NAC 704.XXX Adoption by reference of certain standards of Institute of Electrical and Electronics Engineers.

1. The Commission hereby adopts by reference Standard IEEE 2845: Standard for Testing and Evaluating the Dielectric Performance of Celebratory Balloons in Contact with Overhead Power Distribution Lines Rated up to 38 kV System Voltage, in the form most recently published by the Institute of Electrical and Electronics Engineers, unless the Commission gives notice that the most recent publication is not suitable for this State pursuant to subsection 3.

2. Copies of these standards are available from the Institute of Electrical and Electronics Engineers, 2001 L Street, NW, Suite 700, Washington, D.C. 20036, or at the Internet address <https://standards.ieee.org/>. The cost of a copy of IEEE 2845 is \$71.00.

3. The Commission will review each revision of the publications adopted by reference pursuant to subsection 1 to determine its suitability for this State. If the Commission determines that the revision is not suitable for this State, it will hold a public hearing to review its determination and give notice of that hearing within 6 months after the date of the publication of the revision. If, after the hearing, the Commission does not revise its determination, the Commission will give notice that the revision is not suitable for this State within 30 days after the hearing. If the Commission does not give such notice, the revision becomes part of the publication adopted by reference pursuant to subsection 1.

4. This section shall become effective June 20, 2027.
