A REGULATION relating to taxation; establishing requirements for the exemption from the commerce tax for persons who take part in certain events for a purpose related to the conduct of a business; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law imposes an annual commerce tax on each business entity whose gross revenue earned in this State during a fiscal year exceeds \$4,000,000. The tax is imposed at a rate based on the industry in which the business entity is primarily engaged. (Chapter 363C of NRS) Existing law exempts from the commerce tax a person who takes part in an exhibition, trade show, industry or corporate meeting or similar event held in this State for a purpose related to the conduct of a business, including, without limitation, an organizer, manager or sponsor of such an event or an exhibitor at such an event. (NRS 363C.020) This regulation provides that this exemption applies only to a person who: (1) participates in an exhibition, trade show, industry or corporate meeting or similar event held in this State for a purpose related to the conduct of a business, including, without limitation, as an organizer, manager or sponsor of such an event or as an exhibitor at such an event; and (2) does not engage in any business activity in this State other than the participation, organization, management or sponsorship of such an event.
