

**PROPOSED REGULATION OF THE
STATE DEPARTMENT OF AGRICULTURE**

LCB FILE NO. R024-22I

**The following document is the initial draft regulation proposed
by the agency submitted on 03/01/2022**

NAC 552 - BEES AND APIARIES

Background

Additions are marked in *blue* and verbiage removal is marked in ~~red~~ with a line indicating the stricken language.

Apiary Identification:

- 1) Each apiary location shall be identified by a sign showing the owner's name and contact information (telephone or email), unless the apiary is located on property owned by the beekeeper.
- 2) The identifying information shall be at least one inch in height, easily readable and displayed in a conspicuous location in the apiary; or similar identification conspicuously displayed on one or more hive bodies within the apiary. Any apiary not so identified shall be considered abandoned and shall be subject to seizure and destruction as provided for in NRS 552.160.
