LCB FILE R121-21**

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 641.

This regulation establishes a reduced fee for the initial issuance of a license by endorsement as a psychologist for an active member of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran. This change reflects and aligns to changes to Nevada Revised Statutes 641.228 as enacted through Senate Bill 44 (2021).

This regulation authorizes and prescribes standards for the remote supervision of psychological assistants, psychological interns and psychological trainees. This change aligns to changes to Nevada Revised Statutes 641.100 as enacted through Senate Bill 44 (2021). It allows for supervision of a psychological assistant, psychological intern or a psychological trainee either in-person or through the use of a remote technology system which uses electronic, digital or other similar technology. The Board supported the change as it allows for remote supervision particularly for supervisors and/or supervisees working in rural areas of the state.
