463.335 1. The Legislature finds that, to protect and promote the health, safety, morals, good order and general welfare of the inhabitants of the State of Nevada and to carry out the policy declared in NRS 463.0129, it is necessary that the Board:

(a) Ascertain and keep itself informed of the identity, prior activities and present location of all gaming employees and independent agents in the State of Nevada; and

(b) Maintain confidential records of such information.

2. Except as otherwise provided in subsection 3, a person may not be employed as a gaming employee or serve as an independent agent unless he is the holder of a valid work permit to work as a gaming employee issued pursuant to this section. A work permit to work as a gaming employee may be issued by the Board or by a county or city licensing authority. An applicant for a work permit shall file his application for a work permit with the licensing authority of the city in which he resides if that city requires a work permit. If the city in which he resides does not require such a permit, the applicant shall file his application with the licensing authority of the county in which he resides if that county requires a work permit. If the county in which he resides does not require such a permit, the applicant shall file his application with the Board. The Board shall, by regulation, prescribe the form for an application for a work permit to work as a gaming employee. The fee for such a permit may be charged only to cover the actual investigative and administrative costs related to processing an application for such a permit and must not exceed \$75.

3. An independent agent is not required to hold a work permit if he is not a resident of this state and has registered with the Board in accordance with the provisions of the regulations adopted by the Commission.

4. Upon receipt of an application for a work permit to work as a gaming employee, the Board or licensing authority shall conduct an investigation of the applicant to determine whether he is eligible for the permit. In conducting the investigation, the Board or licensing authority shall forward a complete set of the applicant's fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for a report concerning the criminal history of the applicant. The investigation need not be limited solely to consideration of the results of the report concerning the criminal history of the applicant.

5. A work permit issued to a gaming employee or an independent agent must have clearly imprinted thereon a statement that it is valid for gaming purposes only.

6. Unless denied or objected to by the Board at the time that the permittee filed a notice of a change in his place of employment pursuant to subsection 8 and unless suspended or revoked, such a permit expires on the fifth anniversary of the permittee's birthday, measured from the birthday nearest the date of issuance or renewal. If the date of birth of a permittee is on February 29 in a leap year,

for the purposes of this section, his date of birth shall be deemed to be on February 28.

7. Whenever any person applies to a county or city licensing authority for the issuance or renewal of a work permit, the county or city officer or employee to whom the application is made shall within 24 hours mail or deliver a copy thereof to the Board, and may at the discretion of the county or city licensing authority issue a temporary work permit that is valid for 120 days. If within 120 days after receipt by the Board of the copy of the application, the Board has not notified the county or city licensing authority of any objection, the authority may issue, renew or deny a permanent work permit to the applicant.

8. A gaming employee who is issued a work permit is eligible for employment in any licensed gaming establishment in this state until the work permit is denied or objected to by the Board, expires or is revoked. However, each such employee shall notify the Board within 10 days following any change of his place of employment at a gaming establishment. Such a notification shall be deemed an application for a work permit that the Board may deny or object to after conducting any investigations the Board deems appropriate. The provisions of subsections 9 to 16, inclusive, apply to any such objection of the Board. The Commission shall adopt regulations to:

(a) Facilitate uniform procedures for the issuance of work permits by counties and cities;

(b) Establish uniform criteria for denial by a county or city licensing authority of an application for a work permit; and

(c) Provide for the creation and maintenance of a system of records that contain information regarding the current place of employment of each person who possesses a valid work permit.

9. If the Board, within the 120-day period, notifies:

(a) The county or city licensing authority; and

(b) The applicant,

that the Board objects to the granting of a work permit to the applicant, the authority shall deny the work permit and shall immediately revoke and repossess any temporary work permit which it may have issued. The notice of objection by the Board which is sent to the applicant must include a statement of the facts upon which the Board relied in making its objection.

10. Whenever an application for a work permit is made to the Board and the Board denies such an application, it shall include in its notice of the denial a statement of the facts upon which it relied in denying the application.

11. Any person whose application for a work permit has been denied because of an objection by the Board or whose application has been denied by the Board may, not later than 60 days after receiving notice of the denial or objection, apply to the Board for a

hearing. A failure of a person whose application has been denied to apply for a hearing within 60 days or his failure to appear at a hearing of the Board conducted pursuant to this section shall be deemed to be an admission that the denial or objection is well-founded, and the failure precludes administrative or judicial review. At the hearing, the Board shall take any testimony deemed necessary. After the hearing, the Board shall review the testimony taken and any other evidence, and shall within 45 days after the date of the hearing mail to the applicant its decision sustaining or reversing the denial of the work permit or the objection to the issuance of a work permit.

12. The Board may object to the issuance of a work permit or may refuse to issue a work permit for any cause deemed reasonable by the Board. The Board may object or refuse if the applicant has:

(b) Knowingly failed to comply with the provisions of this chapter or chapter 463B, 464 or 465 of NRS or the regulations of the Commission at a place of previous employment;

(c) Committed, attempted or conspired to commit any crime of moral turpitude, embezzlement or larceny or any violation of any law pertaining to gaming, or any crime which is inimical to the declared policy of this state concerning gaming;

(d) Committed, attempted or conspired to commit a crime which is a felony or gross misdemeanor in this state or an offense in another state or jurisdiction which would be a felony or gross misdemeanor if committed in this state ~~and~~ *and which relates to the applicant's suitability or qualifications to work as a gaming employee;*

(f) Been placed and remains in the constructive custody of any federal, state or municipal law enforcement authority; or

(g) Had a work permit revoked or committed any act which is a ground for the revocation of a work permit or would have been a ground for revoking his work permit if he had then held a work permit.

If the Board issues or does not object to the issuance of a work permit to an applicant, it may specially limit the period for which the permit is valid, limit the job classifications for which the holder of the permit may be employed and establish such individual conditions for the issuance, renewal and effectiveness of the permit as the Board deems appropriate, including required submission to

unscheduled tests for the presence of alcohol or controlled substances.

13. Any applicant aggrieved by the decision of the Board may, within 15 days after the announcement of the decision, apply in writing to the Commission for review of the decision. Review is limited to the record of the proceedings before the Board. The Commission may sustain, modify or reverse the Board's decision. The decision of the Commission is subject to judicial review pursuant to NRS 463.315 to 463.318, inclusive.

14. Except as otherwise provided in this subsection, all records acquired or compiled by the Board or Commission relating to any application made pursuant to this section and all lists of persons to whom work permits have been issued or denied and all records of the names or identity of persons engaged in the gaming industry in this state are confidential and must not be disclosed except in the proper administration of this chapter or to an authorized law enforcement agency. Upon receipt of a request from the Welfare Division of the Department of Human Resources pursuant to NRS 425.400 for information relating to a specific person who has applied for or holds a work permit, the Board shall disclose to the Division his social security number, residential address and current employer as that information is listed in the files and records of the Board. Any record of the Board or Commission which shows that the applicant has been convicted of a crime in another state must show whether the crime was a misdemeanor, gross misdemeanor, felony or other class of crime as classified by the state in which the crime was committed. In a disclosure of the conviction, reference to the classification of the crime must be based on the classification in the state where it was committed.

15. The Chairman of the Board may designate a member of the Board or the Board may appoint a hearing examiner and authorize that person to perform on behalf of the Board any of the following functions required of the Board by this section concerning work permits:

- (a) Conducting a hearing and taking testimony;
- (b) Reviewing the testimony and evidence presented at the hearing;
- (c) Making a recommendation to the Board based upon the testimony and evidence or rendering a decision on behalf of the Board to sustain or reverse the denial of a work permit or the objection to the issuance or renewal of a work permit; and
