A REGULATION relating to pharmacy; requiring certain euthanasia technicians to register with the State Board of Pharmacy; revising requirements for certain applications with the Board; increasing certain fees; clarifying that an applicant for registration as a pharmacist or pharmaceutical technician is required to undergo a criminal background check in certain circumstances; revising requirements for an outsourcing facility that is engaged in the compounding of sterile drugs; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires every practitioner or other person who dispenses any controlled substance within this State or who proposes to engage in the dispensing of any controlled substance within this State to obtain a registration issued by the State Board of Pharmacy in accordance with its regulations. (NRS 453.226) Existing regulations prescribe the prerequisites for a euthanasia technician to possess and administer sodium pentobarbital, including registering with the Board. (NAC 638.510) **Section 2** of this regulation requires a euthanasia technician who possesses or administers or who proposes to possess or administer sodium pentobarbital within this State to obtain a registration issued by the Board.

Existing law provides that an application for registration as a pharmacist is only valid for 1 year after the date it is received by the Board. (NRS 639.127) Existing regulations require an applicant for a certificate as a registered pharmacist to provide all information and make all appearances required by the Board within 1 year after passing the North American Pharmacist

Licensure Examination. (NAC 639.205) **Section 3** of this regulation provides that an application for any certificate, license or permit issued by the Board is only valid for 1 year after the application is received by the Board.

Senate Bill No. 408 of the 2021 Legislative Session increased the maximum fees that the Board is authorized to impose for the investigation or issuance or the renewal of a license as a manufacturer or wholesaler from \$500 to \$1,000. (Section 7 of Senate Bill No. 408, chapter 218, Statutes of Nevada 2021, at page 1019) **Section 5** of this regulation amends existing regulations to increase those fees from \$500 to \$1,000.

Existing law requires an applicant for registration as a pharmacist or a pharmaceutical technician to submit his or her fingerprints to the Board for the purpose of conducting criminal background check. (NRS 639.127, as amended by section 5 of Senate Bill No. 408, chapter 218, Statutes of Nevada 2021, at page 1018, NRS 639.1371, as amended by section 6 of Senate Bill No. 408, chapter 218, Statutes of Nevada 2021, at page 1018)

Section 6 of this regulation makes a conforming change to clarify in the Nevada Administrative Code that an applicant for registration as a pharmaceutical technician is required to comply with this requirement. **Section 4** of this regulation makes a conforming change to account for changes in numbering made by **section 6**. **Section 7** of this regulation authorizes an applicant for registration as a pharmacist or a pharmaceutical technician to submit his or her fingerprints electronically to the Board. **Section 9** of this regulation requires an applicant for registration as a pharmacist or pharmaceutical technician to submit a second set of fingerprints if his or her first set of fingerprints is rejected by the Central Repository for Nevada Records of Criminal History.

Existing regulations prescribe certain duties for an outsourcing facility that is engaged in the compounding of sterile drugs in this State or for shipment into this State. (NAC 639.6915) **Section 8** of this regulation requires such a facility to submit an application for a license as a manufacturer in accordance with existing law on a form prescribed by the Board.

Section 1. Chapter 639 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this regulation.

Sec. 2. 1. *A euthanasia technician who possesses or administers or proposes to possess or administer sodium pentobarbital pursuant to NAC 638.510 must apply to the Board on a form prescribed by the Board for a certificate of registration pursuant to NRS 453.226.*

2. Any certificate of registration issued pursuant to subsection 1 is a revocable privilege and no holder of such a certificate acquires any vested right therein or thereunder.
