

**PROPOSED REGULATION OF THE  
STATE BOARD OF EDUCATION**

**LCB FILE NO. R146-22I**

**The following document is the initial draft regulation proposed  
by the agency submitted on 06/30/2022**

**NAC 389.810 Establishment and duties of ~~joint~~ advisory technical skills committees and career and technical education councils. (NRS 388.360)**

~~1. If a community college located within a local school district provides career and technical instruction for a specific job for which the local school district also provides an instructional program, t~~The superintendent of a ~~that~~ school district or governing body of a charter school that offers career and technical programs shall establish one advisory or more advisory ~~a joint~~ technical skills committee(s) or consult regularly with persons in each category listed pursuant to NRS 388.385 to carry out the duties prescribed for an advisory technical skills committee. ~~for each such program of career and technical education to review and determine annually the tasks, duties and competency levels to be taught. The committee shall assist the school district and be available to assist the community college upon request.~~

(a) Duties of the advisory technical skills committee include:

- i. Provide input on updates to the comprehensive local needs assessment conducted pursuant to 20 U.S.C. § 2354.
- ii. Review the instructional supplies, equipment, and operation of the program(s) of career and technical education to determine its effectiveness pursuant to NRS 388.385.
- iii. Advise the school district or governing body of a charter school regarding credentials that are valuable in relevant industries and trends in such industries.
- iv. Provide technical assistance to the school district in designing and revising as necessary the curriculum for the program of career and technical education to meet prescribed state standards.
- v. Assist in developing work-based learning experiences for pupils enrolled in a program of career and technical education in compliance with NRS 389.167.

(b) Membership of the advisory technical skills committee shall consist of members pursuant to NRS 388.385.

(c) Meetings of an advisory technical skills committee are not subject to the provisions of chapter 241 of NRS.

~~—2. The superintendent of each local school district which is located in a county:~~

~~—(a) Whose population is 35,000 or more; and~~

~~—(b) In which a campus of the community college is located,~~

~~Ê may establish a career and technical education council to assist the school district and be available to assist, upon request, the community college. To the extent possible, the superintendent shall draw the membership from among the members of an advisory technical skills committee formed pursuant to NRS 388.385. Educators may serve on the council in an advisory, nonvoting capacity only. The council shall render advice on questions of policy regarding the programs of career and technical education where employment demands are being met and shall make recommendations regarding the expansion, improvement and modernization of all of the programs. The council shall also recommend methods to establish a cooperative mechanism for local businesses and industries to share with the school district the instruction, facilities and equipment necessary for the programs and to participate in the resulting efforts needed to secure employment for the pupils who complete the programs.~~
