Regulation Small Business Impact Statement

The Division of Human Resource Management has determined that the adoption of this proposed regulation does not impose a significant economic burden on small businesses, nor will it restrict the formation, operation or expansion of small business.

These regulations only impact the classified service of Executive Branch departments and the Nevada System of Higher Education.

I certify that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small business and that the information contained in this statement was prepared properly and is accurate.

Peter Long, Administrator
