

**ADOPTED REGULATION OF THE
STATE PUBLIC CHARTER SCHOOL AUTHORITY**

LCB File No. R080-24

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-4 and 6, NRS 388A.168; § 5, NRS 388A.168 and 388A.258; § 7, NRS 388A.080; § 8, NRS 388A.168 and 388A.438.

A REGULATION relating to charter schools; reorganizing certain provisions relating to the process for the State Public Charter School Authority to approve an application to form a charter school or request to amend a charter contract; revising provisions relating to a request to amend a charter contract; revising the terms for which the Authority may renew a charter contract; repealing authority for the Executive Director of the Authority to develop an abbreviated application to form a charter school; repealing provisions relating to the use of certain gifts, grants, bequests or donations; making various other changes to charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Public Charter School Authority to adopt regulations that prescribe: (1) the process for submission to the State Public Charter School Authority of an application to form a charter school, and the contents of such an application; (2) the process for submission to the Authority of an application to renew a charter contract, and the contents of such an application; (3) the process for submission to the Authority of an amendment to a charter contract, and the contents of the application; and (4) the procedure for the investigation that the Authority will conduct of an application to form a charter school, an application to renew a charter contract or an application to request an amendment of a charter contract, and the criteria that the Authority will use to evaluate such applications. (NRS 388A.168)

Existing regulations provide that: (1) the Authority may specify additional conditions when approving an application to form a charter school or a request to amend a charter contract for certain purposes, including for the purpose of occupying additional facilities; and (2) if an applicant or charter school fails to comply with the additional conditions specified by the Authority, the Executive Director may prohibit the charter school from beginning or continuing to operate as a charter school. (NAC 388A.410) **Sections 3-5** of this regulation reorganize these provisions into existing regulations that set forth the application requirements to form a charter school or amend a charter contract. **Section 4** of this regulation further provides that the Authority may specify additional conditions when approving any request to amend a charter contract, not just requests to amend a charter contract for the purpose of occupying additional facilities.

Existing regulations require a charter school sponsored by the Authority that wishes to amend the material terms of its charter contract to submit, with certain exceptions, a request to

amend its charter contract to the Authority or the Executive Director: (1) on or after April 1 and on or before April 15; or (2) on or after October 1 and on or before October 15 of each year. (NAC 388A.400) **Section 4** eliminates these application deadlines. **Section 4** also eliminates a regulation that authorizes, under certain circumstances, the Executive Director to recommend that the Authority require the charter school to submit a comprehensive, restated application to form a charter school for review and approval by the Authority.

Existing regulations provide that, under certain circumstances, the Authority will not approve a request to amend the terms of a charter contract to convert the charter school from a single-campus school to a multi-campus school or from a multi-campus school to a single-campus school. (NAC 388A.400) **Section 4** eliminates such circumstances.

Existing regulations authorize, with the approval of the Executive Director, the governing body of a charter school to submit external evaluations of academic data in an application to renew its charter contract. (NAC 388A.415) **Section 6** of this regulation eliminates the requirement that the Executive Director approve the submission of such data.

Existing regulations provide that the Authority may, unless required to terminate a charter contract or restart a charter school under a new charter contract, renew the charter contract for a term of 6 years. (NAC 388A.415) **Section 6** provides instead that such renewal be for a term of not less than 3 years and not more than 10 years.

Existing regulations authorize the Executive Director to develop an abbreviated application for submission by prospective applicants that do not have experience operating a charter school. The Authority may, at its discretion, invite a prospective applicant who submits such an abbreviated application to submit an application to form a charter school. (NAC 388A.255) **Section 8** of this regulation repeals these provisions from the Nevada Administrative Code.

Existing regulations provide that if a gift, grant, bequest or donation which requires the use of criteria, timelines, interest rates or repayment terms which differ from those established by the Authority, results in the deposit of money from a source other than the State General Fund into the Account for Charter Schools, the Authority is required, to the extent permitted by law, to expend the money in accordance with the terms of the gift, grant, bequest or donation. (NAC 388A.680) **Section 8** repeals these provisions from the Nevada Administrative Code. **Sections 1, 2 and 7** of this regulation make conforming changes to eliminate internal references to these repealed regulations.
