(2) If the proposed regulation is a temporary regulation, either the terms or substance of the proposed regulation or a description of the subjects and issues involved.

Not applicable as these proposed regulations would be permanent regulations.

(3) If the proposed regulation is a permanent regulation, a statement explaining how to obtain the approved or revised text of the proposed regulation prepared by the Legislative Counsel pursuant to NRS 233B.063.

(5) A statement identifying the methods used by the agency in determining the impact on a small business prepared pursuant to subsection 3 of NRS 233B.0608.

The agency determined that these proposed regulations would not impact small businesses through discussions with the county clerks and Secretary of State's accounting division, and through an analysis of historic costs related to the administration of Nevada's elections at the state and county level.

(6) The estimated cost to the agency for enforcement of the proposed regulation.

Enforcement of these proposed regulations poses no significant cost to the Secretary of State's office.

(7) A description of any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. (8) If the regulation is required pursuant to federal law, a citation and description of the federal law.

The proposed regulations are not required pursuant to federal law.

(9) If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

The proposed regulations do not include provisions which are more stringent than a federal regulation that regulates the same activity.

(10) The time when, the place where and the manner in which interested persons may present their views regarding the proposed regulation.
