

**ADOPTED REGULATION OF
THE BOARD OF WILDLIFE COMMISSIONERS**

LCB File No. R014-24

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1 and 2, NRS 501.105, 501.181, 502.104 and 502.160; § 3, NRS 501.105, 501.181, 502.103 and 502.104.

A REGULATION relating to wildlife; reorganizing provisions governing the program to transfer a big game tag to a qualified organization; establishing certain exclusions relating to the deferral of the use of a tag under extenuating circumstances; revising certain provisions relating to the time within which a tag may be transferred, returned or deferred under certain extenuating circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, with certain exceptions, a person who hunts any wildlife in this State to first obtain a license and, if he or she wishes to hunt certain designated big game mammals, to first obtain an additional license known as a big game tag. (NRS 502.010, 502.130) Under existing law, such a tag is not transferrable except under a program established by the Board of Wildlife Commissioners by which: (1) the tag is transferred to a person who is under 18 years of age; (2) the person to whom the tag was issued can demonstrate the existence of an extenuating circumstance; or (3) the tag is transferred to an eligible qualified organization for use by a person who has a disability or life-threatening medical condition or is 16 years of age or younger and is otherwise eligible to hunt in this State. (NRS 502.102, 502.103, 502.104) Under existing regulations, the Commission has established programs for: (1) a person experiencing an extenuating circumstance to transfer a tag; and (2) a person to transfer a tag to a qualified organization. (Section 1 of LCB File No. R022-19)

Sections 1 and 3 of this regulation reorganize the provisions establishing these programs and move the provisions establishing the tag transfer program for eligible qualified organizations to a new section of the Nevada Administrative Code.

Section 1 also requires that a request to transfer a tag to a qualified organization be received by the Department of Wildlife not later than 5 business days before the opening day of the season for which the tag was issued. **Section 2** of this regulation makes a conforming change to provide that the transfer of a tag to an eligible qualified organization is an exception to the prohibition on the transfer of tags.

Section 3 prohibits a holder of a tag from deferring the use of a tag: (1) awarded under certain provisions of existing law and regulations; or (2) if there will not be an identically matching open season in the year immediately following the year for which the tag was awarded.

Existing regulations establish that the use of a tag may be deferred if certain extenuating circumstances occur before hunting hours begin on the opening day of the season for which the tag was issued. (Section 1 of LCB File No. R022-19) **Section 3** instead provides that use of the tag may be deferred if certain extenuating circumstances occur after the last day that the holder is entitled to return the tag but before hunting hours begin on the opening day of the season for which the tag was issued.

Existing regulations authorize a holder of a tag who is diagnosed as terminally ill before hunting hours begin on the opening day of the season for which the tag was issued to claim an extenuating circumstance and request to transfer the tag to another person. (Section 1 of LCB File No. R022-19) **Section 3** instead requires such a request to be received by the Department not later than 5 business days before the opening day of the season for which the tag was issued.

Section 1. Chapter 502 of NAC is hereby amended by adding thereto a new section to read as follows:

1. The tag transfer program is hereby established. Such approval authorizes the qualified organization to participate in the tag transfer program for 1 calendar year beginning on January 1 and ending on the last day of that year's concurrent hunting seasons.

3. At the request of the holder of a tag, the Department shall provide a tag transfer request form and list of eligible qualified organizations to the holder for submission to the Department designating the qualified organization that will receive the tag. A request by the holder of a tag to transfer the tag to a qualified organization under the tag transfer program must be received by the Department not later than 5 business days before the opening day of the season for which the tag was issued.

4. If a qualified organization fails to meet the requirements set forth in subsection 1, the Department shall revoke the authorization of the qualified organization to participate in the tag transfer program for the remainder of the current year's hunting season.

5. If a tag is transferred to a qualified organization pursuant to this section, both the original holder of the tag and the new recipient of the tag will be treated as if he or she drew the tag with respect to any applicable waiting periods and bonus points.

6. The Department shall process the transfer within 5 business days after receiving the request to transfer the tag.
