A REGULATION relating to trade practices; defining certain terms and revising certain definitions relating to deceptive trade practices; establishing the manner in which the costs of certain investigations, audits and hearings of the Consumer Affairs Unit of the Department of Business and Industry are calculated; authorizing the Director of the Department to designate a hearing officer to conduct a prehearing conference; requiring a registrant with the Unit to submit certain notices to the Unit; revising provisions governing orders to show cause issued and hearings held by a hearing officer; repealing certain provisions governing sellers of travel and deceptive trade practices; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

The 2021 Legislature enacted Senate Bill No. 447, which: (1) eliminated the Consumer Affairs Division of the Department of Business and Industry; and (2) created the Consumer Affairs Unit of the Department and permanently transferred to the Unit certain powers and duties previously belonging to the Division. (Chapter 423, Statutes of Nevada 2021, at page 2741) **Sections 10, 11, 15-19, 23, 25, 26, 32 and 35-37** of this regulation make conforming changes as a result of the elimination of the Division and the transfer of such powers and duties to the Unit.

Under existing law, the Unit and the Commissioner of Consumer Affairs are charged with carrying out certain duties relating to the enforcement of laws prohibiting deceptive trade practices and the regulation of certain businesses, including, without limitation, sightseeing tours, organizations for buying goods or services at a discount, dance studios and health clubs. (Chapter 598 of NRS)

If, after investigation, the Commissioner or Attorney General has reasonable cause to believe that any person has been engaged or is engaging in any deceptive trade practice, existing law authorizes the Commissioner or Attorney General to issue an order to that person to show cause why the Director of the Department should not order the person to cease and desist from

engaging in the practice and pay an administrative fine. If the Director or his or her designee determines that the person has been engaged or is engaging in a deceptive trade practice, existing law authorizes the Director or his or her designee to issue an order requiring the violator to pay the costs of conducting the investigation, conducting the hearing, any reporting services, renting a hearing room if one is not available free of charge and certain other costs. (NRS 598.0971) **Section 4** of this regulation establishes the manner in which the costs of conducting an investigation, audit or hearing pursuant to chapter 598 of the Nevada Revised Statutes and chapter 598 of the Nevada Administrative Code must be calculated.

Existing law requires tour brokers and tour operators, organizations for buying goods or services at a discount, dance studios and health clubs to register with the Unit and to deposit a security to be held in trust for consumers injured by the bankruptcy of the registrant or the registrant's breach of any agreement entered into in his or her capacity as a registrant. (NRS 598.471, 598.506, 598.852, 598.854, 598.944, 598.9474) Existing law authorizes the Unit to conduct a hearing to determine the distribution of the security of a registrant to claimants. (NRS 598.506, 598.854, 598.9474) If the Unit decides to take action against the security of a registrant, existing regulations require the Unit to request that the registrant appear and show cause why the Unit should not take the intended action. (NAC 598.136) **Sections 13-15** of this regulation revise definitions related to such registrants. **Section 8** of this regulation requires a registrant to notify the Unit of any claims filed against the security of the registrant. **Section 38** of this regulation repeals the definition of "order to show cause." **Section 2** of this regulation defines the term "complaint and order to show cause" to refer to the order to show cause and statement of charges issued to a person alleged to have been engaged or to be engaging in a deceptive trade practice. **Section 3** of this regulation defines the term "notice of intended action and order to show cause" to mean a notification and order to show cause issued with respect to a proposed action against the security deposit of a registrant. **Section 6** of this regulation prescribes the contents of such a notice of intended action and order to show cause and the manner in which it must be served upon the respondent. **Section 9** of this regulation makes a conforming change to indicate the proper placement of **sections 2-8** in the Nevada Administrative Code. **Sections 24, 25 and 29** of this regulation make conforming changes to account for the repeal of the definition of "order to show cause" and the adoption of the definitions added by **sections 2 and 3**.

Existing law authorizes the Commissioner and Director to conduct hearings in aid of any investigation or inquiry. (NRS 598.0967) Existing regulations authorize the Commissioner to designate a person to act as a hearing officer whose decisions are subject to the Commissioner's review and approval and assume the responsibility of a hearing officer at any time during a hearing. (NAC 598.156) **Section 28** of this regulation provides instead that the Director possesses such authority. **Section 12** of this regulation revises the term "hearing officer" to mean the Director or a person designated by the Director to conduct a hearing. **Sections 14, 17, 20-22, 26, 27, 29, 32 and 35** of this regulation make conforming changes to indicate that a hearing officer will preside over certain proceedings.

Existing regulations provide that certain provisions governing hearings do not preclude the commencement or pursuit of any additional remedies by the Unit. (NAC 598.120) **Section 17** provides that those provisions do not preclude the commencement or pursuit of any additional remedies by the Attorney General.

Existing regulations require that all claims, requests for a hearing and other correspondence regarding a hearing be addressed to the Unit at the physical address of the Unit. (NAC 598.124) **Section 19** of this regulation requires instead that all claims, requests for a

hearing and other correspondence regarding a hearing be addressed to the Unit at the physical address provided on the Internet website of the Unit.

**Section 7** of this regulation authorizes a hearing officer to order a prehearing conference for certain purposes. **Section 7** also sets forth certain requirements for notice relating to a prehearing conference and the effect of a party failing to attend a prehearing conference.

Existing regulations authorize a party to a hearing, before the hearing, to inspect all documents which may be considered by the hearing officer and have a copy made of any of those documents. (NAC 598.150) **Section 27** removes the authorization for a party to inspect such documents before a hearing and instead authorizes a party to request a copy of those documents, which may be provided electronically.

Existing regulations require that evidence which is introduced at a hearing be introduced and considered in compliance with certain provisions of the Nevada Administrative Procedure Act and authorize certain relevant evidence to be admitted if it is the sort of evidence commonly relied upon by reasonable and prudent persons in the conduct of their affairs. (NAC 598.164) **Section 32** instead requires that evidence introduced at a hearing be introduced and considered in accordance with all provisions of the Act and removes the provision governing the admittance of evidence commonly relied upon by reasonable and prudent persons.

Existing regulations authorize the Unit or the Attorney General, or both, to issue a subpoena or subpoena duces tecum before a hearing or during a hearing if good cause is shown. (NAC 598.146) **Section 26** removes this authority from the Unit and authorizes the Commissioner or hearing officer to issue a subpoena or subpoena duces tecum.

Existing regulations require that a hearing be recorded using equipment for recording sound or reported by a certified court reporter. (NAC 598.160) Existing regulations also require the temporary retention of the transcribed record of a hearing, which must be made available to a party upon request, and authorize a party to obtain a copy of the transcript from the official reporter for a fixed fee. (NAC 598.168, 598.170) **Section 30** of this regulation requires that such a hearing be recorded using equipment for recording sound, unless a party requests and pays for a certified court reporter. **Section 33** of this regulation makes a conforming change by requiring: (1) the temporary retention of the stenographic record or sound recording of a hearing; and (2) that a copy of the sound recording be made available to a party upon request. **Section 34** of this regulation authorizes a party to purchase a copy of the transcript of a hearing from the official certified court reporter.

Existing regulations set forth certain actions which may be taken pursuant to a hearing if a party who has been served with proper notice fails to appear at the hearing. (NAC 598.162) **Section 31** of this regulation instead authorizes such actions to be taken upon the failure of a respondent to appear at the hearing and expands the list of actions which may be taken to include the consideration of evidence and the entry of a default judgment against the respondent.

Existing regulations set forth the manner in which certain costs, fees, fines, penalties, charges or restitution relating to the regulation of deceptive trade practices must be paid. (NAC 598.172) **Section 35** revises the manner in which those costs, fees, fines, penalties, charges or restitution must be paid.

Existing regulations provide that a party who wishes to contest an order to show cause may file an answer with the Unit that must, in relevant part, admit or deny each material allegation with specificity. Existing regulations also provide that a party who wishes to object to the form of an order to show cause must identify with specificity why he or she objects to the form. (NAC 598.144) **Section 25** requires such a party to file such an answer with the Unit or

Attorney General within 10 calendar days after receipt of the notice of intended action and order to show cause or the complaint and order to show cause. **Section 25** also revises the required content of the answer and removes the requirement that a party who objects to the form of an order to show cause identify with specificity why he or she objects.

Existing law requires a tour broker or tour operator to disclose certain information in each advertisement for a sightseeing tour. (NRS 598.475) **Section 37** of this regulation revises the required contents of such a disclosure.

Existing law requires that the Commissioner determine the date on which a registrant has ceased to operate so that the Commissioner may release to the registrant the security deposited with the Unit, if no claims have been filed against that security within 6 months after the registrant has ceased to operate. (NRS 598.515, 598.8541, 598.9476) **Section 5** of this regulation requires such a registrant to notify the Unit in writing within 10 days after the registrant ceases to operate.

Existing regulations authorize the Commissioner to disclose information about the number of complaints that: (1) are currently under investigation by the Unit; (2) have been resolved by the Unit; and (3) were received by the Unit on any specific day. (NAC 598.115) **Section 16** of this regulation additionally authorizes the Director to disclose such information with respect to the Unit.

**Section 38** repeals certain provisions relating to deceptive trade practices and sellers of travel. **Sections 9, 15, 17, 18 and 28** of this regulation make conforming changes to remove internal references to those repealed provisions.
