7 This bill requires the Department of Education to adopt a policy for all school
8 districts and public schools to provide a safe and respectful learning environment.
9 The policy must include requirements and methods for reporting harassment or
10 intimidation, as well as a policy for training school personnel.

11 This bill requires each school district to adopt the policy prescribed by the
12 Department or to adopt an expanded policy that complies with the Department's
13 policy. Each school district must provide training to school personnel in accordance
14 with the policy.

15 This bill prohibits a member of the board of trustees of a school district or an
16 employee of a school district from using his official authority or influence to
17 interfere with or prevent the disclosure of harassment or intimidation. In addition,
18 this bill limits the authority of a person to bring a cause of action against a pupil,
19 school employee or school volunteer who reports harassment or intimidation.
