EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-4 and 6-10, NRS 625.140; § 5, NRS 625.140 and 625.460.

A REGULATION relating to professions; authorizing the State Board of Professional Engineers and Land Surveyors to designate a Board Liaison to work in conjunction with the Executive Director of the Board; requiring certain notices to be submitted to the Board within 60 days, instead of 30 days, after certain disciplinary actions are taken; revising the conditions of probation that the Board may require; revising provisions relating to the establishment of advisory committees; revising provisions relating to the duties of the Executive Director of the Board that relate to advisory committees; revising provisions relating to the evaluation and investigation of a complaint by an advisory committee; providing that such evaluations and investigations are not subject to certain provisions of the Open Meeting Law under certain circumstances; revising provisions relating to conferences held with an advisory committee; repealing certain provisions relating to advisory committees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Board of Professional Engineers and Land Surveyors to adopt all regulations, not inconsistent with the constitution and laws of this State, which are necessary for the proper performance of the duties of the Board, the regulation of the proceedings before it and the maintenance of a high standard of integrity and dignity in the profession. (NRS 625.140)

Existing law authorizes any person to file with the Board a charge concerning a violation of any provision governing professional engineers and professional land surveyors. Existing law authorizes the Board to dismiss charges that are unfounded or trivial. (NRS 625.420) Otherwise, existing law provides that the Board will hold a hearing on the charges at a time and place fixed by the Board. (NRS 625.430) Existing regulations require: (1) a written report to be prepared by the staff of the Board after investigating the charge; and (2) the Executive Director of the Board to provide a recommendation to the Board of possible action to be taken after the Executive Director has reviewed the written report. (NAC 625.640) **Sections 1 and 3** of this regulation require the Executive Director, in conjunction with a member of the Board designated as the Board Liaison, to, upon completion of reviewing the written report: (1) on behalf of the Board, dismiss the complaint; or (2) negotiate a settlement with the respondent, subject to the approval of the Board. If the Executive Director, in conjunction with the Board Liaison, attempts to

negotiate a settlement with the respondent and a settlement cannot be reached, **section 3** requires the Executive Director, in conjunction with the Board Liaison, to determine whether to recommend that the Board schedule the matter for a disciplinary hearing.

Existing law authorizes the Board to take disciplinary action against a professional engineer or professional land surveyor and certain other persons for certain disciplinary actions taken by another state or territory, the District of Columbia, a foreign county, the Federal Government or any other governmental entity. (NRS 625.410) Existing regulations require a professional engineer or professional land surveyor who has been disciplined by another jurisdiction or governmental entity to notify the Board in writing of such disciplinary action within 30 days after the date on which the disciplinary action is imposed and state whether the disciplinary action is final or on appeal. (NAC 625.642) **Section 4** of this regulation requires that such notice be submitted to the Board within 60 days after the date on which the disciplinary action is imposed.

If the Board finds that a person who is charged with violating any provision governing professional engineers and professional land surveyors is guilty of the charge, existing law authorizes the Board to take certain actions, including placing the professional engineer or professional land surveyor, or an applicant for licensure as a professional engineer or professional land surveyor, on probation for such periods as the Board deems necessary. (NRS 625.460) If the Board places such persons on probation, existing regulations authorize the Board to require certain conditions of the probation, including any condition deemed appropriate by the Board. (NAC 625.645) **Section 5** of this regulation authorizes the Board to require any condition deemed appropriate by the Board to facilitate the probation.

Existing regulations authorize the Board to establish an advisory committee composed of professional engineers, land surveyors or other persons. (NAC 625.646) **Section 6** of this regulation instead authorizes the Executive Director to establish such an advisory committee in conjunction with the Board Liaison. Existing regulations authorize an advisory committee to: (1) provide technical assistance in the evaluation and disposition of certain complaints; (2) participate in the evaluation of candidates for licensure by comity; or (3) provide assistance in any area that the Board deems necessary. (NAC 625.646) **Section 6** instead authorizes an advisory committee to: (1) provide technical assistance in the evaluation and investigation of certain complaints; (2) participate in the evaluation of candidates for licensure by endorsement; or (3) provide assistance in any area that the Executive Director or Board Liaison deems necessary. Existing regulations provide that members of an advisory committee: (1) serve at the pleasure of the Board; (2) are prohibited from participating in proceedings in which a member of the Board similarly situated would be required to abstain; and (3) are entitled to travel expenses and subsistence allowances, but are not entitled to compensation for services rendered to the Board. (NAC 625.646) **Section 6** instead provides that members of an advisory committee: (1) are selected by and serve at the pleasure of the Executive Director, in conjunction with the Board Liaison; (2) are prohibited from participating in proceedings in which a public officer or employee would be precluded from participating pursuant to existing law; and (3) are entitled to travel expenses and subsistence allowances, but are not entitled to compensation for services rendered to the Executive Director or Board Liaison. Existing regulations provide that each member of the Board is a nonvoting, ex officio member of any advisory committee and may attend any meeting of an advisory committee and that the Board is not bound by any recommendation made by an advisory committee. (NAC 625.646) **Section 6** removes these provisions.

Sections 7-9 of this regulation make conforming changes in accordance with **section 6** and also make changes relating to the evaluation and investigation of complaints against respondents. Specifically, **section 7** of this regulation requires the Executive Director to set the time and place of a conference between an advisory committee and the respondent and provide written notice of the conference to the respondent. **Section 7** additionally authorizes such a conference to be held in person, via videoconference or over the telephone. Existing law provides that the provisions relating to the Open Meeting Law do not apply to proceedings relating to an investigation conducted to determine whether to proceed with disciplinary action against a licensee, unless the licensee requests that the proceedings be conducted pursuant to the Open Meeting Law. (NRS 622.320) **Section 7** clarifies that a conference held for the evaluation and investigation of a complaint is not subject to certain provisions of the Open Meeting Law under certain circumstances. **Section 8** of this regulation requires an advisory committee to submit to the Executive Director a report containing written findings as to the standard of care that applies to the respondent and whether the respondent violated certain provisions of existing law. (NRS 625.410) **Section 8** requires the Executive Director to provide a copy of the report to the Board Liaison and provides that the Executive Director and the Board Liaison are not bound by the report. **Section 9** of this regulation provides that the refusal of a respondent to participate in a conference with the advisory committee is considered information relevant in a subsequent disciplinary hearing of the complaint before the Board.

Existing regulations set forth certain actions the Board may take as a result of the respondent: (1) declining to participate in a review of the complaint; (2) accepting or rejecting an advisory committee's recommendations; or (3) failing to notify the Board that he or she accepts the advisory committee's recommendation. (NAC 625.648) **Section 10** of this regulation repeals these provisions.

Section 1. Chapter 625 of NAC is hereby amended by adding thereto a new section to read as follows:

“Board Liaison” means a member of the Board who is designated by the Board to work in conjunction with the Executive Director.

Sec. 2. NAC 625.010 is hereby amended to read as follows:

TEXT OF REPEALED SECTION

625.648 Evaluation and disposition of complaint: Actions of respondent. (NRS 625.140)

1. If a respondent declines to participate in a review of the complaint by an advisory committee, the Executive Director shall refer the complaint to the Board for any further action that it deems appropriate.

2. If the respondent accepts the recommendations of the advisory committee which reviewed the complaint, the respondent must enter into an agreement with the Board regarding

the resolution of the complaint within 15 days after he or she is served with the recommendations by the Executive Director. Such an agreement is not effective until the respondent has signed the agreement and the Board has approved it.

3. If the respondent rejects the recommendation of the advisory committee, the Board will take any further action that it deems appropriate.

4. If the respondent fails to notify the Board that he or she accepts the recommendation of the advisory committee, the Board will take any further action that it deems appropriate.
