**SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233b.0608**

Date: August 30, 2016

Re: Proposed new regulations regarding peer evaluations pursuant to NRS 391.465, R021-16

I, Steve Canavero, Superintendent of Public Instruction, do hereby certify that, to the best of my knowledge or belief:

1. The proposed permanent regulation additions to NAC 391 are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business. The proposed regulations deal only with process for peer evaluations of teachers as recommended by the Teachers and Leaders Council pursuant to NRS 391.460 (1)(d). A concerted effort was made to determine any economic burden.
2. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Department's activities and present no new cost of enforcement.
3. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.

I hereby further certify, that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,
