Legislative Counsel’s Digest:

The Legislature appropriated various sums of money for the support of the government of the State of Nevada and for other specific purposes during the 2019 Legislative Session. **Sections 1-8, 10-14, 16-56 and 57-81** of this bill reduce certain appropriations for Fiscal Year 2020-2021.

Existing law provides a procedure for the revision of the work program of any department, institution or agency of the Executive Department of the State Government. (NRS 353.220) During the remainder of Fiscal Year 2020-2021, section 15 of this bill authorizes the transfer of certain sums appropriated to the Department of Health and Human Services among the various budget accounts of the Department in the same manner and within the same limits as allowed for revisions of work programs in NRS 353.220. **Section 15** also provides that the appropriations made to the Supreme Court of Nevada for Fiscal Year 2019-2020 and Fiscal Year 2020-2021 are available for both fiscal years and authorizes transfers of such money among certain budget accounts of the Supreme Court and from one fiscal year to the other upon certain approval.

**Section 82** of this bill reduces the current amount of money budgeted for Fiscal Year 2020-2021 for certain programs and services of various state agencies and provides for the reversion of those amounts to the State General Fund at the close of Fiscal Year 2020-2021.

**Sections 83-107** of this bill require the State Controller to transfer various sums of money from certain funds and accounts in Fiscal Year 2020-2021 to the State General Fund Budget Reserve Account to offset the difference between projected revenues and collections and to be used only as necessary to meet existing and future obligations of the State. **Section 108** of this bill provides for the reversion of those amounts to the State General Fund at the close of Fiscal Year 2020-2021. **Sections 9 and 120-131** of this bill specifically authorize such transfers in provisions in existing law. **Sections 109-118** of this bill authorize certain additional expenditures by various state agencies for certain purposes. **Sections 56.5 and 118.5** of this bill authorize the Department of Health and Human Services to accept additional federal money during Fiscal Year 2019-2020 or Fiscal Year 2020-2021 for the Nevada Medicaid budget and the Nevada Check-Up Program budget to support those budgets without requiring an offsetting decrease in State General Fund appropriations.

The Account to Stabilize the Operation of the State Government, also known as the Rainy Day Account, is a special revenue fund into which surplus state revenues are deposited to be used in case of fiscal emergencies. Under existing law, the State Controller is required to transfer from the State General Fund to the Account to Stabilize the Operation of the State Government at the beginning of each fiscal year that begins on or after July 1, 2017, 1 percent of the total anticipated revenue projected for that fiscal year by the Economic Forum in May of odd-numbered years, as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year. (NRS 353.288) **Section 119** of this bill suspends this transfer to be made for Fiscal Year 2020-2021.

Under existing law, employees in the Executive Department of the State Government are entitled to a prescribed amount of annual leave for each month of continuous public service. With certain exceptions, existing law provides that any annual leave in excess of 30 working days must be used before January 1 of the year following the year in which the annual leave in excess of 30 working days is accumulated or the amount of annual leave in excess of 30 working days is forfeited on that date. (NRS 284.350) For purposes of calendar years 2020 and 2021, **sections 123.5 and 135** of this bill increase to 40 working days the limitation on the amount of annual leave that an employee is authorized to carry forward from each of those calendar years to the next calendar year.
Existing law requires each state agency that participates in the Public Employees’ Benefits Program to pay to the Program a monthly assessment for each state officer and employee who is employed by the agency on a permanent and full-time basis and who elects to participate in the Program. (NRS 287.044, 287.0445) In addition, the State is also required to pay to the Program a portion of the cost of the premiums or contributions for group insurance for persons who retire with state service and continue to participate in the Program. (NRS 287.046) The monthly amounts of these subsidies are established for each fiscal year biennially. (See, e.g., chapter 523, Statutes of Nevada 2019, p. 3118) Section 131.1 of this bill provides for a state agency premium holiday by requiring that a participating state agency only pay such subsidies for 11 months in Fiscal Year 2020-2021. Although a corresponding premium holiday is not provided for the state officers and employees and retirees in this bill, section 131.1 specifically provides that those state officers and employees and retirees must not be required to pay the portion of the cost of the premiums and contributions that would have otherwise been paid by the State during the one month of the premium holiday.

Section 131.2 of this bill requires each full-time state employee to take 48 hours of unpaid furlough leave, and part-time employees to take a proportional amount of such hours, during the period between January 1, 2021, and June 30, 2021, unless: (1) the employee’s position is exempted from this requirement pursuant to section 131.4 of this bill because the employee is determined to fill a position of critical need; or (2) the employee is employed by the Department of Tourism and Cultural Affairs and has a standard workweek of 32 hours or less. If an employee’s position is exempted from the furlough requirement, section 131.4 requires that the employee’s salary be reduced by 4.6 percent during the period between January 1, 2021, and June 30, 2021, that the position is not subject to furlough leave. Section 131.3 of this bill provides that state employees and employees of the other employers who participate in the Public Employees’ Retirement System who take furlough leave due to extreme financial need are held harmless in the accumulation of retirement service credit and reported salary for purposes of their retirement. Sections 134.5 and 135 of this bill eliminate the furlough leave requirements if the State of Nevada receives certain federal money.

Section 131.6 of this bill provides that if additional federal money is made available to the State of Nevada, the Chief of the Budget Division of the Office of Finance is required to disburse the money to restore budgetary reductions in this bill and other purposes in a prescribed priority order.

Section 132 of this bill provides that the provisions of this bill do not apply to the extent that they would constitute an impairment of the rights of holders of bonds or similar obligations issued by the State.

The Administrator may decline the highest bid and reoffer the property for sale if the Administrator considers the bid to be insufficient.

2. Any sale held under this section must be preceded by a single publication of notice, not less than 21 days before sale, in a newspaper of general circulation in the county in which the property is to be sold. An employee who is less than full time is entitled to service credit in the same manner and to the same extent as though the employee had worked the hours taken as furlough leave.

4. When a member is on furlough leave pursuant to the program certified by the public employer in accordance with this section, the public employer must:

(a) Include all information required by the System on the public employer’s regular monthly retirement report as provided in NRS 286.460; and

If an employer participating in the program established pursuant to section 131.2 of this act determines that a position cannot be subject to furlough leave because of the need to provide appropriate services that are necessary to the protection of public health, safety and welfare, the governing body of the agency must make findings on the record in a public meeting that:
(a) The position is necessary to the protection of public health, safety or welfare;
(b) The public health, safety or welfare will be significantly diminished if mandatory furlough leave is implemented for employees in these positions; and

4. If the position of an employee is determined not to be subject to furlough leave pursuant to this section, the salary of the employee must be reduced by 4.6 percent for the portion of the
period beginning on January 1, 2021, and ending on June 30, 2021, during which the position is not subject to furlough leave.

2. If any amount of the money to implement the provisions of sections 131.2, 131.3 and 131.4 of this act is derived from a source other than the State General Fund or the State Highway Fund, such money must not be transferred to Category 93, Reserve for Reversion, and remains authorized for expenditure in the existing budget account of the state agency.

3. Notwithstanding any other provision of law to the contrary, all money transferred to Category 93, Reserve for Reservation, pursuant to subsection 1 must, as soon as practicable, be transferred to Budget Account 101-9015, Budget Reserve, and must be reverted to the State General Fund on or before September 17, 2021.
