9 advise the Board concerning public health matters relating to licensed gaming
10 establishments in the health district; and (2) authorize such a district health
11 department, upon the request of the Board, to enforce regulations adopted by the
12 Board concerning matters of public health against such an establishment.

13 **Sections 3-15** of this bill generally: (1) require the Director of the Department
14 of Health and Human Services and district boards of health in a county whose
15 population is 100,000 or more (currently Clark and Washoe Counties) to adopt by
16 regulation requirements to reduce and prevent the transmission of SARS-CoV-2 in
17 public accommodation facilities in those counties which apply only during the
18 duration of a declaration of a public health emergency due to SARS-CoV-2 and
19 during other periods in which conditions concerning the prevalence of SARS-CoV-
20 exist; and (2) provide for the enforcement of those regulations.

21 **Section 11** of this bill requires the Director to adopt regulations requiring a
22 public accommodation facility to establish standards for the cleaning of public
23 accommodation facilities that are designed to reduce the transmission of SARS-
24 CoV-2. **Section 12** of this bill requires the Director to adopt regulations requiring
25 each public accommodation facility to establish protocols to: (1) limit the

27 mitigation of SARS-CoV-2 transmission.

28 **Section 13** of this bill requires the Director to adopt regulations requiring each
29 public accommodation facility to establish, implement and maintain a written

43 Procedure Act concerning the adoption, amendment or repeal of regulations.
44 However, **section 10** of this bill requires the Director to allow any interested person
45 to comment on the adoption, amendment or repeal of those regulations. **Section 10**
46 also prohibits the Director from adopting regulations more stringent than necessary
47 to carry out the requirements of this bill. **Section 15** of this bill requires a district
48 board of health of a health district in a county whose population is 100,000 or more

61 controlling health standards with gross negligence and the gross negligence was the
62 proximate cause of the personal injury or death. **Section 29** requires the court, as a
63 matter of law, to determine substantial compliance with controlling health
64 standards. **Section 34** of this bill provides that these procedures apply to any cause
65 of action or claim that accrues before, on or after the effective date of this bill and
66 before the later of: (1) the date on which the Governor terminates the emergency
67 described in the Declaration of Emergency for COVID-19 issued on March 12,
68 2020; or (2) July 1, 2023.

69 **Section 30** of this bill authorizes the Secretary of State to suspend the state
70 business license of a person holding a state business license who does not comply
71 with controlling health standards. **Section 30** requires the Secretary of State to
72 provide notice of the suspension to the person. **Section 39** of this bill provides that
73 the authority to suspend a state business license expires by limitation on the later of
74 the following dates: (1) the date on which the Governor terminates the emergency
75 described in the Declaration of Emergency issued on March 12, 2020; or (2) July 1,
