### I. Call to Order

**II. Public Comment:** In consideration of others who may wish to provide public comment, please avoid repetition and limit your comment to three minutes per person. Unused time may not be reserved by the speaker nor allocated to another speaker.

**III. Overview of Proposed Changes to NAC Chapter 590:** The Nevada Department of Agriculture (NDA) will hold a workshop to solicit comments from interested persons on the following general topics that may be addressed in proposed regulations (LCB File Nos. R027-21 and R037-21):

LCB File No. R027-21 establishes a schedule of civil penalties for certain violations of the Nevada Petroleum Inspection Act (NRS 590.010 to 590.150, inclusive)

- Monetary penalties are established for a first offense of the Nevada Petroleum Inspection Act, for a second offense, and for a third and subsequent offense
- An additional provision allows for a notice of warning without imposing a civil penalty for a first offense, under certain conditions

LCB File No. R037-21 establishes new sections within NAC Chapter 590 adopting by regulation certain specification standards for diesel emission fluid and for petroleum heating products, and also includes changes to the following sections of NAC Chapter 590:

- A new section adopts by regulation certain specification standards for diesel emission fluid (DEF) available from the International Organization for Standardization
- A new section adopts by regulation certain specification standards for petroleum heating products available from ASTM, International
- NAC 590.050 - updates the purchase price (from ASTM, International) for the standard specification for diesel fuel adopted by reference
- NAC 590.051 - updates the purchase prices (from ASTM, International) for the standard specifications for biodiesel fuel blend stock, biodiesel blends (B6 to B20), and diesel fuel adopted by reference
- NAC 590.052 - updates the purchase price (from ASTM, International) for the standard specification for Methanol Fuel Blends adopted by reference
- NAC 590.053 - updates the purchase price (from ASTM, International) for the standard specification for Ethanol Fuel Blends adopted by reference
- NAC 590.054 - updates the purchase price (from ASTM, International) for the standard specification for Chemical Composition of Gases adopted by reference

- NAC 590.055 – adopts by reference certain specification standards for the regulation of Aviation Gasoline and Aviation Turbine Fuels (Jet Fuel) following the passage of Assembly Bill 31 of the 81<sup>st</sup> Session of the Nevada Legislature, which transferred authority for this section of NAC Chapter 590 from the State Sealer of Consumer Equitability to the State Board of Agriculture
- NAC 590.065 - updates the purchase price (from ASTM, International) for the standard specification for Spark-Ignition Engine Fuel adopted by reference
- NAC 590.070 – amends the text to reflect passage of Assembly Bill 31 by the 81<sup>st</sup> Session of the Nevada Legislature

**IV. Public Comment:** In consideration of others who may wish to provide public comment please avoid repetition and limit your comment to three minutes per person. Unused time may not be reserved by the speaker nor allocated to another speaker.
