AN ACT relating to state financial administration; reducing certain appropriations and other money budgeted for Fiscal Year 2020-2021; authorizing certain sums appropriated to the Department of Health and Human Services to be transferred among the various budget accounts of the Department under certain circumstances; requiring the transfer of certain money to the State General Fund; revising various provisions relating to the authority for such transfers; authorizing certain expenditures; temporarily suspending the transfer from the State General Fund to the Account to Stabilize the Operation of the State Government for Fiscal Year 2020-2021; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Legislature appropriated various sums of money for the support of the government of the State of Nevada and for other specific purposes during the 2019 Legislative Session. Sections 1-8, 10-14 and 16-81 of this bill reduce certain appropriations for Fiscal Year 2020-2021. Existing law provides a procedure for the revision of the work program of any department, institution or agency of the Executive Department of the State Government. (NRS 353.220) Section 15 of this bill authorizes the transfer of certain sums appropriated to the Department of Health and Human Services among the various budget accounts of the Department in the same manner and within the same limits as allowed for revisions of work programs in NRS 353.220. Section 82 of this bill reduces the current amount of money budgeted for Fiscal Year 2020-2021 for certain programs and services of various state agencies and provides for the reversion of those amounts to the State General Fund at the close of Fiscal Year 2020-2021.
Sections 83-107 of this bill require the State Controller to transfer various sums of money from certain funds and accounts in Fiscal Year 2020-2021 to the State General Fund Budget Reserve Account to offset the difference between projected revenues and collections and to be used only as necessary to meet existing and future obligations of the State. Section 108 of this bill provides for the reversion of those amounts to the State General Fund at the close of Fiscal Year 2020-2021. Sections 9 and 120-131 of this bill specifically authorize such transfers in provisions in existing law. Sections 109-118 of this bill authorize certain additional expenditures by various state agencies for certain purposes.

Section 132 of this bill provides that the provisions of the act do not apply to the extent that they would constitute an impairment of the rights of holders of bonds or similar obligations issued by the State.

The Account to Stabilize the Operation of the State Government, also known as the Rainy Day Account, is a special revenue fund into which surplus state revenues are deposited to be used in case of fiscal emergencies. Under existing law, the State Controller is required to transfer from the State General Fund to the Account to Stabilize the Operation of the State Government at the beginning of each fiscal year that begins on or after July 1, 2017, 1 percent of the total anticipated revenue projected for that fiscal year by the Economic Forum in May of odd-numbered years, as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year. (NRS 353.288) Section 119 of this bill suspends this transfer to be made for Fiscal Year 2020-2021.

sale in whatever manner affords, in his or her judgment, the most favorable market for the property. The Administrator may decline the highest bid and reoffer the property for sale if the Administrator considers the bid to be insufficient.

2. Any sale held under this section must be preceded by a single publication of notice, not less than 21 days before sale, in a newspaper of general circulation in the county in which the property is to be sold. The Administrator may provide additional notice of any such sale at any time and in any manner that the Administrator selects.

The Administrator shall execute all documents necessary to complete the transfer of ownership.
