A REGULATION relating to taxation; establishing provisions for the administration, calculation and payment of the tax imposed on the Nevada gross revenue of certain entities engaged in the business of extracting gold or silver, or both, in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes an annual tax on each business entity engaged in the business of extracting gold or silver, or both, in this State whose Nevada gross revenue in a taxable year exceeds \$20,000,000. (Section 25 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1274 (NRS 363D.160)) **Section 9** of this regulation defines this tax for the purposes of this regulation as the “mining education tax.” **Sections 1-6** of this regulation provide for the administration of the mining education tax by the Department of Taxation in the same manner as other taxes are administered by the Department.

Existing law establishes the 12-month period beginning on January 1 and ending on December 31 of each calendar year as the taxable year for the purposes of the mining education tax. (Section 17 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at pages 1272

(NRS 363D.085) **Section 11** of this regulation specifies that the taxable year begins on January 1 and ends on December 31 of each calendar year.

Under existing law, the amount of Nevada gross revenue of a business entity on which the mining education tax is imposed is calculated by taking the amount of the gross revenue of the business entity, subtracting various deductions from that amount, then situsing the adjusted amount to this State. (Section 12 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1271 (NRS 363D.060)) **Section 12** of this regulation interprets the term “fiduciary duty” for the purposes of a deduction from the gross revenue of a business for the revenue of a business entity that is required by fiduciary duty to be distributed to another person or entity. (Sections 14 and 26 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at pages 1271 and 1275 (NRS 363D.070, 363D.170)) **Section 13** of this regulation interprets the term “intangible investments” for the purposes of the exemption from the mining education tax for a person whose activities within this State are confined to the owning, maintenance and management of the person’s intangible investments or of the intangible investments of certain persons or statutory trusts or business trusts. (Section 4 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1269 (NRS 363D.020)) **Section 14** of this regulation establishes the circumstances under which a good or service is provided on a complimentary basis for the purposes of the exclusion of the value of such goods or services from the gross revenue of a business entity. (Section 10 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1271 (NRS 363D.050))

Existing law requires each person responsible for maintaining the records of a taxpayer who is subject to the mining education tax to: (1) keep such records as may be necessary to determine the amount of tax owed by the taxpayer; (2) preserve those records for 4 years or until any litigation or prosecution regarding the tax is finally determined, whichever is later; and (3) make the records available for inspection by the Department upon demand at reasonable times during regular business hours. Existing law further authorizes the Department to adopt regulations specifying the types of records which must be kept to determine the amount of tax owed by the taxpayer. (Section 23 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1274 (NRS 363D.140)) **Section 15** of this regulation specifies the records that a person responsible for maintaining the records of a taxpayer is required to keep for the purpose of determining the amount of tax owed by the taxpayer.

Section 16 of this regulation requires a business entity subject to the mining education tax to use the same method of accounting for the purposes of the tax as the business entity uses for the purposes of its federal income taxes.

Section 17 of this regulation provides that the mining education tax is a tax imposed on the Nevada gross revenue of a business entity engaged in the business of extracting and selling gold or silver, or both, in this State on or after July 1, 2021. **Section 17** also: (1) defines gold and silver for the purposes of determining whether a business entity is engaged in the business of extracting gold or silver, or both, in this State; (2) establishes that a business entity is engaged in the business of extracting gold or silver, or both, if the business entity realizes gross revenue from the sale of gold or silver, or both, extracted by the business entity in this State; and (3) provides that in determining whether a business entity is engaged in the business of extracting gold or silver, or both, in this State, the Department is required to consider the activities of the business entity and not activities of other entities in which the business entity owns an interest. Finally, **section 17** provides that a business entity whose primary source of gross revenue is realized from the sale of gold or silver, or both, extracted in this State is not subject to the tax if

the gross revenue realized from the gold or silver, or both, extracted in this State is sourced to one or more subsidiaries of the business entity in which the business entity has an ownership or controlling interest and such subsidiaries are subject to and pay the mining education tax.

Section 18 of this regulation establishes the types of business entities that constitute a business entity for the purposes of the mining education tax.

Section 19 of this regulation establishes the manner in which a business entity is required to convert a foreign currency into United States dollars when a contract for the sale of gold or silver, or both, establishes the sales price for gold or silver in a currency other than the United States dollar.

Existing law requires a business entity that is engaged in the business of extracting gold or silver, or both, in this State whose Nevada gross revenue in a taxable year exceeds \$20,000,000 to: (1) file with the Department, on or before April 1 immediately following the end of the taxable year, a return in a form prescribed by the Department; and (2) remit the amount of gold and silver excise due. (Section 25 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1274 (NRS 363D.160)) **Section 20** of this regulation requires such a business entity to file with the Department a Nevada Mining Education Tax Return on or before the due date established by existing law and requires the first such return filed by a business entity to identify each: (1) location for which the Division of Environmental Protection of the State Department of Conservation and Natural Resources has issued the permit required by existing law to authorize the business entity to engage in a mining operation to extract gold or silver, or both, at the location; and (2) geographically separate operation where gold or silver, or both, is extracted by the business entity for which a separate statement of gross yield and claimed net proceeds from such extraction is filed for the purposes of the tax on the net proceeds of minerals.

Under existing law, the Department is authorized to waive all or part of any interest or penalty, or both, imposed on a taxpayer who fails to make a timely payment of a tax if the Executive Director of the Department or a hearing officer finds that the failure to make a timely payment was the result of circumstances beyond the taxpayer's control and occurred despite the exercise of ordinary care and without intent. (NRS 360.419) Existing law further provides that if the Department determines that an overpayment of the mining education tax was made intentionally or by reason of carelessness, the Department must not allow the taxpayer to receive interest on the overpayment. (Section 30 of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at page 1277 (NRS 363D.210)) **Sections 2 and 21** of this regulation provide that: the Department may waive all or part of the penalty or interest, or both, imposed on the taxpayer on any of the grounds set forth in existing regulations for the waiver of penalty or interest, or both. (NRS 360.396)

Section 22 of this regulation provides for the payment under protest of the mining education tax, without the waiver of any claim relating to the amount of tax due.

Existing law imposes an annual commerce tax on the Nevada gross revenue of certain business entities engaged in a business in this State, at a rate that is based on the industry in which a business entity is primarily engaged. (Chapter 363C of NRS) **Section 23** of this regulation provides that the rules for situsing the gross revenue of a business entity to Nevada for the purposes of the commerce tax apply to the situsing of the gross revenue of a business entity to Nevada for the purposes of the mining education tax.

Sec. 2. NAC 360.397 is hereby amended to read as follows:

360.397 1. Except as otherwise provided in NAC 360.398 and 363C.250 ~~H~~ *and section 21 of this regulation*, a taxpayer or the taxpayer's agent may request the waiver or reduction of the penalty or interest, or both, by submitting to the Department a written statement signed under oath by the taxpayer or the taxpayer's agent which sets forth the facts and circumstances surrounding the failure of the taxpayer to make the payment in a timely manner.

2. The Department shall not consider a request made pursuant to subsection 1 until the taxpayer has paid in full the tax or fee upon which the interest or penalty is assessed.

Sec. 3. NAC 360.438 is hereby amended to read as follows:

360.438 1. A person may request that the Commission compromise the liability of the person for a tax, contribution, premium, fee, interest or penalty assessed pursuant to the provisions of chapter 360, 360B, 362, 363A, 363B, 363C, 368A, 369, 370, 372, 372A, 374, 377, 377A or 444A of NRS, NRS 482.313, or chapter 585 or 680B of NRS *or sections 2 to 40, inclusive, of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at pages 1269-79 (NRS 363D.010-363D.310, inclusive)* as administered or audited by the Department by submitting to the Department, on a form prescribed by the Department, an offer to compromise the liability of the person.

2. An offer to compromise the liability of a person submitted pursuant to subsection 1 must include:

(a) A statement of the grounds upon which the compromise is sought and any other information to support the offer;

(b) Copies of such financial information and documentation as may be required by the Department, including, without limitation, financial statements, bank records, accounting ledgers and a statement or explanation of any assets that may be acquired by the person pursuant to the resolution of a pending claim, cause of action, settlement or insurance disbursement, inheritance or an unsatisfied judgment or court order;

(c) An affirmation, signed under penalty of perjury, attesting to the truthfulness and accuracy of all information and documentation submitted with the offer to compromise; and

(d) A written statement signed by the person consenting to suspend any and all statutory periods of limitation relevant to the collection of the liability of the taxpayer or the seizure, attachment, garnishment or execution upon property or assets of the taxpayer to satisfy the

liability of the taxpayer during the period in which the Commission considers whether to accept or reject the offer of compromise.

3. The Department shall review, analyze and verify an offer of compromise and any accompanying information and documentation submitted pursuant to subsection 1.

4. If, after reviewing, analyzing and verifying the offer pursuant to subsection 3, the Department determines that:

(a) The offer does not comply with subsection 1 or does not include adequate supporting information and documentation, the Department shall return the offer to the person who submitted the offer with a written explanation of the deficiencies.

(b) Except as otherwise provided in paragraph (c), the offer complies with subsection 1, the Department shall forward to the Commission the offer and the recommendation of the Department as to whether the Commission should accept or reject the offer.

(c) The offer complies with subsection 1 and the Department will recommend that the Commission reject the offer, the Department shall advise the person submitting the offer in writing that the Department will recommend that the Commission reject the offer before forwarding the offer and the recommendation of the Department to the Commission pursuant to paragraph (b). A person so advised may withdraw the offer.

5. Except as otherwise provided in this subsection, if a person submits an offer pursuant to subsection 1, the Department shall cease, and shall not commence, any action related to the collection of the liability of the taxpayer or the seizure, attachment, garnishment or execution upon property or assets in satisfaction of the liability until the Commission accepts or rejects the offer. If the Department determines that the offer submitted pursuant to subsection 1 was offered for the purpose of delaying or avoiding the collection of the liability of the person, the

Department may continue or commence any action related to the collection of the liability of the taxpayer or the seizure, attachment, garnishment or execution upon property or assets in satisfaction of the liability.

6. The Commission will review an offer received from the Department pursuant to subsection 4 and issue a written decision as to whether the Commission accepts or rejects the offer of compromise.

7. If the written decision of the Commission issued pursuant to subsection 6 is the acceptance of the offer of compromise, the Commission may:

(a) Make the acceptance of the offer contingent upon the satisfaction of conditions as the Commission deems appropriate, including, without limitation, that all or part of the amount of the compromise be paid within a specific time frame.

(b) Allow the person submitting the offer to pay the amount of the compromise in reasonable installments. If the Commission allows the person submitting the offer to pay the amount of the compromise in reasonable installments, the Commission may make the acceptance of the offer contingent upon the person complying with the schedule of installment payments.

8. If the Commission makes the acceptance of an offer of compromise contingent upon the satisfaction of a condition pursuant to subsection 7, the Commission will hold a hearing before finally accepting or rejecting the offer to determine whether the conditions upon the acceptance of the offer were satisfied. If the Commission determines that the conditions upon the acceptance of the offer were satisfied, the Commission will issue a written decision to accept the offer of compromise. If the Commission determines that the conditions upon the acceptance of the offer were not satisfied, the Commission will issue a written decision specifying the manner in which such conditions failed to be satisfied.

9. Except as otherwise provided in subsection 10, after the Commission has accepted an offer of compromise and the person has tendered the full amount of money offered in the compromise, the compromise will be deemed to be an accord and satisfaction of the liability of the person for that liability which is the subject of the compromise.

10. If, after a hearing, the Commission determines that the acceptance by the Commission of an offer of compromise was procured through fraud, misrepresentation or concealment or resulted from a mutual mistake of fact, the Commission may issue a written decision to reinstate the liability of the taxpayer in the amount originally assessed by the Department. The written decision of the Commission is a final decision for the purposes of judicial review.

11. The acceptance of an offer of compromise by the Commission pursuant to this section shall not be deemed to be a limitation on the rights and remedies of the Department with respect to any person not named or identified in the offer of compromise.

Sec. 4. NAC 360.440 is hereby amended to read as follows:

360.440 1. If a taxpayer fails to file a return as required by the applicable provisions of chapter 360, 362, 363C, 369, 370, 372, 372A, 374, 377, 377A or 444A of NRS, NRS 482.313, or chapter 585 or 680B of NRS *or sections 2 to 40, inclusive, of Assembly Bill No. 495, chapter 249, Statutes of Nevada 2021, at pages 1269-79 (NRS 363D.010-363D.310, inclusive)* and he or she wishes to disclose that fact voluntarily to the Commission, the taxpayer or the taxpayer's representative must file with the Department an application for voluntary disclosure on a form prescribed by the Commission before the Department has initiated an audit or investigation of the taxpayer.

4. Fails to provide an accurate estimate of his or her tax liability in the application for voluntary disclosure filed pursuant to NAC 360.440. The taxpayer shall be deemed to have provided an inaccurate estimate of his or her tax liability if:
