6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

A workshop was held on 8/27/15, and language was drafted by Eric Robbins, Legislative Counsel Bureau. When the NDE received the language dated 2/11/16 there were concerns that Section 3, subsection 1, did not meet the intent of the regulation. Lauren Hulse, Management Analyst III, Department of Education, worked with Eric Robbins on the language to make changes that matched the intent of the regulation.

Revisions were made to Section 3, and Eric Robbins drafted new language with the discussed changes dated 4/6/16. This language matched the intent of the regulation and a public hearing was held on 9/1/16. The regulation was adopted on with the 4/6/16 language because public comment did warrant further changes.

7. The estimated economic effect of the regulation on the business which it is to regulate and on the public:

(a) Estimated economic effect on the businesses which they are to regulate

None.

(b) Estimated economic effect on the public which they are to regulate

None

8. The estimated cost to the agency for enforcement of the proposed regulation: None

9. A description of any regulations of other State of governmental agencies which the regulation overlaps or duplicates and a statement explaining why the duplication or overlap is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency. None.

10. If the regulation includes provisions that are more stringent than a federal regulation that regulates the same activity, a summary of such provisions. None.

11. Of the regulation provides a new fee or increases an existing fee, the total annual amount of the agency expects to collect and the manner in which the money will be used. None.
