

## Digest for Adopted Regulation R\_147-13

During the 2013 Legislative Session, the Nevada Legislature passed Assembly Bill No. 60, establishing certain requirements for business filings and disclosures to be made by certain entities soliciting charitable contributions or donations. The Secretary of State was authorized to adopt regulations to administer the provisions of that legislation. (NRS 82.392, 82.417)

**Section 2** of this regulation sets forth certain provisions through which the Secretary of State will interpret and apply the provisions of NRS 82.392.

**Section 3** of this regulation establishes the information to be included on a form for a statement of exemption which must be filed by certain corporations to be relieved of certain registration and filing requirements imposed on entities which make certain solicitations.

**Section 4** of this regulation revises the contents of a form prescribed by the Secretary of State and filed by nonprofit corporations which intend to solicit charitable contributions.
