal protective equipment in a manner sufficient to ensure compliance with the requirements of subsection 1.

3. The requirements of subsection 2 do not apply to a nursing pool that receives sufficient personal protective equipment from its clients to meet the requirements of subsection 1. Such a nursing pool shall maintain documentation demonstrating that it meets the requirements of this subsection.

Sec. 5. 1. Except as authorized by this section, a medical facility or facility for the dependent shall not use audio or video monitoring equipment to monitor a patient or resident.

2. A medical facility or facility for the dependent may use audio or video monitoring equipment to monitor a patient or resident only if:

(a) The patient or resident or a person authorized by subsection 5 or 6 to serve as the representative of the patient or resident has requested or consented to the monitoring and agreed in writing to a specific duration for the monitoring;

(b) The monitoring is only used in the room in which the patient or resident sleeps;

(c) The monitoring does not violate any state or federal law, regulation or rule;

(d) The monitoring is conducted to protect the health, safety or personal property of the patient or resident; and

(e) If the patient or resident has a roommate, the roommate of the patient or resident or a person authorized by subsection 5 or 6 to serve as the representative of the roommate has also consented to the monitoring.

3. A medical facility or facility for the dependent must immediately stop using audio or video monitoring equipment to monitor a patient or resident if the patient or resident, a person authorized by subsection 5 or 6 to serve as the representative of the patient or resident, a roommate of the patient or resident or a person authorized by subsection 5 or 6 to serve as the representative of a roommate withdraws consent or becomes unable to consent.

4. At least quarterly, a medical facility or facility for the dependent that uses audio or video monitoring equipment to monitor a patient or resident shall, in consultation with the patient or resident or a person authorized by subsection 5 or 6 to serve as the representative of the patient or resident, reevaluate in writing the need for continued monitoring. The reevaluation must be:

(a) Signed and dated by the patient or resident or a person authorized by subsection 5 or 6 to serve as the representative of the patient or resident; and

(b) Maintained in the file of the patient or resident.

5. A court-appointed guardian or attorney-in-fact for a patient or resident or the roommate of a patient or resident may serve as the representative of the patient, resident or roommate, as applicable, for the purposes of this section if:

(a) The patient, resident or roommate, as applicable, is unable to provide or withdraw consent; and

(b) A court order specifically authorizes the court-appointed guardian or attorney-in-fact to consent to the use of audio or video monitoring equipment to monitor the patient, resident

or roommate, as applicable. The facility shall maintain a copy of the court order in the record of the patient, resident or roommate, as applicable.

6. A surrogate of a patient or resident or a surrogate of the roommate of a patient or resident may serve as the representative of the patient, resident or roommate, as applicable, for the purpose of providing or withdrawing consent pursuant to this section only to the use of video monitoring equipment without audio capabilities to monitor the patient or resident if the patient, resident or roommate, as applicable, is unable to provide or withdraw consent.

7. As used in this section, “surrogate” means the following persons, in order of priority:

(a) The spouse of a patient or resident or of the roommate of a patient or resident;

(b) An adult child of a patient or resident or of the roommate of a patient or resident or, if there is more than one adult child, a majority of the adult children who are reasonably available for consultation;

(c) The parents of a patient or resident or of the roommate of a patient or resident;

(d) An adult sibling of a patient or resident or of the roommate of a patient or resident or, if there is more than one adult sibling, a majority of the adult siblings who are reasonably available for consultation;

(e) The nearest other adult relative of a patient or resident or of the roommate of a patient or resident by blood or adoption who is reasonably available for consultation; or

(f) An adult who has exhibited special care or concern for a patient or resident or for the roommate of a patient or resident, is familiar with the values of the patient, resident or roommate, as applicable, and is willing and able to make health care decisions for the patient, resident or roommate, as applicable.

Sec. 6. 1. *If a medical facility receives notice from a national accrediting organization that the national accrediting organization has accredited the medical facility, the medical facility shall submit to the Division in the manner prescribed by the Division a copy of the notice not later than 7 calendar days after receiving the notice.*

2. If a medical facility loses the accreditation of a national accrediting organization, the medical facility shall notify the Division not later than 7 calendar days after receiving notice of the loss of accreditation.

3. The Division may impose an administrative penalty in an amount not to exceed \$1,000 for a failure to comply with the requirements of this section. The Bureau shall not impose any administrative sanction pursuant to NAC 449.9982 to 449.99939, inclusive, for such a deficiency.

4. As used in this section, “national accrediting organization” has the meaning ascribed to it in 42 C.F.R. § 488.1.

Sec. 7. 1. *A facility for the dependent shall develop an infection control program to prevent and control infections within the facility. To carry out the program, the facility shall adopt an infection control policy. The policy must include, without limitation, current infection control guidelines developed by a nationally recognized infection control organization that are appropriate for the scope of service of the facility. Such nationally recognized organizations include, without limitation, the Association for Professionals in Infection Control and Epidemiology, Inc., the Centers for Disease Control and Prevention of the United States Department of Health and Human Services, the World Health Organization or the Society for Healthcare Epidemiology of America, or a successor in interest to any of those organizations.*

2. The program to prevent and control infections within the facility for the dependent must provide for the designation of:

(a) A primary person who is responsible for infection control; and

(b) A secondary person who is responsible for infection control when the primary person is absent to ensure that someone is responsible for infection control at all times.

3. The persons designated pursuant to subsection 2 as responsible for infection control shall complete not less than 15 hours of training concerning the control and prevention of infections provided by the Association for Professionals in Infection Control and Epidemiology, Inc., the Centers for Disease Control and Prevention of the United States Department of Health and Human Services, the World Health Organization or the Society for Healthcare Epidemiology of America, or a successor in interest to any of those organizations, not later than 3 months after being designated and annually thereafter.

4. Training completed pursuant to subsection 3 may be in any format, including, without limitation, an online course provided for compensation or free of charge. A certificate of completion for the training must be maintained in the personnel file of each person designated pursuant to subsection 2 for 3 years immediately following the completion of the training.

Sec. 8. 1. *Except as otherwise provided in subsection 2, before any construction of a new facility for hospice care or remodeling of an existing facility for hospice care commences, the facility must submit two complete sets of the building plans for the construction or remodeling, as applicable, to:*

(a) The entity designated by the Division to review such plans in the manner prescribed by NAC 449.0115, regardless of whether the facility is applying for a license or the renewal of a

license. The review by that entity is only advisory, and approval by that entity does not constitute the approval of the construction or remodeling by the Bureau.

(b) The Division. The facility shall not commence the construction or remodeling, as applicable, until the plans have been approved by the Division.

2. The provisions of subsection 1 do not apply to the remodeling of an existing facility for hospice care if the remodeling is limited to refurbishing an area within the facility including, without limitation, painting the area, replacing flooring in the area, repairing windows in the area or replacing window and wall coverings in the area.

3. The Division shall not issue a license to operate a newly constructed facility for hospice care until the Bureau has approved the construction. The Bureau shall not approve the construction without conducting a survey at the site of the facility. Such a survey must occur after the construction has been completed.

Sec. 9. “Group housing arrangement” means a residential facility for groups or any other group housing arrangement that provides assistance, food, shelter or limited supervision to a person with a mental illness, intellectual disability, developmental disability or physical disability or who is aged or infirm.

Sec. 10. 1. “Appendix B- Guidance to Surveyors: Home Health Agencies” of the State Operations Manual, issued February 21, 2020, published by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services, is hereby adopted by reference. The publication is available at no cost on the Internet at <https://www.hhs.gov/guidance/document/state-operations-manual-appendix-b-guidance-surveyors-home-health-agencies> or, if that Internet website ceases to exist, from the Division.

2. If the publication adopted by reference in subsection 1 is revised, the Division shall review the revision to determine its suitability for this State. If the Division determines that the revision is not suitable for this State, the Division shall hold a public hearing to review its determination and give notice of that hearing within 90 days after the date of the publication of the revision. If, after the hearing, the Division does not revise its determination, the Division shall give notice that the revision is not suitable for this State within 90 days after the hearing. If the Division does not give such notice, the revision becomes part of the publication adopted by reference in subsection 1.

Sec. 11. 1. *Except as otherwise provided in this subsection, a home health agency shall comply with the provisions of 42 C.F.R. §§ 484.1 to 484.115, inclusive, and the publication adopted by reference in section 10 of this regulation. A home health agency that is not certified by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services is not required to comply with:*

(a) 42 C.F.R. § 484.45 and any associated guidance prescribed by the publication adopted by reference in section 10 of this regulation, except that the home health agency shall:

(1) Collect the data prescribed by 42 C.F.R. § 484.55(c)(8); and

(2) Update and revise that data at the frequency required by 42 C.F.R. § 484.55(d);

(b) 42 C.F.R. § 484.50(c)(7)(i) and (ii) and any associated guidance prescribed by the publication adopted by reference in section 10 of this regulation; or

(c) The requirement prescribed by 42 C.F.R. § 484.50(c)(8) that a home health agency must comply with the requirements of 42 C.F.R. §§ 405.1200 to 405.1204, inclusive, and any associated guidance prescribed by the publication adopted by reference in section 10 of this regulation.

2. *A home health agency shall report the data described in 42 C.F.R. § 484.55(c)(8) to the Division in the form prescribed by the Division. Such data must accurately reflect the status of the patient at the time that the relevant assessment is conducted.*

3. *For the purposes of this section, any provision of 42 C.F.R. §§ 484.1 to 484.115, inclusive, or the publication adopted by reference in section 10 of this regulation that refers to a physician shall be deemed to apply equally to a physician assistant licensed pursuant to chapter 630 or 633 of NRS or an advanced practice registered nurse.*

Sec. 12. 1. *An ambulatory surgical center may be designated as Class A, Class B, Class C, Class E or Endoscopy Only.*

2. *An ambulatory surgical center that is designated as Class A may provide minor surgical procedures performed under local or topical anesthesia. An operating room in an ambulatory surgical center that is designated as Class A must have a minimum clear area of 130 square feet (12.077 square meters) and a minimum clear dimension of 10 feet (3.05 meters).*

3. *An ambulatory surgical center that is designated as Class B may provide any surgical procedure authorized for an ambulatory surgical center that is designated as Class A and any surgical procedure performed under conscious or deep sedation. An operating room in an ambulatory surgical center that is designated as Class B must have a minimum clear area of 250 square feet (23.23 square meters) and a minimum clear dimension of 15 feet (4.57 meters).*

4. *An ambulatory surgical center that is designated as Class C may provide any surgical procedure authorized for an ambulatory surgical center that is designated as Class A or B and any surgical procedure that requires general anesthesia. An operating room in an ambulatory*

surgical center that is designated as Class C must have a minimum clear area of 400 square feet (37.16 square meters) and a minimum clear dimension of 18 feet (5.49 meters).

5. An ambulatory surgical center that is designated as Class E must have been licensed before August 5, 2004.

6. An ambulatory surgical center that is designated as Endoscopy Only may only provide endoscopy procedures. An operating room in an ambulatory surgical center that is designated as Endoscopy Only must have a minimum clear area of 180 square feet (16.7225 square meters).

7. As used in this section:

(a) "Clear area" means the open area of an operating room, excluding fixed cabinets and built-in shelves.

(b) "Clear dimension" means the open space between the operating room and another area of the building.

Sec. 13. 1. *A person employed to engage in the practice of surgical technology in an ambulatory surgical center pursuant to subsection 3 of NRS 449.24185 must have passed a written competency evaluation demonstrating that he or she is competent to practice surgical technology and have:*

(a) Not less than 1 year of experience within the immediately preceding 3 years practicing surgical technology in a hospital or surgical center for ambulatory patients that is licensed in a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico or a territory or insular possession subject to the jurisdiction of the United States; or

(b) Completed evidence-based training concerning:

(1) Proper surgical attire;

- (2) Identification of patients;*
 - (3) Proper positioning of a patient on an operating table;*
 - (4) Consent of a patient to surgery;*
 - (5) Time-out before surgery;*
 - (6) The proper use of instruments and equipment, including, without limitation, identifying dangers associated with equipment;*
 - (7) Asepsis and sterile technique, including, without limitation, identifying a break in the sterile field;*
 - (8) Washing hands before surgery;*
 - (9) Counting surgical instruments, surgical sponges and any other items used during surgery that may be left in the body of a patient;*
 - (10) Preparing medications in the sterile field;*
 - (11) The use of gowns and gloves;*
 - (12) Draping of the patient;*
 - (13) Proper care for specimens;*
 - (14) Procedures for disinfecting and sterilizing equipment and supplies;*
 - (15) Procedures for determining whether equipment and supplies have been properly sterilized and measures to be taken if a break in the sterile field is identified;*
 - (16) Storage of sterile equipment and supplies; and*
 - (17) Environmental cleaning and disinfecting the operating room.*
- 2. An ambulatory surgical center shall be deemed to have conducted a thorough and diligent search for the purposes of subsection 3 of NRS 449.24185 if the ambulatory surgical*

center advertises for a surgical technologist who meets the requirements of subsection 1 or 2 of NRS 449.24185 for not less than 30 days:

(a) In a newspaper of general circulation within 50 miles of the ambulatory surgical center; or

(b) On an Internet website on which jobs in health care are regularly posted.

3. The administrator of an ambulatory surgical center that employs a person to engage in the practice of surgical technology in the ambulatory surgical center pursuant to subsection 3 of NRS 449.24185 shall maintain in the personnel file of the person documentation demonstrating:

(a) Compliance with subsection 1 of this section;

(b) Evidence of the advertising conducted pursuant to subsection 2 of this section; and

(c) The reasons the ambulatory surgical center was unable to employ a sufficient number of surgical technologists who meet the requirements prescribed by subsection 1 or 2 of NRS 449.24185.

4. As used in this section, “time-out” means pausing immediately before surgery to confirm the identity of the patient, the surgical procedure that will be performed and the site of the surgery.

Sec. 14. 1. *Except as otherwise provided in subsection 2, a natural person responsible for the operation of a provider of community-based living arrangement services and each employee of a provider of community-based living arrangement services who supervises or provides support to recipients of community-based living arrangement services shall:*

(a) Complete not less than 16 hours of training concerning the provision of community-based living arrangement services to persons with mental illness within 30 days after the date of hire or before providing services to a patient, whichever is later; and

(b) Annually complete not less than 8 hours of continuing education approved by the Division concerning the particular population served by the provider.

2. If the Board determines that a person described in subsection 1 is required to receive training or continuing education substantially equivalent to that prescribed in that subsection as a condition of licensure or certification under title 54 of NRS, the person is not required to complete the training or continuing education, as applicable, required by subsection 1.

3. If a caregiver assists a recipient of community-based living arrangement services in the administration of any medication, including, without limitation, an over-the-counter medication or dietary supplement, the caregiver must:

(a) Before assisting a resident in the administration of a medication, receive not less than 16 hours of training in the management of medication approved by the Division, which must consist of not less than 12 hours of classroom training and not less than 4 hours of practical training, and obtain a certificate attesting to the completion of such training;

(b) Receive annually not less than 8 hours of training in the management of medication and provide the provider of community-based living arrangement services with satisfactory evidence of the content of the training and his or her attendance at the training; and

(c) Annually pass an examination relating to the management of medication approved by the Bureau.

Sec. 15. 1. A provider who operates a facility that provides assistance to residents in the administration of medications shall maintain:

(a) A log for each medication received by the facility for use by a resident of the facility.

The log must include:

- (1) The type and quantity of medication received by the facility;*
- (2) The date of its delivery;*
- (3) The name of the person who accepted the delivery;*
- (4) The name of the resident for whom the medication is prescribed; and*
- (5) The date on which any unused medication is removed from the facility or destroyed.*

(b) A record of the medication administered to each resident, including, without limitation, any over-the-counter medication or dietary supplement. The record must include:

- (1) The type of medication administered;*
- (2) The date and time that the medication was administered;*
- (3) The date and time that a resident refuses, or otherwise misses, an administration of medication; and*
- (4) Instructions for administering the medication to the resident that reflect each current order or prescription of the resident's physician.*

2. A provider or an employee of a provider may provide or administer an over-the-counter medication or dietary supplement only if the physician, physician assistant or advanced practice registered nurse of the resident has approved the medication or dietary supplement in writing or the provider or employee is ordered by a physician, physician assistant or advanced practice registered nurse to provide or administer the medication to the resident. The over-the-counter medication or dietary supplement must be administered in accordance with the written instructions of the physician, physician assistant or advanced practice registered nurse.

Sec. 16. 1. *If the Bureau requires a facility to submit a plan of abatement pursuant to NAC 449.99855, the facility shall submit the plan within the time specified by the Bureau, which must not exceed 48 hours after the Bureau notifies the facility of the requirement to submit the plan.*

2. *An plan of abatement:*

(a) *Must include, without limitation, a description of the immediate action that the facility will take to end the immediate and serious threat identified in the notice given pursuant to NAC 449.99855 and the date by which the immediate and serious threat will cease to exist.*

(b) *Is not required to include measures to correct all items of noncompliance associated with the immediate and serious threat.*

Sec. 18. NAC 449.011 is hereby amended to read as follows:

449.011 An application for a license that is filed with the Division pursuant to NRS 449.040:

1. Must be complete and include proof of the identity of the applicant that is acceptable to the Division.
2. In accordance with NRS 449.050, must be accompanied by the appropriate application fee specified in NAC 449.002 to 449.99939, inclusive.
3. In establishing that the applicant is of reputable and responsible character as required by NRS 449.040, must include personal references and information concerning the applicant's financial status and business activities and associations in and out of this State during the immediately preceding 3-year period. If the applicant is a firm, association, organization, partnership, business trust, corporation or company, such references and information must be

provided with respect to the members thereof and the person in charge of the facility or program for which application is made.

4. In addition to the information required by NRS 449.040 and any other information specifically required for a particular license, must include:

(a) Full, complete and accurate information regarding the ownership of the facility or program and all changes to that ownership that occur while the application is pending. The information must include the name of:

(1) Each natural person who is an owner of the facility or program;

(2) Each person who has a direct or indirect ownership interest in the facility or program of 10 percent or more and who is the owner, in whole or in part, of any mortgage, deed of trust, note or other obligation secured in whole or in part by the facility or program or any of the property or assets of the facility or program;

(3) If the applicant is a corporation, each officer and director; and

(4) If the applicant is a partnership, each partner.

(b) The address of the applicant's principal office.

(c) Evidence satisfactory to the Division that the facility or program meets all applicable federal, state and local laws and complies with all safety, health, building and fire codes. If there are any differences between the state and local codes, the more restrictive standards apply.

(d) If required by NRS 439A.100, a copy of a letter of approval issued by the Director of the Department of Health and Human Services.

(e) A copy of the certificate of occupancy, a copy of the applicant's business license and a copy of any special use permits obtained in connection with the operation of the facility or program.

(f) A copy of any property lease or rental agreements concerning the facility or program.

(g) If the applicant is a corporation, a copy of its bylaws and articles of incorporation.

5. If the application is for a facility for the care of adults during the day, must include the maximum number of clients allowed to occupy the facility at one time.

6. If the application is for a ambulatory surgical center, must identify the class designation for the ambulatory surgical center designated pursuant to section 12 of this regulation. As used in this subsection, “ambulatory surgical center” has the meaning ascribed to it in NAC 449.972.

Sec. 19. NAC 449.0112 is hereby amended to read as follows:

449.0112 1. Upon receipt of a properly completed application, proof of the identity of the applicant that is acceptable to the Division and the appropriate fee, the Division shall conduct an investigation concerning the premises, facilities, qualifications of personnel, methods of operation and policies of the applicant and perform a precicensure ***survey or precertification*** survey , ***as applicable***, of:

(a) The applicant; and

(b) The facility, program plan and management plan, as appropriate.

2. ~~Before~~ ***Except as otherwise provided in this subsection, before*** issuing a license ~~or~~ ***certificate, as applicable***, the Division must receive a satisfactory report of inspection of the facility from the State Fire Marshal or the local fire department. ***The Division is not required to receive such a report before issuing a license or certificate, as applicable, to:***

4. A fee paid pursuant to this section is nonrefundable.

5. As used in this section:

(a) “Administrator” means the person who is responsible for the daily management of a medical facility, facility for the dependent or program of hospice care.

(b) “Independent facility” has the meaning ascribed to it in NAC 449.9701.

(c) “Staging area” has the meaning ascribed to it in NAC 449.97018.

Sec. 23. NAC 449.017 is hereby amended to read as follows:

449.017 As used in NAC 449.017 to 449.0188, inclusive, *and section 8 of this regulation*, unless the context otherwise requires, the words and terms defined in NAC 449.0171 to 449.0178, inclusive, have the meanings ascribed to them in those sections.

Sec. 24. NAC 449.0187 is hereby amended to read as follows:

449.0187 A facility for hospice care must comply with the following requirements:

1. A program of hospice care must be provided for each inpatient pursuant to a written plan of care established pursuant to NAC 449.0186.
2. Nursing services must be provided 24 hours per day in accordance with the plan of care for each patient.
3. Medication must be dispensed to each patient according to the instructions of the patient's physician or the medical director.
4. Treatment must be administered to a patient pursuant to the instructions of the physician of the patient or the plan of care for the patient.
5. Each patient must be maintained in a clean and well-groomed manner.
6. Each patient must be protected from accidents, injuries and infections.
7. At least one registered nurse must be on duty for each work shift, providing direct care to patients.
8. A written plan of the procedures to be followed during a local disaster, a widespread disaster or a disaster which occurs within the facility for hospice care must be adopted. The plan must:
 - (a) Provide procedures designed to protect each patient and to care for any casualty which may arise from such a disaster;

(b) Be reviewed and the procedures set forth therein rehearsed by all members of the staff at least once in each quarter of the year; and

(c) Be approved by the Division.

9. A private room with an adjoining bath must be provided for each patient.

10. An anteroom, a room adjoining the room of each patient or a private area must be provided and furnished with a bed and chairs for use by the members of the patient's family.

11. A facility for hospice care must comply with the provisions of NFPA 101: Life Safety Code, adopted by reference in NAC 449.0105.

Sec. 25. NAC 449.218 is hereby amended to read as follows:

449.218 1. A bedroom in a residential facility that is shared by two or three residents must have at least 60 square feet of floor space for each resident who resides in the bedroom. A resident may not share a bedroom with more than two other residents. A bedroom that is occupied by only one resident must have at least 80 square feet of floor space.

2. Each bedroom in a residential facility must have one or more windows to the outside that can be opened from the inside of the room without the use of tools or a door to the outside which is at least 36 inches wide and can be opened from the inside.

3. The combined size of the panes of glass of the windows in a bedroom in a facility that was issued a license on or after January 14, 1997, must equal not less than ~~10~~ 8 percent of the floor space in the room.

4. The arrangement of the beds and other furniture in the bedroom must provide privacy for and promote the safety of the residents occupying the bedroom. Adjustable curtains, shades, blinds or similar devices must be provided for visual privacy.

5. Each resident must be provided:

- (a) At least 10 square feet of space for storage in a bedroom for each bed in the bedroom; and
- (b) At least 24 inches of space in a permanent or portable closet for hanging garments.

6. A separate bed with a comfortable and clean mattress must be made available for each resident. The bed must be at least 36 inches wide. Two clean sheets, a blanket, a pillow and a bedspread must be available for each bed. Linens must be changed at least once each week and more often if the linens become dirty. Additional bedding, including protective mattress covers, must be provided if necessary.

7. Upon the request of a resident, a residential facility may authorize the resident to use personal furniture and furnishings that comply with the requirements of subsection 6 if their use does not jeopardize the health and safety of any of the residents of the facility.

8. There must be a light outside the entrance to each bedroom to provide a resident with adequate lighting to reach safely a switch for turning on a light fixture inside the bedroom. Upon the request of a resident, bedside lighting must be provided.

Sec. 26. NAC 449.271 is hereby amended to read as follows:

449.271 **1.** Except as otherwise provided in *subsection 2 and* NAC 449.2736, a person must not be admitted to a residential facility or permitted to remain as a resident of a residential facility if he or she:

- ~~1-1~~ **(a)** Requires gastrostomy care;

- ~~1-3~~ **(c)** Suffers from any other serious medical condition that is not described in NAC

449.2712 to 449.2734, inclusive.

2. *If a governmental entity with jurisdiction, including, without limitation, a local board of health, a local health officer, the Division, the Chief Medical Officer or the Centers for*

Disease Control and Prevention of the United States Department of Health and Human Services, declares the existence of an epidemic or pandemic, a residential facility located in the area in which the epidemic or pandemic is occurring may permit a resident suffering from a serious infection to remain a resident if:

(a) The resident does not have symptoms or has symptoms that do not require a higher level of care than the residential facility is capable of providing; and

(b) The residential facility has sufficient resources to safely care for the resident and prevent the spread of the infection to other residents, visitors or staff.

Sec. 27. NAC 449.27811 is hereby amended to read as follows:

449.27811 As used in NAC 449.27811 to 449.27831, inclusive, *and section 9 of this regulation*, unless the context otherwise requires, the words and terms defined in NAC 449.27813 to ~~449.27821,~~ **449.27819**, inclusive, *and section 9 of this regulation* have the meanings ascribed to them in those sections.

Sec. 28. NAC 449.27813 is hereby amended to read as follows:

449.27813 “Client” means a person who is referred by a referral agency for compensation to a ~~residential facility for groups,~~ **group housing arrangement**.

Sec. 29. NAC 449.27817 is hereby amended to read as follows:

449.27817 “Financial assessment” means an assessment to determine the intended source of payment by a client for services which will be provided by a ~~residential facility for groups,~~ **group housing arrangement** for 6 months, including the eligibility status of the client for services as determined by Medicaid and Medicare.

Sec. 30. NAC 449.27823 is hereby amended to read as follows:

449.27823 1. A licensed nurse or social worker working in a medical facility or a facility for the dependent licensed by the Bureau may make a referral for a client of the facility or program to a ~~residential facility for groups~~ *group housing arrangement* without first obtaining a license to operate as a referral agency. A person employed by this State or the governing body of any county or city within this State, who is employed in a position in which the person's duties require him or her to make referrals for clients to ~~residential facilities for groups~~ *group housing arrangements*, may make those referrals without first obtaining a license to operate as a referral agency.

2. An applicant for a license to operate as a referral agency must submit to the Division a completed application on a form provided by the Division. The application for the initial license must include, without limitation:

(a) Evidence that the applicant has obtained a contract of insurance for protection against liability to third persons which may be incurred while operating as a referral agency; and

(b) The physical address of the applicant where the records of the referral agency will be maintained.

3. A licensed nurse, public guardian, social worker, physician or hospital may provide a referral to a group housing arrangement through a licensed referral agency.

Sec. 31. NAC 449.27827 is hereby amended to read as follows:

449.27827 1. Employees of a referral agency must have a working knowledge of the provisions of NRS and NAC that govern the licensing of ~~residential facilities for groups~~ *group housing arrangements*.

2. An employee of a referral agency who is not licensed as a nurse, social worker, physician or physician assistant shall not gather any information needed to complete a needs assessment or

financial assessment of a client, or engage in the process of referring a client to a ~~residential facility for groups;~~ *group housing arrangement*.

Sec. 32. NAC 449.27829 is hereby amended to read as follows:

449.27829 1. A referral agency shall:

(a) Complete a needs assessment and financial assessment for each client and make referrals for the services that would best meet the physical, psychosocial and financial needs and wishes of the client; and

(b) Submit to the ~~residential facility for groups;~~ *group housing arrangement* to which a client is referred a copy of the needs assessment completed by the referral agency for the client.

2. A referral agency shall not:

(a) Accept any fee, inducement or incentive, for any reason, from a ~~residential facility for groups;~~ *group housing arrangement*, or from any person or entity associated with a ~~residential facility for groups;~~ *group housing arrangement*; or

(b) Give a discharge planner, case manager, social worker or any other person who has the responsibility of discharge planning, a fee or incentive for prospective clients.

Sec. 33. NAC 449.27831 is hereby amended to read as follows:

449.27831 1. Before a referral agency may provide any services to a client, the referral agency must obtain a written contract from the client or his or her legal representative to provide the services. The contract must:

(a) Be signed by a representative of the referral agency and the person who is paying for the services or his or her representative; and

(b) Include, without limitation, a description of the services to be provided pursuant to the contract and all fees associated with the provision of those services.

2. If, within 30 days after a client is admitted to a ~~residential facility for groups,~~ *group housing arrangement*, the referral of the client to the ~~residential facility for groups,~~ *group housing arrangement* is determined by the facility, the Bureau or a physician to be inappropriate, the referral agency shall:

- (a) Refund the full amount of the fee paid by the client or his or her representative; or
- (b) Assist the client with an acceptable referral to another ~~residential facility for groups,~~ *group housing arrangement* for no additional fee.

3. A referral agency shall not receive more than one fee from a client within any 6-month period unless, during that period, the client or his or her representative requests another referral by the referral agency.

4. A referral agency shall maintain an organized file for each client that includes, without limitation:

- (a) A copy of the needs assessment and financial assessment completed by the referral agency for the client;
- (b) A copy of the completed contract to provide the services to the client; and
- (c) Information outlining the process used by the referral agency for determining the appropriate referral of the client.

↪ A referral agency shall maintain its file of a client for at least 5 years at the place of business of the referral agency.

Sec. 34. NAC 449.279 is hereby amended to read as follows:

449.279 As used in NAC 449.279 to 449.394, inclusive, unless the context otherwise requires, the words and terms defined in NAC ~~449.285~~ *449.286* to 449.300, inclusive, have the meanings ascribed to them in those sections.

Sec. 35. NAC 449.3154 is hereby amended to read as follows:

449.3154 1. Except as otherwise provided in this section, a hospital shall comply with the provisions of *NFPA 101: Life Safety Code*, adopted by reference pursuant to NAC 449.0105.

2. Except as otherwise provided in this section, any new construction, remodeling or change in the use of a hospital must comply with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) *and (e)* of subsection 1 of NAC 449.0105, unless the remodeling is limited to refurbishing an area of the hospital, including, without limitation, painting the area, replacing the flooring in the area, repairing windows in the area and replacing window or wall coverings in the area.

3. Except as otherwise provided in subsection 4, a hospital shall meet all applicable:

(a) Federal and state laws;

(b) Local ordinances, including, without limitation, zoning ordinances; and

(c) Life safety, environmental, health, fire and local building codes,

↪ related to the construction and maintenance of the hospital. If there are any differences between the state and local codes, the more restrictive standards apply.

4. A hospital which is inspected and approved by the State Public Works Division of the Department of Administration in accordance with the provisions set forth in chapter 341 of NRS and chapter 341 of NAC is not required to comply with any applicable local building codes related to the construction and maintenance of the hospital.

5. A complete copy of the building plans for new construction and remodeling of a hospital, drawn to scale, must be submitted to the entity designated to review such plans by the Division of Public and Behavioral Health pursuant to the provisions of NAC 449.0115. Before the

construction or remodeling may begin, plans for the construction or remodeling must be approved by the Division of Public and Behavioral Health.

6. The Bureau shall not approve the licensure of a hospital until all construction has been completed and a survey is conducted at the site. The plan review is only advisory and does not constitute prelicensing approval.

7. Notwithstanding any provision of this section to the contrary, a hospital which was licensed on January 1, 1999, shall be deemed to be in compliance with this section if the use of the physical space in the hospital does not change and the existing construction of the hospital does not have any deficiencies which are likely to cause serious injury, serious harm or impairment to public health and welfare.

Sec. 36. NAC 449.3156 is hereby amended to read as follows:

449.3156 1. Notwithstanding any provision of NAC 449.3154 to the contrary, a hospital shall be deemed to be in compliance with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) *and* (e) of subsection 1 of NAC 449.0105, if:

- (a) The hospital submitted architectural plans to the Bureau on or before February 1, 1999;
- (b) The hospital began construction on or before August 1, 1999;
- (c) The plans were determined by the Bureau to be in compliance with the provisions of NAC 449.002 to 449.99939, inclusive, that were in effect on December 1, 1998;
- (d) The hospital is built in accordance with those provisions;
- (e) The use of the physical space in the hospital has not changed; and
- (f) There are no deficiencies in the construction of the hospital which are likely to cause serious injury, serious harm or impairment to public health and welfare.

2. If there are deficiencies that are likely to cause serious injury, serious harm or impairment to public health and welfare, the hospital shall take immediate action to correct the deficiencies or the hospital will not be allowed to continue to operate.

Sec. 37. NAC 449.318 is hereby amended to read as follows:

449.318 1. A hospital must be accredited by an approved national accrediting organization unless the hospital:

- (a) Is a psychiatric hospital or rural hospital;
- (b) Has been certified as a critical access hospital by the Secretary of Health and Human Services pursuant to 42 U.S.C. § 1395i-4(e);
- (c) Contains a distinct part skilled nursing facility or a nursing facility, as defined in 42 C.F.R. § 483.5;
- (d) Is a hospital described in 42 U.S.C. § 1395ww(d)(1)(B)(iv) and accepts payment through Medicare;
- (e) Is owned by this State or a political subdivision thereof;
- (f) Is licensed only for rehabilitation beds; or
- (g) Was initially licensed before December 19, 2018, and has been licensed continually after that date.

2. A hospital that is required to comply with the requirements of subsection 1 shall submit to the Division proof of such compliance:

- (a) Not later than 12 months after obtaining an initial license; ~~and~~
- (b) With each application for renewal submitted pursuant to NAC 449.0116 ~~f~~

~~—3.— A hospital that is not required to comply with the requirements of subsection 1 but is accredited by an approved national accrediting organization shall submit to the Division proof of such accreditation with each application for renewal.~~

~~—4.— If a hospital that is accredited by an approved national accrediting organization ceases to be so accredited, the hospital must immediately notify the Division.~~

~~—5.—~~ ; and

(c) As required by section 6 of this regulation.

3. As used in this section, “approved national accrediting organization” means a national accrediting organization, as defined in 42 C.F.R. § 488.1, that has been approved by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services pursuant to 42 C.F.R. § 488.5.

Sec. 38. NAC 449.331 is hereby amended to read as follows:

449.331 1. A hospital shall develop and carry out policies and procedures to ensure that emergency services and medical care are provided in accordance with NRS 439B.410 and 450B.790 and 42 C.F.R. § 489.24 and to ensure compliance with the provisions of NRS 450B.795.

2. All ~~general~~ hospitals not having their own long-term facility shall have transfer agreements with long-term care facilities. Transfer agreements between facilities must be in writing and on file at each facility concerned. The agreements must provide for:

(a) The transfer of patients between facilities whenever the need for transfer is medically determined; and

(b) The exchange of appropriate medical and administrative information between facilities.

3. In addition to the application required by NAC 449.011 or 449.0116, as applicable, a hospital applying for initial licensure or the renewal of its license shall submit to the Division an attestation under penalty of perjury that the hospital is in compliance with the requirements of this section.

Sec. 39. NAC 449.394 is hereby amended to read as follows:

449.394 1. A ~~general~~ hospital which has a designated area set aside for use on a continuous basis for the treatment and care of psychiatric patients is deemed to operate a psychiatric service and shall comply with the requirements in this section.

2. A licensed physician may render psychiatric care in any licensed ~~general~~ hospital on a short term or emergency basis.

3. A hospital shall develop and carry out policies and procedures for the provision of psychiatric treatment and behavioral management services that are consistent with NRS 449A.200 to 449A.263, inclusive, to ensure that the treatment and services are safely and appropriately used. The hospital shall ensure that the policies and procedures protect the safety and rights of the patient.

4. The medical direction of the psychiatric unit and the psychiatric services provided by the hospital must be under the direct supervision of a qualified member of the medical staff.

5. All nursing services provided with regard to the provision of psychiatric care must be provided under the direction of a registered nurse.

6. A consulting medical staff composed of qualified persons in appropriate specialties must be available at all times to the patients in the psychiatric unit.

Sec. 40. NAC 449.442 is hereby amended to read as follows:

449.442 *1.* A psychiatric residential treatment facility shall develop and carry out policies and procedures that protect and support the rights of residents in the same manner as set forth for medical facilities and facilities for the dependent in NRS 449A.100 to 449A.118, inclusive.

2. If an employee or independent contractor of a psychiatric residential treatment facility has reasonable cause to believe that another employee or independent contractor of the facility has abused or neglected a resident:

(a) The employee or independent contractor with knowledge of the abuse or neglect shall report the abuse or neglect as required by NRS 200.5093 or 432B.220, if applicable;

(b) The facility shall prevent the alleged perpetrator of the abuse or neglect from having further direct contact with any resident; and

(c) The facility shall notify the parent of or other person legally responsible for the alleged victim of the abuse or neglect and ensure that the alleged victim receives appropriate medical assessment and treatment.

Sec. 41. NAC 449.544 is hereby amended to read as follows:

449.544 *1.* Each facility shall provide nutrition services to each patient of the facility and the provider of care for that patient to maximize the nutritional status of the patient.

2. The licensed dietitian for a patient of a facility shall:

(a) Conduct an assessment of the nutrition of the patient;

(b) Participate in a team review of the progress of the patient in accordance with the provisions of NAC 449.541;

(c) After consulting with the physician of the patient, recommend *or order* a therapeutic diet for the patient based on:

(1) The cultural preferences of the patient;

- (2) Changes in the treatment of the patient; and
- (3) The nutritional requirements of the patient;
- (d) Except as otherwise provided in subsection 7:
 - (1) Counsel the patient and the provider of care for that patient, if required, concerning any diet prescribed for the patient at the facility; and
 - (2) Monitor the patient's adherence and response to that diet;
- (e) Refer the patient for assistance with any resources that are available to the patient, including, without limitation, financial assistance, community resources or assistance at the residence of the patient;
- (f) Participate in activities conducted at the facility to ensure the quality of the facility; and
- (g) Monitor the nutritional status of the patient to determine the need for intervention and follow-up by the facility. In making that determination, the licensed dietitian shall consider:
 - (1) Changes in the weight of the patient;
 - (2) The chemistry of the blood of the patient;
 - (3) The adequacy of the dialysis treatment provided to the patient; and
 - (4) Changes in the medication prescribed for the patient.

3. Each facility shall collect data to assess the nutritional status of a patient of the facility not later than 2 weeks after the patient is admitted to the facility or immediately after the patient receives seven treatments at the facility, whichever occurs later. A comprehensive assessment of the nutritional status of the patient must be completed within 30 days after the patient is admitted to the facility or immediately after the patient receives 13 treatments at the facility, whichever occurs later. Such an assessment must include a determination by the dietitian of the degree to which the patient understands the diet prescribed for him or her by the facility.

4. Each facility shall, annually or more often if required by the circumstances concerning the treatment of the patient, revise the comprehensive assessment of the nutritional status of each patient specified in subsection 3.

5. Each facility shall employ or contract with a licensed dietitian to provide nutrition services for each patient of the facility. If a facility provides treatment for 100 or more patients, the facility shall ensure that one full-time equivalent licensed dietitian is available at the facility.

6. Nutrition services must be available at each facility during scheduled periods for treatment. The facility may require a patient to obtain an appointment with a licensed dietitian before receiving those services.

7. The provisions of paragraph (d) of subsection 2 do not apply to a correctional institution.

Sec. 42. NAC 449.680 is hereby amended to read as follows:

449.680 ~~1.1~~ A facility must maintain evidence that ~~members of the staff are free from health problems which would have a harmful effect on the residents or would interfere with the effective functioning of the program.~~

~~2. All persons employed in intermediate care facilities must have a preemployment physical examination or certification of a 3-year health record from a physician and a skin test or chest X-ray for tuberculosis.~~

~~3. An annual skin test or chest X-ray for tuberculosis is required after employment. If a positive skin test is found, then a chest X-ray is required.~~ *each employee or independent contractor of the facility has been screened for communicable diseases as required by NAC 441A.375.*

Sec. 43. NAC 449.685 is hereby amended to read as follows:

449.685 1. A facility must be designed, constructed, equipped and maintained in a manner that protects the health and safety of the patients and personnel of the facility and members of the general public.

2. Except as otherwise provided in this section and NAC 449.732 to 449.743, inclusive:

(a) A facility shall comply with the provisions of *NFPA 101: Life Safety Code*, adopted by reference pursuant to NAC 449.0105.

(b) Any new construction, remodeling or change in the use of a facility must comply with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) *and (e)* of subsection 1 of NAC 449.0105, unless the remodeling is limited to refurbishing an area within the facility, including, without limitation, painting the area, replacing the flooring in the area, repairing windows in the area, and replacing window or wall coverings in the area.

3. A facility shall be deemed to be in compliance with the provisions of subsection 2 if the facility is licensed on February 1, 2004, the use of the physical space in the facility is not changed and there are no deficiencies in the construction of the facility that are likely to cause serious injury, harm or impairment to the public health and welfare.

4. Except as otherwise provided in subsection 5, a facility shall comply with all applicable:

(a) Federal and state laws;

(b) Local ordinances, including, without limitation, zoning ordinances; and

(c) Life safety, environmental, health, fire and local building codes,

↳ related to the construction and maintenance of the facility. If there is a difference between state and local requirements, the more stringent requirements apply.

5. A facility which is inspected and approved by the State Public Works Division of the Department of Administration in accordance with the provisions set forth in chapter 341 of NRS

and chapter 341 of NAC is not required to comply with any applicable local building codes relating to the construction and maintenance of the facility.

6. A facility shall submit building plans for new construction or remodeling to the entity designated to review such plans by the Division of Public and Behavioral Health pursuant to NAC 449.0115. The entity's review of those plans is advisory only and does not constitute approval for the licensing of the facility. Before the construction or remodeling may begin, the plans for the construction or remodeling must be approved by the Division of Public and Behavioral Health. The Bureau shall not approve a facility for licensure until all construction is completed and a survey is conducted at the site of the facility.

Sec. 44. NAC 449.7334 is hereby amended to read as follows:

449.7334 1. All rooms for occupancy by patients must be equipped with doors and hardware which permit access from the outside in any emergency.

2. The minimum width of all doors to those rooms must be 3.66 feet (111.7 centimeters). 7. Wall finishes must be washable. Walls around plumbing fixtures must be resistant to moisture. Walls and floors must be free from cracks and holes.

8. Ceilings must be easily cleaned. Areas for preparing food must have ceilings which cover all overhead piping and ductwork. Acoustical ceilings must be provided in corridors in patient areas, nurses' stations, dayrooms, dining areas and waiting rooms. If acoustical ceilings cannot be provided, other methods of eliminating excessive noise and echoing must be used.

Sec. 45. NAC 449.74413 is hereby amended to read as follows:

449.74413 ~~{1.}~~ The owner of a facility for skilled nursing shall, at least 30 days before there is a change of ownership, change of use or change in the construction of the facility, notify the Bureau of that change. If the facility is not in compliance with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~{and}~~ (d) *and (e)* of subsection 1 of NAC 449.0105, the notice must identify those provisions of the guidelines with which the facility has failed to comply.

~~{2.— Upon a change in use or change in the construction of a facility, the facility must comply with the applicable provisions of the guidelines adopted by reference in paragraphs (e) and (d) of subsection 1 of NAC 449.0105 before admitting patients to the area that is being changed or is under construction.}~~

Sec. 46. NAC 449.74525 is hereby amended to read as follows:

449.74525 1. A facility for skilled nursing shall employ full-time, part-time or as a consultant, a person who is a licensed dietitian. If a licensed dietitian is not employed full-time, the facility shall designate a person to serve as the director of food service who receives frequently scheduled consultations from a licensed dietitian.

2. A facility shall employ an adequate number of qualified and competent personnel to provide food service to the patients in the facility.

3. Menus must be planned in advance and followed to meet the nutritional needs of the patients in the facility in accordance with the recommended dietary allowances of the Food and Nutrition Board of the ~~Institute~~ *National Academy* of Medicine of the National Academies ~~+~~ *of Sciences, Engineering, and Medicine*.

4. A facility shall provide to each patient in the facility:

(a) Food that is prepared to conserve the nutritional value and flavor of the food.

(b) Food that is nourishing, palatable, attractive and served at the proper temperature.

(c) A well-balanced diet that meets the daily nutritional and special dietary needs of the patient.

(d) Who refuses the food that is regularly served by the facility, a substitute of similar nutritional value.

5. A therapeutic diet served to a patient by a facility must be prescribed by the attending physician , *physician assistant, dentist, advanced practice registered nurse or podiatric physician* of the patient ~~+~~ *or ordered by a licensed dietitian*.

6. A facility shall serve to each patient in the facility at least three meals daily, at such times as are comparable to regular mealtimes within the community in which the facility is located. A snack must be offered to each patient daily at bedtime. Except as otherwise provided in this

subsection, breakfast must be served not more than 14 hours after the previous evening meal. If a nourishing snack is served at bedtime, breakfast may be served not more than 16 hours after the previous evening meal if approved by a group of patients organized pursuant to NAC 449.74499.

7. A facility shall provide special eating equipment and utensils to each patient who requires them.

8. A facility shall:

(a) Comply with the applicable provisions of chapter 446 of NRS and the regulations adopted pursuant thereto and obtain such permits as are necessary from the Division for the preparation and service of food;

(b) Maintain a report of each inspection concerning the sanitation of the ~~hospital~~ facility for at least 1 year after the date of the inspection;

(c) Maintain a report of each corrective action taken to address a deficiency noted in a report described in paragraph (b) for at least 1 year after the date of the corrective action;

(d) Procure food from sources that are approved or considered satisfactory by federal, state and local authorities;

(e) Store, prepare and serve food under sanitary conditions; and

(f) Dispose of refuse and garbage properly.

Sec. 47. NAC 449.74543 is hereby amended to read as follows:

449.74543 1. A facility for skilled nursing must be designed, constructed, equipped and maintained in a manner that protects the health and safety of the patients and personnel of the facility and members of the general public.

2. Except as otherwise provided in this section:

(a) A facility for skilled nursing shall comply with the provisions of *NFPA 101: Life Safety Code*, adopted by reference pursuant to NAC 449.0105.

(b) Any new construction, remodeling or change in use of a facility for skilled nursing must comply with the applicable provisions of the guidelines adopted by reference in paragraphs (c), ~~and~~ (d) *and* (e) of subsection 1 of NAC 449.0105, unless the remodeling is limited to refurbishing an area within the facility, including, without limitation, painting the area, replacing the flooring, repairing windows, or replacing window and wall coverings.

3. A facility for skilled nursing shall be deemed to be in compliance with the provisions of subsection 2 if:

(a) The facility is licensed on January 1, 1999, the use of the physical space in the facility is not changed and there are no deficiencies in the construction of the facility that are likely to cause serious injury, harm or impairment to the public health and welfare; or

(b) The facility has submitted building plans to the Bureau before February 1, 1999, and:

(1) The Bureau determines that the plans comply with standards for construction in effect before December 11, 1998;

(2) The facility is constructed in accordance with those standards;

(3) Construction of the facility is begun before August 1, 1999; and

(4) There are no deficiencies in the construction of the facility that are likely to cause serious injury, harm or impairment to the public health and welfare.

4. Except as otherwise provided in subsection 5, a facility for skilled nursing shall comply with all applicable:

(a) Federal and state laws;

(b) Local ordinances, including, without limitation, zoning ordinances; and

(c) Life safety, environmental, health, fire and local building codes,

↳ related to the construction and maintenance of the facility. If there is a difference between state and local requirements, the more stringent requirements apply.

5. A facility for skilled nursing which is inspected and approved by the State Public Works Division of the Department of Administration in accordance with the provisions set forth in chapter 341 of NRS and chapter 341 of NAC is not required to comply with any applicable local building codes related to the construction and maintenance of the facility.

6. A facility for skilled nursing shall submit building plans for new construction or remodeling to the entity designated to review such plans by the Division of Public and Behavioral Health pursuant to NAC 449.0115. The entity's review of those plans is advisory only and does not constitute approval for the licensing of the facility. Before the construction or remodeling may begin, the plans for the construction or remodeling must be approved by the Division of Public and Behavioral Health. The Bureau shall not approve a facility for licensure until all construction is completed and a survey is conducted at the site of the facility.

 - (b) Proof that the employee or independent contractor is in compliance with the requirements of NAC 449.831, if applicable.

11. Ensure that each employee or independent contractor who provides services is capable of:

(a) Carrying out the responsibilities established in the individualized plan established pursuant to NAC 449.835 for each person to whom the employee or independent contractor provides services and properly qualified by training and experience to do so; and

(b) Communicating effectively with each person to whom the employee or independent contractor provides services.

12. Comply with the policies adopted by the Commission on Behavioral Health pursuant to subsection 1 of NRS 433.314.

13. Maintain a staff sufficient to meet the needs of each person receiving services from the provider in accordance with the individualized plan established for the person pursuant to NAC 449.835.

Sec. 58. NAC 449.97026 is hereby amended to read as follows:

449.97026 1. Except as otherwise provided in subsection 5, a parent facility or independent facility which is issued a license to operate a mobile unit shall ensure that the mobile unit complies with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) ***and (e)*** of subsection 1 of NAC 449.0105.

2. Except as otherwise provided in subsection 4, before any new construction of a mobile unit or any remodeling of an existing mobile unit is begun:

(a) The parent facility or independent facility that applies for the license to operate the mobile unit or that has been issued the license to operate the mobile unit must submit a copy of the building plans for the new construction or remodeling to the entity designated to review such plans by the Division pursuant to the provisions of NAC 449.0115; and

(b) The building plans must be approved by the Division.

3. The building plans submitted for review and approval as required pursuant to subsection 2 must be drawn to scale and include a statement indicating:

(a) The services and procedures that will be provided at the mobile unit; and

(b) Each staging area designated by the parent facility or independent facility for the mobile unit.

4. A parent facility or independent facility is not required to submit plans for remodeling to the entity designated to review such plans by the Division pursuant to the provisions of NAC 449.0115 if the remodeling is limited to refurbishing an area within a mobile unit, including, without limitation, painting the area, replacing the flooring in the area, repairing the windows in the area, and replacing window or wall coverings in the area.

5. A parent facility or independent facility which is issued a license to operate a mobile facility shall ensure that the mobile unit for which the license is issued:

(a) Complies with any applicable zoning regulation for each staging area designated for the mobile unit;

(b) Is of sufficient size and is arranged in a manner that is appropriate to provide the services for which the mobile unit is licensed;

(c) Is furnished with the appropriate equipment to provide for the comfort and safety of each patient who receives services at the mobile unit;

(d) Is maintained in good repair and in a clean and sanitary manner; and

(e) During any period in which the operator of the mobile unit provides services at the mobile unit:

(1) Is located and illuminated in such a manner that each patient who receives services at the mobile unit may safely and comfortably enter and exit the mobile unit; and

(2) Complies with any applicable statute, ordinance or regulation relating to the parking of the mobile unit.

Sec. 59. NAC 449.971 is hereby amended to read as follows:

449.971 As used in NAC 449.971 to ~~449.996,~~ **449.997**, inclusive, *and sections 12 and 13 of this regulation*, unless the context otherwise requires, the words and terms defined in NAC 449.9715 to 449.9743, inclusive, have the meanings ascribed to them in those sections.

Sec. 60. NAC 449.9843 is hereby amended to read as follows:

449.9843 1. An ambulatory surgical center shall comply with the provisions of *NFPA 99: Health Care Facilities Code* concerning medical gases, adopted by reference pursuant to NAC 449.0105, and the provisions of *NFPA 101: Life Safety Code*, adopted by reference pursuant to NAC 449.0105.

2. Any new construction, remodeling or change in the use of an ambulatory surgical center must comply with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) *and (e)* of subsection 1 of NAC 449.0105, unless the remodeling is limited to refurbishing an area within the center, including, without limitation, painting the area, replacing flooring in the area, repairing windows in the area and replacing window or wall coverings in the area.

3. An ambulatory surgical center shall be deemed to be in compliance with the provisions of subsection 2 and subsection 2 of NAC 449.983 if:

(a) The center is licensed on February 1, 1999, the use of the physical space in the center is not changed and there are no deficiencies in the construction of the center that are likely to cause serious injury, harm or impairment to the public health and welfare; or

(b) The center has submitted building plans to the Bureau before February 1, 1999, and:

(1) The Bureau determines that the plans comply with standards for construction in effect before December 11, 1998;

(2) The center is constructed in accordance with those standards;

(3) Construction of the center is begun before August 1, 1999; and

(4) There are no deficiencies in the construction of the center that are likely to cause serious injury, harm or impairment to the public health and welfare.

4. An ambulatory surgical center shall comply with all applicable:

(a) Federal and state laws;

(b) Local ordinances, including, without limitation, zoning ordinances; and

(c) Life safety, environmental, health, fire and local building codes.

↪ If there is a difference between state and local requirements, the more stringent requirements apply.

5. An ambulatory surgical center shall submit building plans for new construction or remodeling to the entity designated to review such plans by the Division pursuant to NAC 449.0115. The entity's review of those plans is advisory only and does not constitute approval for the licensing of the center. Before the construction or remodeling may begin, the plans for the construction or remodeling must be approved by the Division. The Bureau shall not approve a center for licensure until all construction is completed and a survey is conducted at the site of the center.

Sec. 61. NAC 449.9935 is hereby amended to read as follows:

449.9935 1. The operating and recovery rooms of an ambulatory surgical center must be used exclusively for surgical procedures.

2. Except as otherwise provided in subsection 3, surgical procedures must be conducted in ~~an~~ *an ambulatory surgical center designated as* class A, B or C ~~operating room~~ *pursuant to section 12 of this regulation* in accordance with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) *and (e)* of subsection 1 of NAC 449.0105.

3. If an ambulatory surgical center is ~~licensed to perform only endoscopic procedures,~~ *designated as Endoscopy Only pursuant to section 12 of this regulation*, such procedures may be conducted in an endoscopy suite in accordance with the applicable provisions of the guidelines adopted by reference in paragraphs (c) , ~~and~~ (d) *and (e)* of subsection 1 of NAC 449.0105.

4. A registered nurse experienced in surgical procedures shall supervise the operating room.

5. Only a registered nurse may function as the circulating nurse in the operating room.

6. Each employee of an ambulatory surgical center who provides medical services and care to a patient must be trained to carry out the medical services and care that the employee will provide.

7. The operating room must be equipped with:

11. The Division shall review each revision of the publication adopted by reference in subsection 10 to ensure its suitability for this State. If the Division determines that a revision is not suitable for this State, the Division shall hold a public hearing to review its determination within 12 months after the date of the publication of the revision and give notice of that hearing. If, after the hearing, the Division does not revise its determination, the Division shall give notice within 30 days after the hearing that the revision is not suitable for this State. If the Division does not give such notice, the revision becomes part of the publication adopted by reference in subsection 10.

Sec. 62. NAC 449.996 is hereby amended to read as follows:

449.996 1. An ambulatory surgical center shall establish written guidelines for transferring patients to a licensed ~~general~~ hospital *that has medical and surgical capabilities* using an ambulance or air ambulance for emergencies that require medical care which is not provided at the center. The guidelines must be approved by the governing body of the ambulatory surgical center.

2. Each ambulatory surgical center shall maintain with a licensed ~~general~~ hospital *that has medical and surgical capabilities* a written agreement concerning the transfer of patients. The agreement must provide for the security of, and the accountability for, the personal effects of the patient.

3. If a patient is transferred, all medical and administrative information relating to the patient must be transferred with him or her or promptly made available to the licensed center or agency responsible for the patient's continuing care.

Sec. 63. NAC 449.99718 is hereby amended to read as follows:

449.99718 1. A recovery center must be designed, constructed, equipped and maintained in a manner that protects the health and safety of the patients and personnel of the recovery center and members of the general public.

2. A recovery center shall comply with all applicable:

(a) Federal and state laws;

(b) Local ordinances, including, without limitation, zoning ordinances; and

(c) Life safety, environmental, health, fire and local building codes,

↪ related to the construction and maintenance of the recovery center. If there is a difference between state and local requirements, the more stringent requirements apply.

3. Except as otherwise provided in this section:

(a) Each recovery center shall comply with the provisions of *NFPA 101: Life Safety Code*, as adopted by reference pursuant to NAC 449.0105.

(a) Comply with the applicable provisions of chapter 446 of NRS and chapter 446 of NAC and obtain such permits as are necessary from the Division for the preparation and service of food;

(b) Maintain a report of each inspection concerning the sanitation of the center for at least 1 year after the date of the inspection;

(c) Maintain a report of each corrective action taken to address a deficiency noted in a report described in paragraph (b) for at least 1 year after the date of the corrective action;

(d) Procure food from sources that are approved or considered satisfactory by federal, state and local authorities;

(e) Store, prepare and serve food under sanitary conditions; and

(f) Dispose of refuse and garbage properly.

Sec. 65. NAC 449.99758 is hereby amended to read as follows:

449.99758 1. A recovery center shall provide such pharmaceutical services, including, without limitation, acquiring, receiving, dispensing and administering drugs and biologicals, as are required to meet the needs of the patients admitted to the center. The recovery center shall provide such drugs and biologicals as are needed or obtain them from a qualified outside source pursuant to NAC 449.99754.

2. A recovery center shall employ or otherwise obtain the services of a registered pharmacist who shall:

(a) Provide consultations on all matters relating to the pharmaceutical services provided by the center;

(b) Establish a system of records for the receipt and disposition of all controlled substances in the center in sufficient detail to ensure an accurate reconciliation; and

(c) Ensure that those records are in order and that an account of all controlled substances in the center is maintained and periodically reconciled.

3. The regimen of drugs for each patient admitted to the recovery center must be reviewed at least once each month by a registered pharmacist. The pharmacist shall report any irregularities he or she discovers to the patient's attending physician and the chief administrative nurse of the recovery center. The physician and chief administrative nurse shall take such actions as they deem necessary in the response to the report.

4. Drugs and biologicals provided by a recovery center must be:

(a) Labeled in accordance with state and federal law and accepted professional standards.

Each label must include the appropriate accessory and cautionary instructions and the expiration date, if applicable.

(b) Stored in accordance with state and federal law in locked compartments with proper controls for the temperature. Only authorized personnel may have access to the keys to unlock such compartments. Substances listed as schedule II controlled substances pursuant to chapter 453 of NRS and other drugs that have the potential for abuse must be stored separately in a locked compartment that is immovable, unless the recovery center uses a system to distribute the substances or drugs in single-unit packages, the quantity stored is minimal and any dosage that is missing can be readily detected.

5. A recovery center that operates a pharmacy shall obtain a license from the State Board of Pharmacy pursuant to NRS 639.2177 and comply with the regulations adopted by the State Board of Pharmacy pursuant to that section.

6. A chart order for a patient at a recovery center must be signed by the prescribing practitioner within the time period set forth in NRS 639.23275.

7. As used in this section, “practitioner” has the meaning ascribed to it in NRS 639.0125.

Sec. 66. NAC 449.9982 is hereby amended to read as follows:

449.9982 As used in NAC 449.9982 to 449.99939, inclusive, *and section 16 of this regulation*, unless the context otherwise requires, the words and terms defined in NAC 449.99821 to 449.99841, inclusive, have the meanings ascribed to them in those sections.

Sec. 67. NAC 449.99855 is hereby amended to read as follows:

449.99855 1. If necessary to protect the public health and safety, the Bureau may impose such sanctions as are necessary without notice to the facility or by oral notice to the facility.

2. If there is an immediate and serious threat to the health and safety of recipients served by a facility, the Bureau ~~may~~ :

(a) Shall notify the facility as soon as practicable.

(b) May require the facility to establish and carry out a plan of abatement in accordance with section 16 of this regulation.

(c) May appoint a temporary manager to remove the threat. A temporary manager may also be appointed without prior written notice on an emergency basis if a facility violates any ban on admissions. If there is an immediate and serious threat to the health and safety of recipients, the times provided for notice contained in this subsection govern. In all other respects, the provisions governing temporary management found in NAC 449.99915 to 449.99921, inclusive, apply.

3. The Bureau may, in an emergency, impose a ban on admissions, a limitation on occupancy of a residential facility or may suspend the license of a facility without notice or upon oral notice as provided in this section.

4. In any case where sanctions are imposed without written notice, the Bureau shall provide written notice that complies with the requirements of NAC 439.345 within 48 hours after the imposition of the sanctions.

Sec. 68. NAC 449.99856 is hereby amended to read as follows:

449.99856 1. ~~The~~ *Except as otherwise provided in section 6 of this regulation, the* Bureau may apply one or more sanctions on the basis of deficiencies found during surveys or investigations of complaints conducted by the Bureau.

2. Deficiencies must be reported to the facility and, if applicable, to the Centers for Medicare and Medicaid Services. The notice to the facility must specify the deficiencies found and the severity and scope score for each deficiency determined by the Bureau.

3. Any deficiency for which a severity and scope score is not specified is presumed to be a de minimis deficiency.

4. A notice of deficiencies is confidential until 14 days after the date on which the notice is sent to the facility.

Sec. 69. NAC 449.99863 is hereby amended to read as follows:

449.99863 The sanctions available for all facilities include:

1. The imposition of a plan of correction as directed by the Bureau;
2. The issuance of a provisional license as provided by NRS 449.091;
3. The imposition of a limitation on the occupancy of a residential facility;
4. The imposition of a ban on admissions;
5. Monitoring of the facility by the Bureau;
6. The assessment of monetary penalties;
7. The requirement that the facility be managed temporarily by a person appointed by the Bureau;

8. If there is an immediate and serious threat to the health and safety of recipients served by a facility, the requirement that the facility submit to the Bureau and carry out a plan of abatement; and

~~18.1~~ **9.** The denial, suspension or revocation of the license of the facility or an endorsement on a license, if applicable.

Sec. 70. NAC 449.9987 is hereby amended to read as follows:

449.9987 1. The facility shall develop a plan of correction for each deficiency and submit the plan to the Bureau for approval within 10 days after receipt of the statement of deficiencies. The plan of correction must include specific requirements for corrective action, which must include times within which the deficiencies are to be corrected.

2. If the plan is not acceptable to the Bureau, the Bureau may direct the facility to resubmit a plan of correction or the Bureau may develop a directed plan of correction with which the facility must comply.

3. Failure to submit the plan of correction to the Bureau within 10 days constitutes a separate deficiency subject to monetary penalties with severity and scope rated at the same levels as the highest deficiency identified on the notice of deficiencies.

4. Except as otherwise provided in this subsection, a plan of correction that has not been approved by the Bureau is confidential. The Bureau may provide such a plan of correction to any entity within the Department of Health and Human Services or the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services. If the Bureau develops a directed plan of correction pursuant to subsection 2, the unapproved plan of correction submitted by the facility pursuant to subsection 1 and the directed plan of correction cease to be confidential 14 days after the date on which the Bureau sends the directed plan of correction to the facility.

449.770 Governing body; bylaws. (NRS 449.0302)

1. A home health agency must have an organized governing body or designated person who is legally responsible for the conduct of the agency.
2. The ownership of the home health agency must be disclosed to the Division. The governing body is responsible for compliance with all applicable local, state and federal laws and regulations.
3. The governing body shall appoint an advisory group of professional personnel, including one or more members who are practicing physicians, one or more professional registered nurses and representatives from other professional disciplines as indicated by the scope of the agency’s program.
4. The governing body is responsible for periodic administrative and professional evaluations of the agency.
5. The governing body shall receive, review and take action on recommendations made by the evaluating groups and document those actions.
6. The governing body shall adopt bylaws or an acceptable equivalent in accordance with legal requirements. The bylaws must be written, revised as needed, and made available to all members of the governing body, the Division and the advisory group. The terms of the bylaws must include at least the following:
 - (a) The basis upon which members of the governing body are selected, their terms of office and their duties and responsibilities.

(b) A provision specifying to whom responsibilities for the administration and supervision of the program and the evaluation of practices may be delegated, and the methods established by the governing body for holding those persons responsible.

(c) A provision specifying the frequency of board meetings and requiring that minutes be taken at each meeting.

(d) A provision requiring the establishment of personnel policies.

(e) The agency's statements of objectives.

7. The governing body shall adopt policies for the agency including policies relating to admissions, care and discharge of patients.

8. The governing body is legally responsible for the appointment of a qualified administrator and the delegation of responsibility and authority.

9. The governing body shall ensure that the administrator has sufficient freedom from other responsibilities to permit adequate attention to the direction and management of the agency.

449.773 Administrator: Qualifications; duties. (NRS 449.0302)

1. The administrator must be a professional registered nurse or licensed physician, either of whom must be licensed in this State, or a person with training or experience in health administration. 2. The administrator shall represent the governing body in the daily operation of the agency. His or her responsibilities include:

(a) Keeping the governing body fully informed of the conduct of the agency through regularly written reports and by attendance at meetings of the governing body.

(b) Employing qualified personnel and arranging for their orientation and continuing education.

(c) Developing and implementing an accounting and reporting system that reflects the fiscal experience and financial position of the agency.

(d) Negotiating for services provided by contract in accordance with legal requirements and established policies of the agency.

(e) Holding periodic meetings to maintain a liaison between the governing body, the advisory groups and the members of the staff.

(f) Other duties as may be assigned.

3. The administrator shall appoint a person authorized to act in his or her absence. The person appointed by the administrator must possess the qualifications set forth in subsection 1.

449.776 Director of professional services. (NRS 449.0302)

1. The director of professional services must be a physician or a registered professional nurse licensed to practice in this State who is readily available through the agency's office to advise the members of the staff.

2. The director of professional services shall:

(a) Direct, supervise and coordinate the skilled nursing services and other therapeutic services provided by the agency.

(b) Develop and revise written objectives for the care of patients, policies and procedure manuals.

(c) Assist in the development of descriptions of jobs.

(d) Assist in the recruitment and selection of personnel.

(e) Recommend to the administrator the number and levels of members of the nursing staff.

(f) Plan and conduct orientations and continuing education for members of the staff engaged in the care of patients.

(g) Evaluate the performance of the nursing staff.

(h) Assist in planning and budgeting for the provision of services.

(i) Assist in establishing criteria for the admission and discharge of patients.

449.779 Professional advisory group. (NRS 449.0302)

1. The professional advisory group must be appointed by the governing body and shall assist in establishing written policies covering skilled nursing, other therapeutic services and other aspects of professional health. These policies must be reviewed at least annually and revised as necessary, and must cover the following:

(a) The scope of services offered;

(b) Administrative records;

(c) Personnel qualifications and responsibilities; and

(d) The evaluation of programs.

2. The professional advisory group must include at least one member who is a licensed practicing physician, one professional registered nurse, representatives from other professional disciplines as indicated by the scope of the agency's program and two members who are representatives of the general public served by the agency. At least one member of the advisory group may not be an owner or employee of the agency. The administrator or his or her designee shall attend all meetings of the advisory group.

3. The advisory group shall meet at regular intervals, but at least once a year. Dated minutes must reflect an evaluation of overall agency performance, including the availability of services,

the utilization of services and the quality of services. Recommendations must be forwarded to the governing body.

4. The advisory group must be available to advise the governing body on policies issued and the evaluation of programs.

5. The advisory group shall participate in a continuing program to acquaint the community with the established policies and the scope and availability of services provided by the agency and to promote appropriate utilization.

6. The member of the advisory group who is a physician shall interpret the established policies to the local medical society and to other physicians.

7. Brochures and pamphlets describing the home health services of the agency must be prepared with the advice of the advisory group and distributed to other community resources and the general public.

449.785 Contracts for home health services. (NRS 449.0302) If a home health agency provides home health services under a contract with another agency, person or nonprofit agency, it must require that such services be furnished in accordance with the terms of the written contract. The contract must:

1. Provide for retention by the primary agency of responsibility for and control of the services.

2. Designate the services which are to be provided, the setting and the geographical area served. Services provided must be within the scope and limitations set forth in the plan of treatment and may not be altered in type, amount, frequency or duration, except in the case of adverse reaction.

3. Describe how the contracted personnel are to be supervised.

4. Describe how services are coordinated with the primary agency.
5. Provide for the reporting of clinical notes and observations by contracted personnel for inclusion in the records of the primary home health agency to facilitate planning and evaluating patient care and to document the care given. Periodic progress notes by appropriate members of the staff must be submitted at least every 14 days and more often if warranted by the patient's condition.
6. Specify the method of determining charges and reimbursement by the primary agency for specific services provided under contract. Only the primary agency may bill for or collect for services.
7. Specify the period of time the contract is to be in effect and how frequently it is to be reviewed. The contract must be reviewed annually.
8. Assure that personnel and services contracted for, meet the requirements specified in NAC 449.749 to 449.800, inclusive, for home health agency personnel and services, including licensure, personnel qualifications, medical examination, functions, supervision, orientation, in-service education and case conferences.
9. Provide for the acceptance of patients for home health service only by the primary home health agency. Patients may not be admitted for home health service by any person without an appropriate review of the case and acceptance of the patient by the agency.
10. Assure that personnel and services contracted for will provide treatment to referred patients without regard to race, creed or national origin.

449.787 Duty to provide skilled nursing care and home health aide services; inclusion of additional services. (NRS 449.0302) A home health agency is directly responsible for providing skilled nursing care and home health aide services, and may include other services

such as physical therapy, occupational therapy, speech therapy, medical-social services, nutritional guidance, pharmaceutical services, appliances and equipment services.

449.791 Duties of personnel. (NRS 449.0302)

1. A registered nurse shall:
 - (a) Provide nursing guidance and care to patients at home.
 - (b) Evaluate the home for its suitability for the patient's care.
 - (c) Teach the patient and those in the home who nurse the patient how his or her care is to be given.
 - (d) Supervise and evaluate the patient's care on a continuing basis.
 - (e) Provide necessary professional nursing care.
2. A licensed practical nurse may perform certain nursing procedures under the supervision of the registered nurse.
3. The certified home health aide must be trained to function as a member of the health services team. Under the supervision of a registered nurse, he or she may:
 - (a) Give the patient personal care, including assistance in the activities of daily living.
 - (b) Perform certain household services to ensure that the patient's nutritional needs are met and to maintain a safe and clean environment for the patient.
4. The social worker shall:
