Legislative Counsel’s Digest:

This bill enacts the Southern Nevada Tourism Improvements Act to establish a method to finance projects that are intended to assist the Las Vegas area in remaining a premier center for entertainment, conventions and trade shows in the world. Specifically, this bill establishes a method to finance: (1) a National Football League stadium project or, if certain conditions for a National Football League stadium project are not satisfied, a college football stadium project for the University of Nevada, Las Vegas; and (2) a renovation and expansion of the Las Vegas Convention Center. **Sections 21-37** of this bill establish a method to finance the acquisition, construction, lease, improvement, equipping, operation and

maintenance of a National Football League stadium project. To finance the project, **section 33** imposes a duty on the Board of County Commissioners of Clark County to adopt an ordinance imposing a tax on persons in the business of providing lodging in the stadium district created by **section 21** of this bill. Under **section 38** of this bill, if certain conditions for the undertaking of the National Football League stadium project are not satisfied, the President of the University of Nevada, Las Vegas, may elect to pursue a college football stadium project. If, after the President of the University makes such an election, certain conditions are satisfied, the proceeds of the tax imposed pursuant to **section 33** of this bill must be transferred to a Campus Improvement Authority created by **section 39** of this bill to carry out the college football stadium project under **sections 39-52** of this bill. If the President of the University does not elect to pursue a college football stadium project or makes such an election but fails to satisfy certain conditions, the proceeds of the tax imposed pursuant to **section 33** of this bill must be transferred to the Las Vegas Convention and Visitors Authority and used to pay the costs to renovate or expand the Las Vegas Convention Center pursuant to **sections 53-61.7** of this bill or the principal and interest on bonds or other securities issued for that project.

Section 21 of this bill creates a stadium district in Clark County to finance a National Football League stadium project and provides that the district consists of all property located in the County that is within a radius of 25 miles from the location at which the Board of County Commissioners holds its regular meetings. **Section 21** also creates the Clark County Stadium Authority as a public body to carry out the provisions of this bill governing the National Football League stadium project. **Sections 22 and 23** of this bill set forth the qualifications and the procedure for the appointment of the members of the Board of Directors of the Stadium Authority. **Sections 24-28** of this bill prescribe the general powers of the Stadium Authority and its Board.

Section 29 of this bill requires the Stadium Authority to negotiate and enter into a development agreement for the development and construction of the National Football League stadium project and a lease agreement for the operation of the project if the Board of Directors makes certain determinations relating to the location or relocation of a National Football League team within the stadium district and the selection of partners for the development, construction and operation of the project. **Section 29** requires certain provisions relating to the construction, financing and operation of the National Football League stadium project to be included in the development agreement and the lease agreement. **Section 35** of this bill sets forth additional provisions which must be included in the development agreement and lease agreement, including, without limitation, the maximum financial contribution of the Stadium Authority to the development and construction of the National Football League stadium project. **Section 29.5** of this bill requires, as part of the development and operation of the National Football League stadium project, the development of a community benefits plan and the creation of a stadium community oversight committee to carry out the community benefits plan. **Section 30** of this bill provides for the confidentiality of certain information provided to the Stadium Authority under certain circumstances. **Section 31** of this bill generally exempts the National Football League stadium project from laws requiring competitive bidding or specifying procedures for the procurement of goods or services, and from the statutory provisions governing public works projects, except that the pertinent construction contracts must comply with the statutory prevailing wage provisions and, if the Stadium Authority determines a subcontract can be competitively bid without affecting the quality of the project, must be competitively bid. Additionally, **section 31.5** of this bill

requires that any contract or agreement entered into by a prime contractor for the construction of the National Football League stadium project must include provisions requiring that at least 15 percent of the subcontracts for the project must be with small local businesses.

Section 32 of this bill requires the Stadium Authority to retain the sole and exclusive right to enter into agreements for the sale, license or transfer of personal seat licenses, stadium builder's licenses or other similar instruments for any and all seats in the National Football League stadium project. Under **section 32**, the proceeds from the sale, license or transfer of such licenses or instruments must be used to pay a portion of the costs of the construction of the National Football League stadium project.

Section 33 of this bill requires the Board of County Commissioners of Clark County to impose a tax on persons in the business of providing lodging in the stadium district at the rate of: (1) eighty-eight one-hundredths of one percent of the gross receipts from the rental of transient lodging located in the primary gaming corridor in the stadium district; and (2) one-half of one percent of the gross receipts from the rental of transient lodging in all other areas of the stadium district. **Section 34** of this bill sets forth the purposes for which the County and the Stadium Authority must use the proceeds of the tax. **Section 36** of this bill requires the Board of County Commissioners of Clark County to issue general obligations of the County in an amount not to exceed \$750,000,000 if certain conditions are satisfied and prescribes the procedure for the issuance of those general obligations. **Section 36** also requires the proceeds from the issuance of the general obligations to be distributed to the Stadium Authority and used for certain purposes related to the National Football League stadium project.

If a National Football League team does not commit to locate or relocate to the stadium district within a certain period of time or if certain other conditions are not satisfied, **section 38** of this bill authorizes the President of the University of Nevada, Las Vegas, to pursue a college football stadium project. If such an election is made, **sections 39-52** of this bill establish a method to finance the acquisition, construction, lease, improvement, equipping, operation and maintenance of the college football stadium project. **Section 39** of this bill creates a stadium district and a Campus Improvement Authority to carry out the provisions of **sections 39-52** of this bill governing such a college football stadium project. **Sections 40 and 41** of this bill set forth the qualifications and the procedure for the appointment of the members of the Board of Directors of the Campus Improvement Authority. **Sections 42-46** of this bill prescribe the general powers of the Board of Directors of the Campus Improvement Authority, which include, without limitation, the authority to construct and operate a college football stadium project in the stadium district. Additionally, **section 48.5** of this bill requires that any contract or agreement entered into by a prime contractor, construction manager or project manager for the construction of the college football stadium project must include provisions requiring that at least 15 percent of the subcontracts for the project must be with small local businesses. **Section 50** of this bill provides that if a college football stadium project is pursued, the Board of County Commissioners of Clark County must reduce the tax on persons engaged in the business of providing lodging in the stadium district imposed for the National Football League stadium project to a rate of: (1) three-eighths of one percent in the primary gaming corridor in the stadium district; and (2) one-quarter of one percent in all other areas of the stadium district. **Section 51** of this bill sets forth the purposes for which the Campus Improvement Authority may use the proceeds of the tax. **Section 52** of this bill requires the Board of County Commissioners of Clark County to issue general obligations of the County in an amount not to exceed \$300,000,000 if certain

conditions are satisfied, including, without limitation, a condition requiring the University to raise \$200,000,000 for the cost of construction of a college football stadium. **Section 52** also requires the proceeds of these general obligations to be distributed to the Campus Improvement Authority and used for certain purposes related to the college football stadium project.

Sections 53-61.7 of this bill establish a method to finance the renovation or expansion of the Las Vegas Convention Center. **Section 53** creates in Clark County an Oversight Panel for Convention Facilities and prescribes the composition of the Oversight Panel. **Section 54** requires the Las Vegas Convention and Visitors Authority to provide certain information to the Oversight Panel and to request the Oversight Panel's approval of the plan for the renovation and expansion of the Convention Center and the issuance of bonds to finance that project. **Section 55** sets forth the procedures for the Oversight Panel's review and approval or disapproval of these requests. **Section 56** revises provisions governing the collection fee retained from the proceeds of the transient lodging tax by Clark County and each incorporated city in the County to provide that: (1) the sum of the collection fees retained by the county and the cities must not exceed a total of 10 percent of the proceeds of the tax or \$25,000,000, whichever is less; and (2) any collection fee in excess of a total of \$25,000,000 must be used solely for the renovation or expansion of the Convention Center and to pay the principal and interest on securities issued to defray the costs of such a project. Under **sections 57 and 58**, the Board of County Commissioners of Clark County and the city council or other governing body of each incorporated city in the County must impose a tax upon persons engaged in the business of providing lodging at a rate of one-half of one percent on the gross receipts from the rental of transient lodging in the county or city, as applicable. **Sections 59 and 60** require the proceeds of these taxes to be distributed to the Las Vegas Convention and Visitors Authority to be used solely for the expansion of the Convention Center and to pay the principal and interest on securities issued to fund the costs of such a project. **Section 61** prescribes the procedure for the issuance of general obligations, in the name of and on behalf of Clark County, to defray the costs of the renovation or expansion of the Convention Center. Additionally, **section 61.5** of this bill requires that any contract or agreement entered into by a prime contractor, construction manager or project manager for the construction of the renovation and expansion of the Convention Center must include provisions requiring that at least 15 percent of the subcontracts for the project must be with small local businesses. Under **section 38** of this bill, if certain conditions for the construction of the National Football League stadium project and certain conditions for the college football stadium project are not satisfied, the proceeds of the tax imposed to finance those projects must be transferred to the Convention Authority and used to pay the costs to renovate or expand the Las Vegas Convention Center pursuant to **sections 53-61.7** of this bill or the principal and interest on bonds or other securities issued for that project.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. This act may be cited as the Southern Nevada Tourism Improvements Act.

Sec. 2. 1. The Legislature hereby finds that:

(a) For more than three decades, the State of Nevada has been one of the fastest-growing states in the United States in terms of population, with the overwhelming majority of this population growth occurring in Clark County, Nevada, a region that is projected to add over 3,000 new residents each month for at least the next 10 years.

(b) Clark County is positioned to continue as one of the fastest-growing areas in the nation, and it is both the home to and the social, cultural and recreational arena and marketplace for a booming population of over 2.14 million residents, with over 2.08 million of those residents living and recreating within the Las Vegas Valley urban area.

(c) The Las Vegas area is also a getaway to over 42 million tourists annually who visit for the world-class entertainment, hospitality, gaming, fine dining and shopping and who want to experience and enjoy the world-famous, unique and incomparably distinctive Las Vegas Strip, known as the heart of the Entertainment Capital of the World.

(d) The number of tourists visiting the Las Vegas area is expected to increase annually, with some projections estimating nearly 1 million additional visits each year.

2. The Legislature hereby finds that:

(a) Because the Las Vegas area is the most visited and economically significant tourism market within this State, the tourism industry within the Las Vegas area is critically important to the economy of that local area and this State, and the continued growth and success of the tourism industry within the Las Vegas area is particularly vital to the general welfare and prosperity of that local area and this State.

(b) A significant part of the continued growth and success of the tourism industry within the Las Vegas area depends upon the unique attractiveness, excitement, atmosphere and vitality of the Las Vegas Strip and the development of new, innovative and diversified facilities, venues and forms of entertainment within the Las Vegas area to ensure that the area may:

(1) Continue to be the preferred and premier destination for tourists from all walks of life in the ever-advancing technological age of the 21st century;

(2) Remain competitive with other national and international tourism destinations that are continually evolving and seeking to draw more tourists to their facilities, venues and forms of entertainment; and

(3) Retain its world-famous, unique and incomparably distinctive status as the Entertainment Capital of the World.

3. The Legislature hereby finds that:

(a) The gaming industry has been an essential component of the economic success of the tourism industry within the Las Vegas area, and the continued growth and success of the gaming industry within the Las Vegas area is particularly vital to the general welfare and prosperity of that local area and this State.

(b) Although the continued growth and success of the gaming industry is essential to the welfare of the Las Vegas area and this State, it is also essential to diversify the tourism industry within the Las Vegas area by developing new, innovative and diversified facilities, venues and forms of entertainment, which will increase overall tourism and economic activity within the Las Vegas area and thereby inure to the benefit of not only the gaming industry and its employees but other local businesses and their employees and the residents of the area as well.

(c) The diversification of the tourism industry within the Las Vegas area promotes the Legislature's economic goals of reducing Nevada's unemployment rate, stabilizing and improving Nevada's economy, and developing high-value job opportunities by diversifying Nevada's industries, creating and fostering new businesses, retaining and expanding existing businesses and attracting and relocating businesses from outside this State.

4. The Legislature hereby finds that:

(a) It is in the public interest and beneficial to the public welfare to diversify, enhance and grow the largest tourism market in this State through the development of large-scale and one-of-a-kind convention, entertainment and sports venues and facilities within the Las Vegas area, including the Las Vegas Strip, by constructing and operating:

(1) A state-of-the-art stadium capable of attracting professional sports franchises, such as teams from the National Football League or Major League Soccer, hosting national sporting events, such as the Super Bowl and collegiate bowl, playoff, tournament and championship games, and holding other large-scale

entertainment and sports events, such as concerts, festivals, motor sports, prizefighting and rodeos; and

(2) An improved, expanded and updated Las Vegas Convention Center so that it is a premier facility for attracting and retaining conventions and trade shows.

(b) Because the Las Vegas area, including the Las Vegas Strip, is the largest tourism market in this State and because the Las Vegas area, including the Las Vegas Strip, is world famous, unique and incomparably distinctive, the Las Vegas area is the only area in this State that:

(1) Is appropriate and suitable for the development of such large-scale and one-of-a-kind convention, entertainment and sports venues and facilities; and

(2) Has all the necessary local and special attributes, conditions and resources that are essential to support such large-scale and one-of-a-kind convention, entertainment and sports venues and facilities, including, without limitation, the necessary economic conditions, capital investment, infrastructure, support industries and businesses, workforce, population and visitors.

5. The Legislature hereby declares that:

(a) Because the Las Vegas area is the only area in this State that is appropriate and suitable for the development of such large-scale and one-of-a-kind convention, entertainment and sports venues and facilities and has all the necessary local and special attributes, conditions and resources that are essential to support such venues and facilities, it is necessary to enact a law of local and special application to promote, develop and secure the advantages of the local and special characteristics and circumstances within the Las Vegas area, which are found nowhere else within this State, and to benefit the residents of that local and special area.

(b) Therefore, given that a law of local and special application is necessary to promote, develop and secure the advantages of the local and special characteristics and circumstances within the Las Vegas area, which are found nowhere else within this State, and given that such a law is necessary to benefit the residents of that local and special area, a general law cannot be made applicable to the purposes, objects, powers, rights, privileges, immunities, liabilities, duties and disabilities set forth in this act.

Any determination by the Stadium Authority that such a subcontract can or cannot be competitively bid without affecting the quality of the National Football League stadium project is conclusive in the absence of fraud or a gross abuse of discretion. The Stadium Authority shall establish one or more procedures for competitive bidding which:

(a) Must prohibit bidders from engaging in bid-shopping;

(b) Must not permit subcontractors to avoid or circumvent the provisions of paragraph (c) of subsection 1; and

(c) Must, in addition to the requirements of section 31.5 of this act, provide a preference for Nevada subcontractors in a manner that is similar to, and with a preference that is equivalent to, the preference provided in NRS 338.1389.

2. A business shall be deemed to be a small local business for the purposes of this section if:

(a) The business is financially and operationally independent from any other business;

(b) The business is not temporary and has operated for at least 4 years before entering into the contract or agreement;

(c) The business maintains its principal place of business in a fixed location within this State;

(d) The business has obtained all necessary licenses and registration within this State; and

(3) For any goods, materials, equipment and general services contracts, \$10,000,000;

(5) For trucking services, \$3,500,000.

3. A contractor that subcontracts work to a small local business pursuant to a contract or other agreement described in subsection 1 shall allow the small local business to be covered by any bond or insurance of the contractor and may require the subcontractor to pay a proportionate share of the cost for such coverage by the bond or insurance.

4. A small local business to which work is subcontracted by a contractor pursuant to a contract or other agreement described in subsection 1 must ensure that its employees are hired in a manner that does not discriminate against any person on any basis

prohibited by law. Such a contractor that subcontracts such work shall not impose any requirements on the small local business relating to the employees selected by the small local business to perform the subcontracted work.

5. A contractor that subcontracts work to a small local business pursuant to a contract or agreement described in subsection 1 shall provide a mentorship program to assist the small local business to develop the skills necessary to carry out the work that is subcontracted.

6. A prime contractor and each contractor that subcontracts work to a small local business pursuant to a contract or other agreement described in subsection 1 shall submit information to the Stadium Authority verifying that the contractor has complied with the provisions of this section, and shall maintain all records, including, without limitation, any information required by the Stadium Authority, to ensure compliance with this section for not less than 5 years after the expiration of the subcontract. Such records must be made available for inspection to the Stadium Authority upon request.

7. Unless the requirements of subsection 1 are waived by the Stadium Authority pursuant to subsection 8, the failure of a prime contractor to comply with the requirements of subsection 1 shall be deemed a material breach of contract.

8. The Stadium Authority may waive the requirements of subsection 1 if a prime contractor presents proof satisfactory to the Stadium Authority that there is an insufficient number of small local businesses available and qualified to subcontract for the work to be performed. Such proof must include, without limitation, evidence that:

(a) Reasonable efforts were made to notify small local businesses of the availability of work to be performed under a contract or other agreement described in subsection 1, which must include evidence of public advertisement calling for bids for a period of not less than 20 days before the date on which such bids must be submitted; and

Sec. 32. 1. The Stadium Authority shall retain the sole and exclusive right to enter into agreements to provide for the sale, license or transfer of personal seat licenses, stadium builder's

licenses or other similar instruments for any and all seats in the National Football League stadium project to generate revenues used for construction of the National Football League stadium project.

2. The Stadium Authority may not grant any other person the right to enter into such agreements, but it may in the development agreement entered into pursuant to subsection 2 of section 29 of this act or a combined development and lease agreement entered into pursuant to subsection 4 of section 29 of this act, agree that any agreements regarding personal seat licenses or similar instruments will be made only in consultation with the developer partner or, if applicable, the Stadium Events Company and the National Football League team. Such personal seat licenses or similar instruments may contain priority purchase rights to ticketed events in the National Football League stadium project, including the home games of the National Football League team.

3. Proceeds from the sale of personal seat licenses or similar instruments must be collected by or on behalf of the Stadium Authority for the benefit of the National Football League stadium project and are a payment by purchasers to the owner of the National Football League stadium project for special rights of access to events at the National Football League stadium project.

4. Personal seat licenses or similar instruments representing rights to seats, which are not in an enclosed suite, must not include rights for use of the seat at any event that is a college football game involving the University, unless the System has entered into an agreement with the Stadium Authority allowing those licenses or similar instruments to include those home games. Notwithstanding the above provisions of this section, the System is entitled to the revenue from the sale, license or transfer of personal seat licenses or similar instruments, which are not for seats in an enclosed suite, in an amount that represents the right to seats at football games involving the University.

5. With the consent of the Stadium Events Company and the National Football League team, the Stadium Authority shall have the power to enter into one or more agreements with third parties pursuant to which it sells to each such third party, the right to receive and own the proceeds from the sale, license or transfer of personal seat licenses, stadium builder's licenses or other similar instruments as described in subsection 1, for cash and such other consideration as it deems appropriate to be paid upon sale or over time. Any financing or similar transaction by any such third party to affect such sale:

(a) Shall not be deemed a debt of the Stadium Authority for any purpose;

(b) Must not provide for recourse for monetary damages against the Stadium Authority for any reason, including any actual or alleged nonperformance by any person;

(c) Shall not give rise to any obligation or liability for monetary damages of the Stadium Authority to any person, including the third party or anyone purchasing a personal seat license or providing financing based on personal seat licenses through such third party or otherwise, but may, with the approval of the Stadium Events Company, provide remedies against the Stadium Events Company; and

(d) May allow for an action for specific performance against the Stadium Authority.

Sec. 33. 1. In addition to all other taxes imposed on the revenue from the rental of transient lodging and notwithstanding any other law, the Board of County Commissioners shall by ordinance impose upon all persons in the business of providing lodging in the stadium district a tax at the rate of:

(a) Eighty-eight one-hundredths of one percent of the gross receipts from the rental of transient lodging within the primary gaming corridor.

(b) One-half of one percent of the gross receipts from the rental of transient lodging in an area within the stadium district but outside the primary gaming corridor.

2. The tax imposed pursuant to subsection 1 may be collected from paying guests and may be shown as an addition to the charge for the rental of transient lodging. The person providing the transient lodging is liable to the County for the tax whether or not the tax is actually collected from a paying guest.

3. The tax imposed pursuant to subsection 1:

(a) Must be imposed in each incorporated city within the stadium district, in addition to being imposed in the portion of the stadium district which is not in an incorporated city;

(b) Must be in addition to all other taxes imposed on the revenue from the rental of transient lodging in the County or city;

(c) Must be collected and enforced in the same manner as any other tax imposed in the County or city on the gross receipts from the rental of transient lodging, except that the tax must be remitted to the County by each person in the business of providing lodging in the stadium district; and

(d) May be pledged to the payment of the bonds or other securities issued pursuant to section 36 of this act.

4. The ordinance enacted pursuant to this section must:

(a) Specify the date on which the tax must first be imposed, which must be the first day of the month that is not less than 3 months or more than 4 months after the adoption of the ordinance.

(b) Provide that any parcel of land, building or other structure located partially within the stadium district is deemed to be wholly within the stadium district.

5. Not later than 30 days after the adoption of the ordinance enacted pursuant to this section, the Board of County Commissioners shall amend the ordinance to include a provision establishing the geographic boundaries of the primary gaming corridor within the stadium district. The geographic boundaries of the primary gaming corridor must be a single, contiguous area. The initial amendment establishing the geographic boundaries of the primary gaming corridor must base those boundaries on the geographic area comprising the submarket within the stadium district with the greatest amount of gaming revenue as reported in the most recent edition of the Nevada Gaming Abstract produced by the Nevada Gaming Control Board. The Board of County Commissioners may from time to time amend or modify the geographic boundaries of the primary gaming corridor to include areas which would have been included within the geographic boundaries of the primary gaming corridor if the Board of County Commissioners were establishing those boundaries at the time of the amendment or modification, but any such amendment or modification of the geographic boundaries of the primary gaming corridor must not impair any outstanding bonds or any revenues pledged to their payment. The rate of the tax set forth in paragraph (a) of subsection 1 applies to all persons in the business of providing lodging in the primary gaming corridor established pursuant to this subsection, regardless of whether that person is licensed to conduct gaming on the premises of the business and regardless of whether the business of that person is specifically included in the Nevada Gaming Abstract produced by the Nevada Gaming Control Board. Any amendment adopted pursuant to this subsection must provide that any parcel of land, building or other structure located partially within the primary gaming corridor is deemed to be wholly within the primary gaming corridor. The decision of the Board of County Commissioners establishing the boundaries, and any amendment thereof, is conclusive, absent fraud.

6. Upon repayment of the bonds or other securities to which the proceeds of the tax imposed pursuant to subsection 1 may be pledged, the Board of County Commissioners shall amend the ordinance imposing the tax to reduce the rate of the tax to an amount deemed sufficient by the Board to pay the amounts set forth in subsection 5 of section 34 of this act, except that the rate of the tax imposed on persons described in paragraph (a) of subsection 1 and persons described in paragraph (b) of subsection 1 must be the same rate, and that rate must not exceed one-eighth of one percent.

7. The provisions of NRS 237.030 to 237.150, inclusive, do not apply to the adoption of the ordinance enacted pursuant to this section, or any amendment thereof, or to any other action of the Board of County Commissioners relating to the adoption or amendment of the ordinance.

8. As used in this section:

(a) "Gross receipts from the rental of transient lodging" does not include the tax imposed or collected from paying guests pursuant to this section.

(b) "Primary gaming corridor" means the primary gaming corridor in the stadium district, the geographic boundaries of which are established by the Board of County Commissioners pursuant to subsection 5.

Sec. 34. 1. After paying any amounts needed to pay any principal, interest or other costs due in connection with any bonds or securities issued to finance or refinance the National Football League stadium project and to establish a reserve fund to secure the payment of such bonds or other securities, the County Treasurer shall distribute the proceeds of the tax imposed pursuant to section 33 of this act to the Stadium Authority. The Stadium Authority shall deposit such proceeds into the stadium tax account created pursuant to subsection 3 of section 27 of this act.

2. Except as otherwise provided in subsection 3, before the issuance of bonds or other securities pursuant to section 36 of this act, the Stadium Authority shall use the money in the stadium tax account created pursuant to subsection 3 of section 27 of this act only for one or more of the following purposes:

(a) To pay all or part of the cost to acquire, construct, lease, improve, equip, operate or maintain, or any combination thereof, within the boundaries of the stadium district the National Football League stadium project.

(b) To establish a bond reserve fund and other reserves for the payment of the principal of bonds issued pursuant to section 36 of this act or of the sinking fund payments with respect to such bonds,

the purchase or redemption of such bonds, the payment of interest on such bonds or the payment of any redemption premium required to be paid when the bonds are redeemed before maturity.

(c) To pay the costs incurred by the Stadium Authority to carry out the provisions of sections 21 to 37, inclusive, of this act in an amount not to exceed \$1,000,000.

3. The Stadium Authority shall not expend any proceeds of the tax imposed pursuant to section 33 of this act to pay any costs to acquire, construct, lease, improve, equip, operate or maintain, or any combination thereof, the National Football League stadium project unless:

(a) The costs are costs described in paragraph (c) of subsection 2; or

(b) The conditions set forth in paragraphs (a) to (d), inclusive, of subsection 1 of section 29 of this act have been satisfied.

4. Except as otherwise provided in subsection 5, after the issuance of bonds or other securities pursuant to section 36 of this act, the Stadium Authority shall use money in the stadium tax account created pursuant to subsection 3 of section 27 of this act only for the following uses:

(a) To pay the administrative costs of the Stadium Authority in an amount not to exceed \$2,000,000 each fiscal year, as adjusted annually pursuant to subsection 6.

(b) From the proceeds remaining after the payments required by paragraph (a), to supplement the cost of operating and maintaining the National Football League stadium project if the Board of Directors determines such payments are necessary because the Stadium Events Company has failed to perform or breached the lease agreement entered into pursuant to subsection 3 of section 29 of this act or a combined development and lease agreement entered into pursuant to subsection 4 of section 29 of this act.

(c) From the proceeds remaining after the payments required by paragraphs (a) and (b), to create and make contributions to a debt service reserve fund in an amount not to exceed \$9,000,000 each fiscal year until the maximum debt service reserve level on bonds or other securities issued pursuant to section 36 of this act is two times the average annual debt service.

(d) From the proceeds remaining after the payments required by paragraphs (a), (b) and (c), to make payments to the University each fiscal year for a period of not more than 10 fiscal years commencing in the first fiscal year in which the National Football League stadium project is open to the public and Sam Boyd Stadium ceases operations, in an amount that the Board of Directors determines is

necessary to compensate the University for the loss of net income as a result of the operation of the National Football League stadium project, as demonstrated by the University, but not to exceed \$3,500,000 each fiscal year. In determining the amount of the loss of net income pursuant to this paragraph, the Board of Directors shall:

(1) Consider the loss of net income from football and other events hosted at Sam Boyd Stadium and any increase in net income for the University generated by the use of the National Football League stadium project by the University.

(2) Use a base year for calculating changes in net income that is:

(I) Not earlier than Fiscal Year 2015-2016; and

(II) Determined by mutual agreement between the Board of Directors and the University to be the fiscal year that is most representative of the net income of the University from the operation of Sam Boyd Stadium before the National Football League stadium project is open to the public.

↳ If the proceeds remaining after the payments required by paragraphs (a), (b) and (c) are insufficient to make a payment due to the University in any given year as set forth in this paragraph, the amount remaining due to the University must be carried forward and made payable in subsequent future years when sufficient money is available. Interest is not due on a payment carried forward pursuant to this paragraph. If an amount carried forward pursuant to this paragraph remains unpaid at the end of the 10-year period described in this paragraph, the remaining amount must be carried forward beyond the 10-year period until such time as all amounts carried forward are paid in full.

(e) From the proceeds remaining after the payments required by paragraphs (a) to (d), inclusive, and upon completion of the National Football League stadium project, to make contributions to the stadium capital projects fund created pursuant to subsection 3 of section 27 of this act in an amount equal to at least \$5,000,000 per fiscal year, as adjusted annually pursuant to subsection 6.

(f) From the proceeds remaining after the payments required by paragraphs (a) to (e), inclusive, to make payments to a fund to provide early debt retirement, a fund to make capital improvements to the National Football League stadium project in an amount determined by the Stadium Authority and to a fund to pay for any infrastructure required on or around the project, except that no payment pursuant to this paragraph may violate any covenant made in connection with bonds or other securities issued pursuant to

section 36 of this act and, if any payment would violate such a covenant, the amount of the payment must be used for such purpose as specified in the ordinance or other instrument under which the bond or other security is issued.

5. After the bonds and other securities issued pursuant to section 36 of this act have been fully repaid and retired, the Stadium Authority may use the proceeds of the tax imposed pursuant to subsection 1 of section 33 of this act:

- (a) To pay the operating expenses of the Authority; and
- (b) To pay for capital improvements to the National Football League stadium project.

6. The monetary amounts specified in paragraphs (a) and (e) of subsection 4 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the consumer price inflation index between the calendar year ending on December 31, 2015, and the calendar year immediately preceding the fiscal year for which the adjustment is made.

7. Any reserve fund described in this section to secure the payment of bonds or other securities issued pursuant to section 36 of this act must be held by the County or a trustee for the bonds. The reserve fund must be funded with cash and investments permitted by the bond ordinance and NRS 355.170. Interest on money in the reserve fund must remain in the fund and be used for the purposes for which the fund was created. Money in the reserve fund may be:

(a) Used to pay the final years' debt service on the bonds or other securities secured by the reserve funds if the money in the fund is fully sufficient to retire all outstanding bonds secured thereby;

(b) At the option of the Stadium Authority, when all bonds or other securities issued pursuant to section 36 of this act and any bonds or securities refunding those bonds or securities are no longer outstanding, transferred to the stadium capital projects fund created pursuant to subsection 3 of section 27 of this act; or

(c) A combination of the purposes set forth in paragraphs (a) and (b).

8. As used in this section, "consumer price inflation index" means the Consumer Price Index for All Urban Consumers, U.S. City Average, West Urban (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor or, if that index ceases to be published by the United States Department of Labor, the published index that most closely resembles that index, as determined by the Stadium Authority.

Sec. 35. 1. In addition to the requirements set forth in section 29 of this act, a development agreement entered into pursuant to that section, a lease agreement entered into pursuant to that section, or a combined development agreement and lease agreement entered into pursuant to subsection 4 of section 29 of this act and any other agreement of any kind entered into by the Stadium Authority with a developer partner, the Stadium Events Company or the National Football League team, or any affiliate, subsidiary or entity related to such a person, must provide that:

(a) The contribution of the Stadium Authority to the costs of construction of the National Football League stadium project, excluding debt service on the bonds or other securities issued pursuant to section 36 of this act and the proceeds from the sale, transfer or license of personal seat licenses, stadium builder's licenses or other similar instruments pursuant to section 32 of this act and the sale of other assets of the project which must be used to pay the costs of the project and capital improvements thereto, must not exceed the lesser of:

(1) The amount of \$750,000,000; or

(2) The amount of money generated by the tax imposed pursuant to subsection 1 of section 33 of this act before the issuance of bonds or other securities pursuant to section 36 of this act, plus the maximum amount that may be raised from the issuance of bonds and other securities pursuant to section 36 of this act that are secured by the proceeds of the tax imposed pursuant to subsection 1 of section 33 of this act, as reasonably determined by the chief financial officer of the County, after payment of issuance costs and the cost of funding the reserve fund.

(b) The total debt undertaken by the Board of County Commissioners at the request of the Stadium Authority must not at any time exceed the amount set forth in paragraph (a), minus the amount generated by the tax imposed pursuant to subsection 1 of section 33 of this act before the issuance of bonds or other securities pursuant to section 36 of this act. Any bonds issued to refund bonds issued pursuant to section 36 of this act must not be taken into account in calculating compliance with the debt limit set forth in this paragraph.

(c) Except as otherwise provided in this paragraph, all land, improvements and other property of any kind included in the total cost of the National Football League stadium project pursuant to paragraph (g) of subsection 1 of section 36 of this act shall be the sole and exclusive property of the Stadium Authority and shall be exempt from ad valorem property taxes in this State. The provisions

of this paragraph do not apply to any leasehold improvements that the Stadium Authority and the Stadium Events Company or the National Football League team agree are made solely by the Stadium Events Company or the National Football League team. If any such property remains in existence at the expiration of the lease, that property must be transferred to the Stadium Authority at the expiration of the lease agreement and, at that time, becomes the sole and exclusive property of the Stadium Authority, unless otherwise provided in an agreement between the Stadium Authority and the Stadium Events Company or the National Football League team.

(d) A developer partner and the National Football League team must ensure that any required transfer of land, improvements or property occurs before the issuance of bonds or other securities pursuant to section 36 of this act or simultaneously with the issuance of those bonds or other securities.

(e) The land on which the National Football League stadium project is to be located must be dedicated to the Stadium Authority at no cost to the Stadium Authority before the issuance of bonds or other securities pursuant to section 36 of this act or simultaneously with the issuance of those bonds or other securities.

2. Except as otherwise provided in this act, the contribution of the Stadium Authority to the cost of the development and construction of the National Football League stadium project must be proportional in terms of amount, contemporaneous in terms of timing and similar in terms of risk profile to the contribution to the cost of the development and construction of the project by the developer partner and:

(a) The developer partner shall pay the initial \$100,000,000 of the costs of the National Football League stadium project, excluding the value of any land purchased by the developer partner or contributed to the project.

(b) Payments after the initial payment described in paragraph (a) will be pro-rata based on the percentage of the total cost of the project described in paragraph (g) of subsection 1 of section 36 of this act to be paid from money derived from the proceeds of the bonds or other securities issued pursuant to section 36 of this act and the tax imposed pursuant to subsection 1 of section 33 of this act, excluding the proceeds of the tax used to pay principal and interest on the bonds or other securities issued pursuant to section 36 of this act, compared to the costs to be paid from other sources, as adjusted to reflect that money derived from the proceeds of the bonds or other securities issued pursuant to section 36 of this act and the tax imposed pursuant to subsection 1 of section 33 of this act, excluding

the proceeds of the tax used to pay principal and interest on the bonds or other securities issued pursuant to section 36 of this act, will be used to pay the last \$50,000,000 of the cost of the project.

(c) The procedures for making monthly draws for the cost of the project will be delineated in a trust agreement which will ensure that no money derived from the proceeds of the bonds or other securities issued pursuant to section 36 of this act and the tax imposed pursuant to subsection 1 of section 33 of this act is expended unless money of the developer partner is simultaneously expended and that no funds of the developer partner are expended unless money derived from the proceeds of the bonds or other securities issued pursuant to section 36 of this act and the tax imposed pursuant to subsection 1 of section 33 of this act is simultaneously expended, except for the initial payment described in paragraph (a) and the last payment described in paragraph (b).

(d) A trust agreement governing the draw of money for the costs of the project will detail the evidence required to be provided before a draw can be made and the requirements for an independent engineer to review all work before the draw of money.

(e) The independent engineer described in paragraph (d) will review the project sources and uses of money each month and, if the independent engineer determines that there is a need for additional money for the project because of a cost overrun, no payment may be made from money derived from the proceeds of the bonds or other securities issued pursuant to section 36 of this act or the tax imposed pursuant to subsection 1 of section 33 of this act until the cost overrun is paid from a source or combination of sources described in subparagraphs (1) to (4), inclusive, of paragraph (e) of subsection 1 of section 36 of this act.

Sec. 36. 1. The Board of Directors shall request that the Board of County Commissioners issue general obligations of the County pursuant to subsection 2 if the Board of Directors determines that:

(a) The Stadium Authority has entered into a development agreement and a lease agreement pursuant to subsections 2 and 3 of section 29 of this act or a combined development and lease agreement pursuant to subsection 4 of section 29 of this act.

(b) The proceeds of the tax imposed pursuant to subsection 1 of section 33 of this act that will be pledged to the payment of the general obligations will generate sufficient revenue to meet or exceed the debt service coverage ratio of 1.5 times the anticipated annual debt service for each year of the term of the obligations.

(c) The contract for the construction of the National Football League stadium project is a guaranteed maximum price contract with a contingency amount of 10 percent of the estimated hard costs of the National Football League stadium project or such lesser percentage as is determined to be adequate by the Board of Directors but not less than 5 percent of the estimated hard costs of the project.

(d) The prime contractor for the construction of the National Football League stadium project has provided adequate security to guarantee timely performance of the construction of the project and liquidated damages related thereto.

(e) A developer partner has provided a financing commitment that the Board of Directors finds is sufficient to pay the portion of the estimated cost of the National Football League stadium project that is to be paid from sources other than money derived from the proceeds of the bonds or other securities issued pursuant to this section and the tax imposed pursuant to subsection 1 of section 33 of this act, plus the contingency amount approved by the Board pursuant to paragraph (c), and is secured by any combination of the following:

(1) An irrevocable deposit of cash into a stadium project construction fund held in trust by a commercial bank with trust powers, which is established by a developer partner and the Stadium Authority and which cannot be used for any purpose other than payment of the cost of the project until those costs have been paid in full.

(2) Closed construction debt financing, from a lender or lenders rated “A-” or better by Standard and Poor’s Rating Services or “A3” or better by Moody’s Investor Services, Inc., or their equivalent as determined by the Board of Directors, which allows draws for the costs of construction of the project, interest during construction and any costs of issuance. A draw under the closed construction debt financing may be subject to conditions precedent, including, without limitation, a condition that there has been delivery of proof of the availability of County money, a condition that there has been delivery of satisfactory reports from an independent engineer that certifies work being paid for under the closed construction debt financing has been completed and that stored materials have been verified, any condition required by state or federal regulations or regulators governing banks and any condition that relates to confirmation of insurance for the project. Such conditions precedent may also be required by the Board of County Commissioners or the Stadium Authority to allow a draw on

the proceeds of the bonds or other securities issued pursuant to this section which are held in trust by a commercial bank with trust powers.

(3) Approved National Football League financing through the G-4 loan program of the National Football League, or its successor program, which allows draws for the costs of construction of the project and no other purpose until those costs have been paid in full, if the lender is rated "A-" or better by Standard and Poor's Rating Services or "A3" or better by Moody's Investor Services, Inc., or their equivalent as determined by the Board of Directors. A draw under the National Football League financing may be subject to the conditions precedent set forth in subparagraph (2).

(4) Irrevocable letters of credit or commitments to pay the costs of construction of the project, which irrevocably and unconditionally allow draws for the costs of construction of the project and no other purpose until those costs have been paid in full, which is provided by a bank with at least \$1 billion in assets that is rated "A" or better by Standard and Poor's Rating Services or "A2" or better by Moody's Investor Services, Inc., or their equivalent as determined by the Board of Directors.

(f) A developer partner has any development agreements required by state or local governments relative to providing adequate offsite infrastructure improvements for the National Football League stadium project.

(g) The Stadium Authority and a developer partner have agreed on an estimate of the total cost of the National Football League stadium project.

2. Except as otherwise provided in subsection 3, upon the request of the Board of Directors pursuant to subsection 1, the Board of County Commissioners shall issue general obligations of the County in an amount not to exceed \$750,000,000. After payment of the costs of issuing the bonds and making provisions for any required reserves, the proceeds of any bonds issued pursuant to this subsection must be allocated to the Stadium Authority to be used for the National Football League stadium project.

3. The Board of County Commissioners shall not issue general obligation bonds pursuant to subsection 2 unless the Board finds that:

(a) The requirements of subsection 1 have been satisfied; and

(b) Payment of the costs of construction of the National Football League stadium project will be made over time by both the Stadium Authority and a developer partner in accordance with subsection 2 of section 35 of this act.

4. The securities required to be issued pursuant to this section must be issued pursuant to the Local Government Securities Law, and any bonds issued pursuant to this section may be refunded by the County as provided in the Local Government Securities Law.

5. If the Board of County Commissioners issues general obligations of the County pursuant to subsection 2 after the Board of Directors has made the determination set forth in paragraph (b) of subsection 1:

(a) The bonds may be issued without complying with the requirements of NRS 350.011 to 350.0165, inclusive, and 350.020, pursuant to an ordinance of the Board of County Commissioners as provided in the Local Government Securities Law, and no other approval by a governmental entity or otherwise is required for the issuance of the bonds under the laws of this State.

(b) The bonds are exempt from the limitation on indebtedness set forth in NRS 244A.059, and must not be included in the calculation of the indebtedness of the County under that section, but the County shall not become indebted by the issuance of general obligation indebtedness for the purposes set forth in sections 21 to 37, inclusive, of this act in an amount exceeding 5 percent of the total last assessed valuation of taxable property of the County.

(c) The bonds must be treated as if the finding described in subparagraph (1) of paragraph (b) of subsection 3 of NRS 361.4727 had been made by the Board of County Commissioners and approved by the debt management commission of the County under subparagraph (2) of paragraph (b) of subsection 3 of NRS 361.4727.

6. Any determination or finding by the Board of Directors or the Board of County Commissioners pursuant to this section is conclusive, absent fraud.

Sec. 37. 1. The Board of Directors shall dissolve the Stadium Authority and wind up its affairs if the Board makes any of the following determinations:

(a) Within 12 months after the effective date of sections 21 to 37, inclusive, of this act or, if the Board determines that an extension of this period is necessary or desirable, within 18 months after the effective date of those sections, the National Football League has not authorized the National Football League team to locate or relocate within the stadium district.

(b) Within 12 months after the effective date of sections 21 to 37, inclusive, of this act or, if the Board determines that an extension of this period is necessary or desirable, within 18 months after the effective date of those sections, the National Football

League team has not committed to locate or relocate within the stadium district.

(c) Within 18 months after the adoption of the ordinance imposing the tax required by subsection 1 of section 33 of this act, the Stadium Authority has not approved and entered into a development agreement pursuant to subsection 2 of section 29 of this act.

(d) Within 18 months after the adoption of an ordinance imposing the tax required by subsection 1 of section 33 of this act, the Stadium Authority has not approved and entered into a lease agreement pursuant to subsection 3 of section 29 of this act.

(e) Within 18 months after the adoption of an ordinance imposing the tax required by subsection 1 of section 33 of this act, the Stadium Authority has not approved and entered into a combined development and lease agreement pursuant to subsection 4 of section 29 of this act.

(f) The Stadium Authority has no outstanding financial obligations and seven members of the Board vote to dissolve the Stadium Authority.

2. If the Board of Directors makes a determination described in subsection 1 and is required to dissolve and wind up the affairs of the Stadium Authority pursuant to that subsection:

(a) Not later than 90 calendar days after the Board makes the determination, the Stadium Authority must be dissolved and its affairs wound up.

(b) The Chair of the Board must provide notice of the determination and the intent of the Board to dissolve the Stadium Authority and wind up its affairs to the:

- (1) Governor; and
- (2) President of the University.

Sec. 38. 1. Within 90 days after receipt of notice that the Board of Directors has voted to dissolve the Stadium Authority and wind up its affairs for any reason set forth in paragraphs (a) to (f), inclusive, of subsection 1 of section 37 of this act, the President of the University may elect to pursue a college football stadium project. If the President of the University elects to pursue a college football stadium project, he or she must provide written notice to the Governor, the Director of the Legislative Counsel Bureau and the Board of County Commissioners that he or she intends to pursue a college football stadium project.

2. If, within 90 calendar days after receipt of notice of the vote of the Board of Directors to dissolve the Stadium Authority and wind up its affairs pursuant to subsection 2 of section 37 of this act,

the President of the University has provided notice to the Governor, the Director of the Legislative Counsel Bureau and the Board of County Commissioners that he or she intends to pursue a college football stadium project, the Board of Directors of the Stadium Authority must cause the money remaining in the stadium tax account created pursuant to subsection 3 of section 27 of this act, after provision is made for the payment of any outstanding financial obligations or liabilities of the Stadium Authority, to be transferred to the college football stadium tax account created pursuant to subsection 3 of section 45 of this act.

3. If, within 90 calendar days after receipt of notice of the vote of the Board of Directors to dissolve the Stadium Authority and wind up its affairs pursuant to subsection 2 of section 37 of this act, the President of the University has not provided notice to the Governor, the Director of the Legislative Counsel Bureau and the Board of County Commissioners that he or she intends to pursue a college football stadium project, the Board of Directors must cause the money remaining in the stadium tax account created pursuant to subsection 3 of section 27 of this act, after provision is made for the payment of any outstanding financial obligations or liabilities of the Stadium Authority, to be transferred to the Convention Authority. The Convention Authority must use such money to pay the costs of the project described in paragraph (a) of subsection 3 of section 59 of this act or the principal and interest on bonds or other securities issued to defray the costs of that project.

4. If, within 90 calendar days after receipt of notice of the vote of the Board of Directors to dissolve the Stadium Authority and wind up its affairs pursuant to subsection 2 of section 37 of this act, the President of the University provides notice to the Governor, the Director of the Legislative Counsel Bureau and the Board of County Commissioners that he or she intends to pursue a college football stadium project but, within 24 months after the date on which he or she provides that notice, has not secured a commitment of private money for the college football stadium project that, when combined with the revenue of the University projected to be generated from the college football stadium project, results in a commitment of at least \$200,000,000 for the college football stadium project, the money remaining in the college football stadium tax account created pursuant to subsection 3 of section 45 of this act must be transferred to the Convention Authority. The Convention Authority must use such money to pay the costs of the project described in paragraph (a) of subsection 3 of section 59 of this act or the principal and

interest on bonds or other securities issued to defray the costs of that project.

Sec. 39. 1. A stadium district to finance a college football stadium project is hereby created. The stadium district consists of all property located within:

(a) The County, including, without limitation, all property that is within an incorporated city in the County; and

(b) A radius of 25 miles from the location at which the Board of County Commissioners holds its regular meetings as of the effective date of sections 39 to 52, inclusive, of this act.

2. There is hereby created a Campus Improvement Authority.

3. The Campus Improvement Authority constitutes:

4. A member of the Board of Directors is not entitled to receive any compensation for serving as a member of the Board of Directors or as an officer employee of the Board or the Campus Improvement Authority.

5. The members of the Board of Directors are public officers for the purposes of chapter 281A of NRS.

Sec. 41. 1. Not later than 30 days after the effective date of sections 39 to 52, inclusive, of this act:

2. Not later than 90 days after the organizational meeting held pursuant to subsection 1 of section 42 of this act, the members of the Board of Directors appointed pursuant to subsection 1 shall elect two members of the Board pursuant to paragraph (e) of subsection 1 of section 40 of this act to an initial term that commences on the date of the appointment and expires on September 30 of the year following the year in which the appointment was made.

3. After the initial terms, each member of the Board of Directors must be appointed for a 4-year term that begins on the day following the day on which the immediately preceding term expires. A member of the Board of Directors may be reappointed.

Sec. 42. 1. Not later than 75 days after the effective date of sections 39 to 52, inclusive, of this act, the Board of Directors shall hold an organizational meeting. At the meeting of the Board of Directors held pursuant to this section, the Board shall elect:

The monetary amount specified in this subparagraph must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the consumer price inflation index between the calendar year ending on December 31, 2015, and the calendar year immediately preceding the fiscal year for which the adjustment is made.

3. As used in this section, "consumer price inflation index" means the Consumer Price Index for All Urban Consumers, U.S. City Average, West Urban (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor or, if that index ceases to be published by the United States Department of Labor, the published index that most closely resembles that index, as determined by the Campus Improvement Authority.

Sec. 45. The Board of Directors:

location, design, fit and finish that is consistent with similar facilities for university football teams in the premier conferences in the Division I Football Bowl Subdivision, or its successor division, of the National Collegiate Athletic Association or its successor organization; and

(3) Are not subject to the limitations of subsections 1 and 2 of NRS 353.260.

(d) Enter into a lease, ground lease or management agreement with the System authorizing the Campus Improvement Authority to lease from the System any land, or any portion thereof, owned by the System and any improvements thereon, or to manage any such land or improvements for the System, on such terms as may be acceptable to the Board of Directors and the Board of Regents and which do not violate any covenants concerning any securities issued by the Board of Regents, if:

(1) The property subject to the lease, ground lease or management agreement is limited to:

(I) Land and improvements that will be developed and used for the college football stadium project; and

(II) Any other land, improvements and appurtenances that the Board of Regents determines to be necessary or desirable to carry out such a purpose;

(2) The Board of Regents is entitled to limit any uses, rates, charges or other factors pertaining to the property subject to the lease, ground lease or management agreement by including the limitations in the agreement; and

(3) After any indebtedness incurred to improve the property subject to the lease, ground lease or management agreement has been retired or defeased and any other contracts and obligations of the Campus Improvement Authority pertaining to that property have been satisfied and terminated, the improvements will become the property of the System and will no longer be subject to the lease, ground lease or management agreement.

(e) Enter into, with any person or other entity:

(1) One or more subleases of all or any portion of any land or improvement leased to the Campus Improvement Authority;

(2) One or more management agreements to provide for the management by that person or other entity of any land or improvement that the Campus Improvement Authority is authorized to manage, control or occupy;

(2) Any person or entity that executes one or more contracts or agreements for the actual construction, alteration, repair or remodeling of the project shall include in such a contract or agreement the contractual provisions and stipulations that are required to be included in a contract for a public work pursuant to the provisions of NRS 338.013 to 338.090, inclusive; and

2. The Campus Improvement Authority and any prime contractor, construction manager or project manager selected by the Campus Improvement Authority shall competitively bid all subcontracts involving construction which the Campus Improvement Authority determines can be competitively bid without affecting the quality of the college football stadium project. Any determination by the Campus Improvement Authority that such a subcontract can or cannot be competitively bid without affecting the quality of the project is conclusive in the absence of fraud or a gross abuse of discretion. 2. A business shall be deemed to be a small local business for the purposes of this section if:

(a) The business is financially and operationally independent from any other business;

(b) The business is not temporary and has operated for at least 4 years before entering into the contract or agreement;

(c) The business maintains its principal place of business in a fixed location within this State;

4. A small local business to which work is subcontracted by a contractor pursuant to a contract or other agreement described in subsection 1 must ensure that its employees are hired in a manner that does not discriminate against any person on any basis prohibited by law. Such a contractor that subcontracts such work shall not impose any requirements on the small local business

relating to the employees selected by the small local business to perform the subcontracted work.

5. A contractor that subcontracts work to a small local business pursuant to a contract or other agreement described in subsection 1 shall provide a mentorship program to assist the small local business to develop the skills necessary to carry out the work that is subcontracted.

6. A prime contractor, construction manager or project manager, and each contractor that subcontracts work to a small local business pursuant to a contract or other agreement described in subsection 1 shall submit information to the Campus Improvement Authority verifying that the prime contractor, construction manager, project manager or contractor has complied with the provisions of this section, and shall maintain all records, including, without limitation, any information required by the Campus Improvement Authority, to ensure compliance with this section for not less than 5 years after the expiration of the subcontract. Such records must be made available for inspection to the Campus Improvement Authority upon request.

7. Unless the requirements of subsection 1 are waived by the Campus Improvement Authority pursuant to subsection 8 the failure of a prime contractor, construction manager or project manager to comply with the requirements of subsection 1 shall be deemed a material breach of contract.

8. The Campus Improvement Authority may waive the requirements of subsection 1 if a prime contractor, construction manager or project manager presents proof satisfactory to the Campus Improvement Authority that there is an insufficient number of small local businesses available and qualified to subcontract for the work to be performed. Such proof must include, without limitation, evidence that:

(a) Reasonable efforts were made to notify small local businesses of the availability of work to be performed under a contract or other agreement described in subsection 1, which must include evidence of public advertisement calling for bids for a period of not less than 20 days before the date on which such bids must be submitted; and

Sec. 49. The provisions of sections 39 to 52, inclusive, of this act do not require the University or the Board of Regents to enter into any lease, ground lease, management agreement or any other contract or agreement.

Sec. 50. 1. In addition to all other taxes imposed on the revenue from the rental of transient lodging and notwithstanding any other law, the Board of County Commissioners shall by ordinance impose upon all persons in the business of providing lodging in the stadium district a tax at the rate of:

(a) Three-eighths of one percent of the gross receipts from the rental of transient lodging within the primary gaming corridor.

(b) One-quarter of one percent of the gross receipts from the rental of transient lodging in an area within the stadium district but outside the primary gaming corridor.

2. The tax imposed pursuant to subsection 1 may be collected from paying guests and may be shown as an addition to the charge for the rental of transient lodging. The person providing the transient lodging is liable to the County for the tax whether or not the tax is actually collected from a paying guest.

3. The tax imposed pursuant to subsection 1:

(a) Must be imposed in each incorporated city within the stadium district, in addition to being imposed in the portion of the stadium district which is not in an incorporated city;

(b) Must be in addition to all other taxes imposed on the revenue from the rental of transient lodging in the County or city;

(c) Must be collected and enforced in the same manner as any other tax imposed in the County or city on the gross receipts from the rental of transient lodging;

(d) Must be distributed to the Campus Improvement Authority, which shall use the proceeds of the taxes in the manner set forth in section 51 of this act; and

(e) May be pledged to the payment of the bonds or other securities issued pursuant to section 52 of this act.

(b) Provide that any parcel of land, building or other structure located partially within the stadium district is deemed to be wholly within the stadium district.

5. Not later than 30 days after the adoption of the ordinance enacted pursuant to this section, the Board of County Commissioners shall amend the ordinance to include a provision

establishing the geographic boundaries of the primary gaming corridor within the stadium district. The geographic boundaries of the primary gaming corridor must be a single, contiguous area. The initial amendment establishing the geographic boundaries of the primary gaming corridor must base those boundaries on the geographic area comprising the submarket within the stadium district with the greatest amount of gaming revenue as reported in the most recent edition of the Nevada Gaming Abstract produced by the Nevada Gaming Control Board. The Board of County Commissioners may from time to time amend or modify the geographic boundaries of the primary gaming corridor to include areas which would have been included within the geographic boundaries of the primary gaming corridor if the Board of County Commissioners were establishing those boundaries at the time of the amendment or modification, but any such amendment or modification of the geographic boundaries of the primary gaming corridor must not impair any outstanding bonds or any revenues pledged to their payment. The rate of the tax set forth in paragraph (a) of subsection 1 applies to all persons in the business of providing lodging in the primary gaming corridor established pursuant to this subsection, regardless of whether that person is licensed to conduct gaming on the premises of the business and regardless of whether the business of that person is specifically included in the Nevada Gaming Abstract produced by the Nevada Gaming Control Board. Any amendment adopted pursuant to this subsection must provide that any parcel of land, building or other structure located partially within the primary gaming corridor is deemed to be wholly within the primary gaming corridor. The decision of the Board of County Commissioners establishing the boundaries, and any amendment thereof, is conclusive, absent fraud.

6. Upon repayment of the bonds or other securities to which the proceeds of the tax imposed pursuant to subsection 1 may be pledged, the Board of County Commissioners shall amend the ordinance imposing the tax to reduce the rate of the tax to an amount deemed sufficient by the Board to pay the normal operating expenses of the Campus Improvement Authority and the obligation of the Authority for capital improvements to the college football stadium project, except that the rate of the tax imposed on persons described in paragraph (a) of subsection 1 and persons described in paragraph (b) of subsection 1 must be the same rate, and that rate must not exceed one-tenth of one percent.

7. The provisions of NRS 237.030 to 237.150, inclusive, do not apply to the adoption of the ordinance enacted pursuant to this

section, or any amendment thereof, or to any other action of the Board of County Commissioners relating to the adoption or amendment of the ordinance.

8. As used in this section:

(a) "Gross receipts from the rental of transient lodging" does not include the tax imposed or collected from paying guests pursuant to this section.

(b) "Primary gaming corridor" means the primary gaming corridor in the stadium district, the geographic boundaries of which are established by the Board of County Commissioners pursuant to subsection 5.

Sec. 51. 1. After paying any amounts needed to pay any principal, interest or other costs due in connection with any bonds or securities issued to finance or refinance the college football stadium project and to establish a reserve fund to secure the payment of such bonds or other securities, the County Treasurer shall distribute the remaining proceeds of the tax imposed pursuant to section 49 of this act to the Campus Improvement Authority. The Campus Improvement Authority shall deposit such proceeds into the college football stadium tax account created pursuant to subsection 3 of section 45 of this act.

2. Except as otherwise provided in subsection 3, before the issuance of bonds or other securities pursuant to section 52 of this act, the proceeds of the tax imposed pursuant to section 50 of this act and any applicable penalty or interest, and any other money in the college football stadium tax account, must be used by the Campus Improvement Authority:

(a) To pay all or part of the cost to acquire, construct, lease, improve, equip, operate or maintain, or any combination thereof, within the boundaries of the stadium district the college football stadium project;

(d) For any combination of the uses set forth in paragraphs (a), (b) and (c).

3. After the issuance of bonds or other securities pursuant to section 52 of this act, the Campus Improvement Authority shall use the proceeds of the tax imposed pursuant to section 50 of this act

and any other money in the college football stadium tax account only for the following uses and in the following order of priority:

(a) To pay any amounts needed to pay any principal, interest or other costs due in that fiscal year in connection with any bonds or other securities issued pursuant to section 52 of this act to finance or refinance the construction of the college football stadium project, including, without limitation, any reserve funds created to secure the payment of such bonds or other securities and any past due amounts from any prior fiscal year.

(b) To pay the costs of capital improvements to the college football stadium project and for the maintenance of the college football stadium capital projects fund created pursuant to subsection 3 of section 45 of this act in an amount determined by the Board of Directors.

Sec. 52. 1. The Board of Directors shall request that the Board of County Commissioners issue general obligations of the County pursuant to subsection 2 if the Board of Directors determines that:

(b) The proceeds of the tax imposed pursuant to subsection 1 of section 50 of this act that will be pledged to the payment of the general obligations will generate sufficient revenue to meet or exceed the debt service coverage ratio of 1.5 times the anticipated annual debt service for each year of the term of the obligations;

(c) The contract for the construction of the college football stadium project is a guaranteed maximum price contract with a contingency amount of 10 percent of the estimated hard costs of the college football stadium project or such lesser percentage as is determined to be adequate by the Board of Directors but not less than 5 percent of the estimated hard costs of the project;

(d) The prime contractor for the construction of the college football stadium project has provided adequate security to guarantee timely performance of the construction of the project and liquidated damages related thereto; and

(e) The University has provided a financing commitment that the Board of Directors finds is sufficient to pay \$200,000,000 of the

estimated cost of the college football stadium project and is secured by any combination of the following:

(1) An irrevocable deposit of cash into an escrow account in a commercial bank with trust powers which cannot be used for any purpose other than payment of the costs of the college football stadium project until those costs have been paid in full.

(2) Closed construction debt financing which irrevocably and unconditionally allows draws for the costs of construction of the college football stadium project and no other purpose until those costs have been paid in full.

(3) Irrevocable letters of credit, surety bonds or commitments to fund costs of construction of the college football stadium project, which irrevocably and unconditionally allows draws for the costs of construction of the college football stadium project and no other purpose until those costs have been paid in full.

↳ The obligor on any security for payment of the costs of construction described in subparagraph (2) or (3) must be rated "A" or better by Standard and Poor's Rating Services or "A2" or better by Moody's Investor Services, Inc., or their equivalent as determined by the Board of Directors.

2. Except as otherwise provided in subsection 3, upon the request of the Board of Directors pursuant to subsection 1, the Board of County Commissioners shall issue general obligations of the County in an amount not to exceed \$300,000,000. After payment of the costs of issuing the bonds and making provisions for any required reserves, the proceeds of any bonds issued pursuant to this subsection must be allocated to the Campus Improvement Authority to be used for the college football stadium project.

3. The Board of County Commissioners shall not issue general obligation bonds pursuant to subsection 2 unless it finds that the requirements of subsection 1 have been satisfied.

4. The securities required to be issued pursuant to this section must be issued pursuant to the Local Government Securities Law, and any bonds issued pursuant to this section may be refunded by the County as provided in the Local Government Securities Law.

5. If the Board of County Commissioners issues general obligations of the County pursuant to subsection 2 after the Board of Directors has made the determination set forth in paragraph (b) of subsection 1:

(a) The bonds may be issued without complying with the requirements of NRS 350.011 to 350.0165, inclusive, and 350.020, pursuant to an ordinance of the Board of County Commissioners as provided in the Local Government Securities Law, and no other

approval by a governmental entity or otherwise is required for the issuance of the bonds under the laws of this State.

(b) The bonds are exempt from the limitation on indebtedness set forth in NRS 244A.059, and must not be included in the calculation of the indebtedness of the County under that section, but the County shall not become indebted by the issuance of general obligation indebtedness for the purposes set forth in sections 39 to 52, inclusive, of this act in an amount exceeding 5 percent of the total last assessed valuation of taxable property of the County.

(c) The bonds must be treated as if the finding described in subparagraph (1) of paragraph (b) of subsection 3 of NRS 361.4727 had been made by the Board of County Commissioners and approved by the debt management commission of the County under subparagraph (2) of paragraph (b) of subsection 3 of NRS 361.4727.
