Filing of Emergency Administrative Regulations

AUTHORITY: NRS 612.220 and Section 3 of Senate Bill No. 3 of the 32nd Special Session of the Nevada Legislature, chapter 7, Statutes of Nevada 2020, 32nd Special Session, at page 81 (NRS 612.242).

REGULATIONS relating to unemployment compensation; .

**Digest:**

Existing law requires employers to pay contributions or reimbursement in lieu of contributions with respect to wages for employment into the Unemployment Compensation Fund. *See* NRS 612.535 through 612.553. Nevada Administrative Code (NAC) 612.120 and 612.265 address such contributions or reimbursement in lieu of contributions. The proposed temporary changes to NAC 612.120 and NAC 612.265, during the coronavirus disease 2019 (hereafter “COVID-19” or “pandemic”) emergency, are expected to have an immediate beneficial economic effect on employers and employing units in Nevada directly impacted financially by COVID-19 due to an illness in the workplace tied to the pandemic, direction by a governmental official to close operations until the pandemic declared emergency is lifted, or the claimant for benefits had good cause to leave work due to the pandemic. NRS 612.730 provides an assurance or safeguard regarding proper disclosures by affected employers or employing units.

The proposed regulatory change to NAC 612.120 would allow the Department of Employment, Training & Rehabilitation’s (DETR) Employment Security Division’s (ESD) Administrator to relieve an employing unit or employer from the charging of benefits to its experience record by applying the relief in Section 19.5 of SB75 to additional quarters including the fourth quarter of 2020 and the first, second and third quarters of 2021.

**Section 1.** Nevada Administrative Code (NAC) 612.120, entitled “Employing units: Notification of claims, determinations and rulings; reports of relevant facts; protest of payment of benefits; relief from charging of benefits. (NRS 612.220, 612.475, 612.551),” is hereby amended to read as follows:

1. The last or next to last employing unit that receives a notice of the first claim filed by a claimant following separation from employment must, within 11 days after the date of the notice, submit to the Division all relevant facts that affect the claimant’s rights to benefits, including all relevant facts which disclose that the claimant separated from employment

voluntarily and without good cause, or was discharged for misconduct in connection with his or her employment.

2. The last or next to last employing unit may protest the payment of benefits if the protest is filed within 11 days after the date of the notice of filing the claim. If the employing unit has filed a report of all relevant facts in a timely manner that might adversely affect the claimant's rights to benefits, the report is considered as a protest to the payment of benefits.

3. The last or next to last employing unit that has filed a response in a timely manner will be notified in writing of the determination as to the claimant's rights to benefits. If the last or next to last employing unit has contributed 75 percent of the claimant's base period earnings and has submitted all relevant facts in a timely manner indicating that the claimant quit voluntarily without good cause, or was discharged for misconduct in connection with his or her employment, the employer will be notified in writing of the Division's ruling as to the cause of termination of the claimant's employment and whether the experience rating record of the employer is chargeable with benefits paid the claimant.

4. The last or next to last employing unit is entitled to relief from the charging of benefits to its experience rating record if the claimant is found to have quit employment with the employing unit solely to accept other employment.

5. Any employing unit that paid wages to the claimant in the base period of the claim will be notified of the first claim filed which results in a determination that the claimant is an insured worker. The base period employer so notified must, within 11 days, submit all relevant facts disclosing whether the claimant was discharged for a crime committed in connection with his or her employment. The Division will issue a decision setting forth whether the wages will be denied in the determination of the payment of benefits.

6. Any notice of determination or ruling will contain a statement setting forth the right of appeal.

7. The notice of first claim filed which is mailed to the last or next to last employing unit must be addressed to:

(a) The employing unit's place of business where the claimant was most recently employed;

(b) The business office of the employing unit where the records of the claimant's employment are maintained; or

(c) The business office of an authorized agent of the employing unit if the employing unit has filed with the Administrator an approved authorization designating the agent to represent the employing unit.

8. Any notice properly addressed to the last known address of the employing unit or its authorized agent constitutes proper notification to the employing unit of the first claim filed.

9. The notice of first claim filed which is mailed to a base period employer who is not the last or next to last employer of the claimant must be addressed to:

(a) The employing unit's place of business where the claimant was most recently employed.

(b) The business office of the employing unit where the records of the claimant's employment are maintained.

(c) The address or addresses as requested by the employer and agreed to by the Administrator; or

(d) The business office of an authorized agent of the employing unit if the employing unit has filed with the Administrator an approved authorization designating the agent to represent the employing unit.

-- Any notice properly addressed to the last known address of the employer or his or her authorized agent constitutes proper notice to the base period employer.

10. As used in this section, "all relevant facts" includes, without limitation, dates of employment, type of work performed, specific reason given for separation from employment, the final incident to cause the separation from employment and prior disciplinary warnings of a similar nature given, if any.

*11. For the fourth quarters of 2020 and the first, second and third quarters of 2021, upon the declaration of emergency by the Governor and based on the detrimental effects of the COVID-19 pandemic on Nevada Employers, the Administrator shall provide all contributory employing units with relief from all charging of benefits to its experience record*

**Statement of Emergency pursuant to Section 3 of Senate Bill No. 3 of the 32nd Special Session of the Nevada Legislature, chapter 7, Statutes of Nevada 2020, 32nd Special Session, at page 81 (NRS 612.242) to implement Temporary regulatory changes (120 days)**

On behalf of the Nevada Department of Employment, Training and Rehabilitation's (DETR) Employment Security Division (ESD), and as ESD's Administrator, I submit this Statement of Emergency pursuant to Section 3 of Senate Bill No. 3 of the 32nd Special Session of the Nevada Legislature, chapter 7, Statutes of Nevada 2020, 32nd Special Session, at page 81 (NRS 612.242). This pertains to proposed regulatory changes to Nevada Administrative Code (NAC) Chapter 612, relating to unemployment insurance benefits (hereafter "benefits"). The attached proposed changes to NAC Chapter 612 would allow the Department of Employment, Training & Rehabilitation's (DETR) Employment Security Division's (ESD) Administrator to relieve an employing unit or employer from the charging of benefits to its experience record or reduce the amount of reimbursement in lieu of contributions using state and federal relief allowed under Section 903(i) of the social security act. .

On March 12, 2020, the Governor of the State of Nevada issued a Declaration of Emergency to facilitate the State of Nevada's response to the COVID-19 pandemic. On March 13, 2020, President of the United States Donald J. Trump declared a nationwide emergency pursuant to Sec. 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207 (the "Stafford Act"). A public health emergency exists throughout the State of Nevada as a result of the COVID-19 outbreak. The financial impact on Nevadans has been significant and severe with initial unemployment claims exceeding 1,500,000 as of December of 2020. NRS 414.070(7) provides that, given the COVID-19 emergency, the Governor may exercise powers and duties as are necessary to promote and secure the safety and protection of the civilian population. Pursuant to NRS 233B.0613, I declare than an emergency exists and request the Governor of the State of Nevada to endorse this Statement of Emergency so the amendments to the regulations above may take effect immediately.

AS REQUIRED BY ADMINISTRATIVE PROCEDURES ACT, NRS 233B.066  
LCB FILE NO. R???-??  
\_\_\_\_\_, 2021

The following informational statement is submitted for adopted amendments to Chapter 612 of the Nevada Administrative Code (NAC):

**1. A clear and concise explanation of the need for the adopted regulations**

Due to the Coronavirus 2019 (hereafter "COVID-19" or "pandemic"), there has been a dramatic increase in unemployment in Nevada and related onerous or burdensome financial effects on employers or employing units who are required to pay contributions or make reimbursement in lieu of contributions with respect to wages for employment. The proposed (120 days) emergency regulatory changes would allow the Department of Employment, Training & Rehabilitation's (DETR) Employment Security Division's (ESD) Administrator to relieve an employing unit or employer from the charging of benefits to its experience record or reduce the amount of reimbursement in lieu of contributions using state and federal relief allowed under Section 903(i) of the social security act. This money is related to wages for employment and is paid into the Unemployment Compensation Fund.

**2. The estimated economic effect of the adopted regulatory changes on businesses which are regulated thereby and on the public. These must be stated separately, and each case must include:**

**Business:**

**a. Both adverse and beneficial effects; and**

Adverse: ESD does not foresee any adverse economic impact on businesses.

Beneficial: ESD sees the temporary flexibility under the proposed regulatory changes potentially affording financial relief to businesses affected by COVID-19.

**b. Both immediate and long-term effects.**

Same as above.

**Public:**

**a. Both adverse and beneficial effects; and**

**b. Both immediate and long-term effects.**

Same as above.

**3. The estimated cost to the agency for enforcement of the proposed regulations as amended.**

There is not an additional cost to ESD for the enforcement or application of the proposed regulations as amended.

**4. A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.**

There are no other state or federal government agency regulations which are duplicated or overlapped by the proposed regulatory changes. However, H.R. 748 Coronavirus Aid, Relief, and Economic Security Act (CARES Act) at Title II, entitled "Assistance For American Workers, Families, and Businesses" at Sec. 2103, provides:

The Secretary of Labor may issue clarifying guidance to allow States to interpret their State unemployment compensations laws in a manner that would provide maximum flexibility to reimbursing employers as it relates to timely payment and assessment of penalties and interest pursuant to such State laws.

CARES Act, Sec. 2103. 20 C.F.R. § 602.1 addresses a Quality Control (QC) program for the Federal-State unemployment compensation (UC) system. Among other things, the QC program is designed to identify errors in revenue collections. Accordingly, guidance from the U.S. Department of Labor should be sought.

**5. If the regulations include provisions which are more stringent than a federal regulation which regulated the same activity, a summary of such provisions.**

The provisions in the regulatory changes are not more stringent than the federal regulations.

- 6. If the regulations provide a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

The proposed regulatory changes do not provide new or increases in any existing fees.
