CHAPTER.....

AN ACT relating to insurance; requiring certain policies of health insurance and health care plans to provide an option of coverage for screening for and treatment of autism; authorizing the Board of Psychological Examiners to license behavior analysts and assistant behavior analysts and to certify autism behavior interventionists; increasing the size of the Board of Psychological Examiners from five members to seven members; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain public and private health care plans and policies of insurance to provide coverage for certain procedures, including colorectal cancer screenings, cytological screening tests and mammograms, in certain circumstances. (NRS 287.027, 287.04335, 689A.04042, 689A.0405, 689B.0367, 689B.0374, 695B.1907, 695B.1912, 695C.1731, 695C.1735, 695G.168) Existing law also requires employers to provide certain benefits to employees, including coverage for the procedures required to be covered by insurers, if the employer provides health benefits for its employees. (NRS 608.1555) **Sections 1-10.5** of this bill require certain health care plans and policies of insurance to also provide an option or a requirement, as applicable, of coverage for the screening for, including the diagnosis of, and the treatment of autism spectrum disorders in certain circumstances.

Sections 12-12.4 and 12.7-14.5 of this bill provide for the licensure of behavior analysts and assistant behavior analysts and the certification of autism behavior interventionists by the Board of Psychological Examiners.

Sections 12.5 and 12.6 of this bill increase the size of the Board of Psychological Examiners from five members to seven members, adding one member who is a licensed behavior analyst and one member who represents the interests of persons or agencies that regularly provide health care to patients who are indigent, uninsured or unable to afford health care.

The provisions of this bill apply prospectively to any policy of insurance or health care plan issued or renewed on or after January 1, 2011, or July 1, 2011, as applicable.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 689A of NRS is hereby amended by adding thereto a new section to read as follows:

1. A health benefit plan must provide an option of coverage for screening for and diagnosis of autism spectrum disorders and for treatment of autism spectrum disorders for persons covered by the policy under the age of 18 or, if enrolled in high school, until the person reaches the age of 22.

2. Optional coverage provided pursuant to this section must be subject to:

(a) A maximum benefit of not less than \$36,000 per year for applied behavior analysis treatment; and

(b) Copayment, deductible and coinsurance provisions and any other general exclusions or limitations of a policy of health insurance to the same extent as other medical services or prescription drugs covered by the policy.

3. A health benefit plan that offers or issues a policy of health insurance which provides coverage for outpatient care shall not:

(a) Require an insured to pay a higher deductible, copayment or coinsurance or require a longer waiting period for optional coverage for outpatient care related to autism spectrum disorders than is required for other outpatient care covered by the policy; or

(b) Refuse to issue a policy of health insurance or cancel a policy of health insurance solely because the person applying for or covered by the policy uses or may use in the future any of the services listed in subsection 1.

4. Except as provided in subsections 1 and 2, an insurer who offers optional coverage pursuant to subsection 1 shall not limit the number of visits an insured may make to any person, entity or group for treatment of autism spectrum disorders.

5. Treatment of autism spectrum disorders must be identified in a treatment plan and may include medically necessary habilitative or rehabilitative care, prescription care, psychiatric care, psychological care, behavior therapy or therapeutic care that is:

(a) Prescribed for a person diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist; and

(b) Provided for a person diagnosed with an autism spectrum disorder by a licensed physician, licensed psychologist, licensed behavior analyst or other provider that is supervised by the licensed physician, psychologist or behavior analyst.

↪ *An insurer may request a copy of and review a treatment plan created pursuant to this subsection.*

6. Nothing in this section shall be construed as requiring an insurer to provide reimbursement to an early intervention agency or school for services delivered through early intervention or school services.

7. As used in this section:

(a) "Applied behavior analysis" means the design, implementation and evaluation of environmental modifications using behavioral stimuli and consequences to produce socially significant improvement in human behavior, including, without limitation, the use of direct observation, measurement and functional analysis of the relations between environment and behavior.

(b) "Autism spectrum disorders" means a neurobiological medical condition including, without limitation, autistic disorder, Asperger's Disorder and Pervasive Developmental Disorder Not Otherwise Specified.

(c) "Behavioral therapy" means any interactive therapy derived from evidence-based research, including, without limitation, discrete trial training, early intensive behavioral intervention, intensive intervention programs, pivotal response training and verbal behavior provided by a licensed psychologist, licensed behavior analyst, licensed assistant behavior analyst or certified autism behavior interventionist.

(d) "Certified autism behavior interventionist" means a person who is certified as an autism behavior interventionist by the Board of Psychological Examiners and who provides behavior therapy under the supervision of:

- (1) A licensed psychologist;*
- (2) A licensed behavior analyst; or*
- (3) A licensed assistant behavior analyst.*

(e) "Evidence-based research" means research that applies rigorous, systematic and objective procedures to obtain valid knowledge relevant to autism spectrum disorders.

(f) "Habilitative or rehabilitative care" means counseling, guidance and professional services and treatment programs, including, without limitation, applied behavior analysis, that are necessary to develop, maintain and restore, to the maximum extent practicable, the functioning of a person.

(g) "Licensed assistant behavior analyst" means a person who holds current certification or meets the standards to be certified as a board certified assistant behavior analyst issued by the Behavior

Analyst Certification Board, Inc., or any successor in interest to that organization, who is licensed as an assistant behavior analyst by the Board of Psychological Examiners and who provides behavioral therapy under the supervision of a licensed behavior analyst or psychologist.

(h) "Licensed behavior analyst" means a person who holds current certification or meets the standards to be certified as a board certified behavior analyst or a board certified assistant behavior analyst issued by the Behavior Analyst Certification Board, Inc., or any successor in interest to that organization, and who is licensed as a behavior analyst by the Board of Psychological Examiners.

(i) "Prescription care" means medications prescribed by a licensed physician and any health-related services deemed medically necessary to determine the need or effectiveness of the medications.

(j) "Psychiatric care" means direct or consultative services provided by a psychiatrist licensed in the state in which the psychiatrist practices.

(k) "Psychological care" means direct or consultative services provided by a psychologist licensed in the state in which the psychologist practices.

(l) "Screening for autism spectrum disorders" means medically necessary assessments, evaluations or tests to screen and diagnose whether a person has an autism spectrum disorder.

(m) "Therapeutic care" means services provided by licensed or certified speech pathologists, occupational therapists and physical therapists.

(n) "Treatment plan" means a plan to treat an autism spectrum disorder that is prescribed by a licensed physician or licensed psychologist and may be developed pursuant to a comprehensive evaluation in coordination with a licensed behavior analyst.

Sec. 2. NRS 689A.330 is hereby amended to read as follows:

689A.330 If any policy is issued by a domestic insurer for delivery to a person residing in another state, and if the insurance commissioner or corresponding public officer of that other state has informed the Commissioner that the policy is not subject to approval or disapproval by that officer, the Commissioner may by ruling require that the policy meet the standards set forth in NRS 689A.030 to 689A.320, inclusive **[H]**, **and section 1 of this act.**

Sec. 3. Chapter 689B of NRS is hereby amended by adding thereto a new section to read as follows:

1. A health benefit plan must provide coverage for screening for and diagnosis of autism spectrum disorders and for treatment of autism spectrum disorders to persons covered by the policy of group health insurance under the age of 18 or, if enrolled in high school, until the person reaches the age of 22.

2. Coverage provided under this section is subject to:

(a) A maximum benefit of \$36,000 per year for applied behavior analysis treatment; and

(b) Copayment, deductible and coinsurance provisions and any other general exclusion or limitation of a policy of group health insurance to the same extent as other medical services or prescription drugs covered by the policy.

3. A health benefit plan that offers or issues a policy of group health insurance which provides coverage for outpatient care shall not:

(a) Require an insured to pay a higher deductible, copayment or coinsurance or require a longer waiting period for coverage for outpatient care related to autism spectrum disorders than is required for other outpatient care covered by the policy; or

(b) Refuse to issue a policy of group health insurance or cancel a policy of group health insurance solely because the person applying for or covered by the policy uses or may use in the future any of the services listed in subsection 1.

4. Except as provided in subsections 1 and 2, an insurer shall not limit the number of visits an insured may make to any person, entity or group for treatment of autism spectrum disorders.

5. Treatment of autism spectrum disorders must be identified in a treatment plan and may include medically necessary habilitative or rehabilitative care, prescription care, psychiatric care, psychological care, behavior therapy or therapeutic care that is:

(a) Prescribed for a person diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist; and

(b) Provided for a person diagnosed with an autism spectrum disorder by a licensed physician, licensed psychologist, licensed behavior analyst or other provider that is supervised by the licensed physician, psychologist or behavior analyst.

↳ An insurer may request a copy of and review a treatment plan created pursuant to this subsection.

6. A policy subject to the provisions of this chapter that is delivered, issued for delivery or renewed on or after

January 1, 2011, has the legal effect of including the coverage required by subsection 1, and any provision of the policy or the renewal which is in conflict with subsections 1 or 2 is void.

7. Nothing in this section shall be construed as requiring an insurer to provide reimbursement to an early intervention agency or school for services delivered through early intervention or school services.

8. As used in this section:

(a) "Applied behavior analysis" means the design, implementation and evaluation of environmental modifications using behavioral stimuli and consequences to produce socially significant improvement in human behavior, including, without limitation, the use of direct observation, measurement and functional analysis of the relations between environment and behavior.

(b) "Autism spectrum disorders" means a neurobiological medical condition including, without limitation, autistic disorder, Asperger's Disorder and Pervasive Developmental Disorder Not Otherwise Specified.

(c) "Behavioral therapy" means any interactive therapy derived from evidence-based research, including, without limitation, discrete trial training, early intensive behavioral intervention, intensive intervention programs, pivotal response training and verbal behavior provided by a licensed psychologist, licensed behavior analyst, licensed assistant behavior analyst or certified autism behavior interventionist.

(d) "Certified autism behavior interventionist" means a person who is certified as an autism behavior interventionist by the Board of Psychological Examiners and who provides behavior therapy under the supervision of:

- (1) A licensed psychologist;*
- (2) A licensed behavior analyst; or*
- (3) A licensed assistant behavior analyst.*

(e) "Evidence-based research" means research that applies rigorous, systematic and objective procedures to obtain valid knowledge relevant to autism spectrum disorders.

(f) "Habilitative or rehabilitative care" means counseling, guidance and professional services and treatment programs, including, without limitation, applied behavior analysis, that are necessary to develop, maintain and restore, to the maximum extent practicable, the functioning of a person.

(g) "Licensed assistant behavior analyst" means a person who holds current certification or meets the standards to be certified as

a board certified assistant behavior analyst issued by the Behavior Analyst Certification Board, Inc., or any successor in interest to that organization, who is licensed as an assistant behavior analyst by the Board of Psychological Examiners and who provides behavioral therapy under the supervision of a licensed behavior analyst or psychologist.

(h) "Licensed behavior analyst" means a person who holds current certification or meets the standards to be certified as a board certified behavior analyst or a board certified assistant behavior analyst issued by the Behavior Analyst Certification Board, Inc., or any successor in interest to that organization and who is licensed as a behavior analyst by the Board of Psychological Examiners.

(i) "Prescription care" means medications prescribed by a licensed physician and any health-related services deemed medically necessary to determine the need or effectiveness of the medications.

(j) "Psychiatric care" means direct or consultative services provided by a psychiatrist licensed in the state in which the psychiatrist practices.

(k) "Psychological care" means direct or consultative services provided by a psychologist licensed in the state in which the psychologist practices.

(l) "Screening for autism spectrum disorders" means medically necessary assessments, evaluations or tests to screen and diagnose whether a person has an autism spectrum disorder.

(n) "Treatment plan" means a plan to treat an autism spectrum disorder that is prescribed by a licensed physician or licensed psychologist and may be developed pursuant to a comprehensive evaluation in coordination with a licensed behavior analyst.

Sec. 3.5. Chapter 689C of NRS is hereby amended by adding thereto a new section to read as follows:

1. A health benefit plan must provide coverage for screening for and diagnosis of autism spectrum disorders and for treatment of autism spectrum disorders to persons covered by the health benefit plan under the age of 18 or, if enrolled in high school, until the person reaches the age of 22.

2. Coverage provided under this section is subject to:

(a) A maximum benefit of \$36,000 per year for applied behavior analysis treatment; and

(b) Copayment, deductible and coinsurance provisions and any other general exclusion or limitation of a health benefit plan to the same extent as other medical services or prescription drugs covered by the plan.

3. A health benefit plan that offers or issues a policy of group health insurance which provides coverage for outpatient care shall not:

(a) Require an insured to pay a higher deductible, copayment or coinsurance or require a longer waiting period for coverage for outpatient care related to autism spectrum disorders than is required for other outpatient care covered by the plan; or

(b) Refuse to issue a health benefit plan or cancel a health benefit plan solely because the person applying for or covered by the plan uses or may use in the future any of the services listed in subsection 1.

4. Except as provided in subsections 1 and 2, a carrier shall not limit the number of visits an insured may make to any person, entity or group for treatment of autism spectrum disorders.

5. Treatment of autism spectrum disorders must be identified in a treatment plan and may include medically necessary habilitative or rehabilitative care, prescription care, psychiatric care, psychological care, behavior therapy or therapeutic care that is:

(a) Prescribed for a person diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist; and

(b) Provided for a person diagnosed with an autism spectrum disorder by a licensed physician, licensed psychologist, licensed behavior analyst or other provider that is supervised by the licensed physician, psychologist or behavior analyst.

↳ A carrier may request a copy of and review a treatment plan created pursuant to this subsection.

6. A health benefit plan subject to the provisions of this chapter that is delivered, issued for delivery or renewed on or after January 1, 2011, has the legal effect of including the coverage required by subsection 1, and any provision of the plan or the renewal which is in conflict with subsections 1 or 2 is void.

7. Nothing in this section shall be construed as requiring a carrier to provide reimbursement to an early intervention agency or school for services delivered through early intervention or school services.

8. *As used in this section:*

Sec. 6. NRS 695C.050 is hereby amended to read as follows:

695C.050 1. Except as otherwise provided in this chapter or in specific provisions of this title, the provisions of this title are not applicable to any health maintenance organization granted a certificate of authority under this chapter. This provision does not apply to an insurer licensed and regulated pursuant to this title except with respect to its activities as a health maintenance organization authorized and regulated pursuant to this chapter.

2. Solicitation of enrollees by a health maintenance organization granted a certificate of authority, or its representatives, must not be construed to violate any provision of law relating to solicitation or advertising by practitioners of a healing art.

3. Any health maintenance organization authorized under this chapter shall not be deemed to be practicing medicine and is exempt from the provisions of chapter 630 of NRS.

4. The provisions of NRS 695C.110, 695C.125, 695C.1691, 695C.1693, 695C.170 to 695C.200, inclusive, *and section 5 of this act*, 695C.250 and 695C.265 do not apply to a health maintenance organization that provides health care services through managed care to recipients of Medicaid under the State Plan for Medicaid or

insurance pursuant to the Children's Health Insurance Program pursuant to a contract with the Division of Health Care Financing and Policy of the Department of Health and Human Services. This subsection does not exempt a health maintenance organization from any provision of this chapter for services provided pursuant to any other contract.

5. The provisions of NRS 695C.1694, 695C.1695 and 695C.1731 apply to a health maintenance organization that provides health care services through managed care to recipients of Medicaid under the State Plan for Medicaid.

Sec. 7. NRS 695C.330 is hereby amended to read as follows:

695C.330 1. The Commissioner may suspend or revoke any certificate of authority issued to a health maintenance organization pursuant to the provisions of this chapter if he finds that any of the following conditions exist:

(a) The health maintenance organization is operating significantly in contravention of its basic organizational document, its health care plan or in a manner contrary to that described in and reasonably inferred from any other information submitted pursuant to NRS 695C.060, 695C.070 and 695C.140, unless any amendments to those submissions have been filed with and approved by the Commissioner;

(b) The health maintenance organization issues evidence of coverage or uses a schedule of charges for health care services which do not comply with the requirements of NRS 695C.1691 to 695C.200, inclusive, *and section 5 of this act*, or 695C.207;

(c) The health care plan does not furnish comprehensive health care services as provided for in NRS 695C.060;

(d) The State Board of Health certifies to the Commissioner that the health maintenance organization:

(1) Does not meet the requirements of subsection 2 of NRS 695C.080; or

(2) Is unable to fulfill its obligations to furnish health care services as required under its health care plan;

(e) The health maintenance organization is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to enrollees or prospective enrollees;

(f) The health maintenance organization has failed to put into effect a mechanism affording the enrollees an opportunity to participate in matters relating to the content of programs pursuant to NRS 695C.110;

(g) The health maintenance organization has failed to put into effect the system required by NRS 695C.260 for:

(1) Resolving complaints in a manner reasonably to dispose of valid complaints; and

(2) Conducting external reviews of final adverse determinations that comply with the provisions of NRS 695G.241 to 695G.310, inclusive;

(h) The health maintenance organization or any person on its behalf has advertised or merchandised its services in an untrue, misrepresentative, misleading, deceptive or unfair manner;

(i) The continued operation of the health maintenance organization would be hazardous to its enrollees;

(j) The health maintenance organization fails to provide the coverage required by NRS 695C.1691; or

(k) The health maintenance organization has otherwise failed to comply substantially with the provisions of this chapter.

2. A certificate of authority must be suspended or revoked only after compliance with the requirements of NRS 695C.340.

3. If the certificate of authority of a health maintenance organization is suspended, the health maintenance organization shall not, during the period of that suspension, enroll any additional groups or new individual contracts, unless those groups or persons were contracted for before the date of suspension.

4. If the certificate of authority of a health maintenance organization is revoked, the organization shall proceed, immediately following the effective date of the order of revocation, to wind up its affairs and shall conduct no further business except as may be essential to the orderly conclusion of the affairs of the organization. It shall engage in no further advertising or solicitation of any kind. The Commissioner may, by written order, permit such further operation of the organization as he may find to be in the best interest of enrollees to the end that enrollees are afforded the greatest practical opportunity to obtain continuing coverage for health care.

Sec. 8. Chapter 695G of NRS is hereby amended by adding thereto a new section to read as follows:

1. A health care plan issued by a managed care organization for group coverage must provide coverage for screening for and diagnosis of autism spectrum disorders and for treatment of autism spectrum disorders to persons covered by the health care plan under the age of 18 or, if enrolled in high school, until the person reaches the age of 22.

2. A health care plan issued by a managed care organization for individual coverage must provide an option for coverage for screening for and diagnosis of autism spectrum disorders and for treatment of autism spectrum disorders to persons covered by the

health care plan under the age of 18 or, if enrolled in high school, until the person reaches the age of 22.

3. Coverage provided under this section is subject to:

(a) A maximum benefit of \$36,000 per year for applied behavior analysis treatment; and

(b) Copayment, deductible and coinsurance provisions and any other general exclusion or limitation of a health care plan to the same extent as other medical services or prescription drugs covered by the plan.

4. A managed care organization that offers or issues a health care plan which provides coverage for outpatient care shall not:

(a) Require an insured to pay a higher deductible, copayment or coinsurance or require a longer waiting period for coverage for outpatient care related to autism spectrum disorders than is required for other outpatient care covered by the plan; or

(b) Refuse to issue a health care plan or cancel a health care plan solely because the person applying for or covered by the plan uses or may use in the future any of the services listed in subsection 1.

5. Except as provided in subsections 1, 2 and 3, a managed care organization shall not limit the number of visits an insured may make to any person, entity or group for treatment of autism spectrum disorders.

6. Treatment of autism spectrum disorders must be identified in a treatment plan and may include medically necessary habilitative or rehabilitative care, prescription care, psychiatric care, psychological care, behavior therapy or therapeutic care that is:

(a) Prescribed for a person diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist; and

(b) Provided for a person diagnosed with an autism spectrum disorder by a licensed physician, licensed psychologist, licensed behavior analyst or other provider that is supervised by the licensed physician, psychologist or behavior analyst.

↳ A managed care organization may request a copy of and review a treatment plan created pursuant to this subsection.

7. An evidence of coverage subject to the provisions of this chapter that is delivered, issued for delivery or renewed on or after January 1, 2011, has the legal effect of including the coverage required by subsection 1, and any provision of the evidence of coverage or the renewal which is in conflict with subsections 1 or 3 is void.

8. *Nothing in this section shall be construed as requiring a managed care organization to provide reimbursement to an early intervention agency or school for services delivered through early intervention or school services.*

9. *As used in this section:*

(a) *“Applied behavior analysis” means the design, implementation and evaluation of environmental modifications using behavioral stimuli and consequences to produce socially significant improvement in human behavior, including, without limitation, the use of direct observation, measurement and functional analysis of the relations between environment and behavior.*

(b) *“Autism spectrum disorders” means a neurobiological medical condition including, without limitation, autistic disorder, Asperger’s Disorder and Pervasive Developmental Disorder Not Otherwise Specified.*

(c) *“Behavioral therapy” means any interactive therapy derived from evidence-based research, including, without limitation, discrete trial training, early intensive behavioral intervention, intensive intervention programs, pivotal response training and verbal behavior provided by a licensed psychologist, licensed behavior analyst, licensed assistant behavior analyst or certified autism behavior interventionist.*

(d) *“Certified autism behavior interventionist” means a person who is certified as an autism behavior interventionist by the Board of Psychological Examiners and who provides behavior therapy under the supervision of:*

- (1) *A licensed psychologist;*
- (2) *A licensed behavior analyst; or*
- (3) *A licensed assistant behavior analyst.*

695G.090 1. Except as otherwise provided in subsection 3, the provisions of this chapter apply to each organization and insurer that operates as a managed care organization and may include, without limitation, an insurer that issues a policy of health insurance, an insurer that issues a policy of individual or group health insurance, a carrier serving small employers, a fraternal benefit society, a hospital or medical service corporation and a health maintenance organization.

2. In addition to the provisions of this chapter, each managed care organization shall comply with:

(a) The provisions of chapter 686A of NRS, including all obligations and remedies set forth therein; and

(b) Any other applicable provision of this title.

3. The provisions of NRS 695G.164, 695G.200 to 695G.230, inclusive, ~~and~~ 695G.430 *and section 8 of this act* do not apply to a managed care organization that provides health care services to recipients of Medicaid under the State Plan for Medicaid or insurance pursuant to the Children's Health Insurance Program pursuant to a contract with the Division of Health Care Financing and Policy of the Department of Health and Human Services. This subsection does not exempt a managed care organization from any provision of this chapter for services provided pursuant to any other contract.

Sec. 9. (Deleted by amendment.)

Sec. 9.5. Chapter 287 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada that provides health insurance through a plan of self-insurance must provide coverage for screening for and diagnosis of autism spectrum disorders and for treatment of autism spectrum disorders to persons covered by the plan of self-insurance under the age of 18 or, if enrolled in high school, until the person reaches the age of 22.

2. Coverage provided under this section is subject to:

(a) A maximum benefit of \$36,000 per year for applied behavior analysis treatment; and

(b) Copayment, deductible and coinsurance provisions and any other general exclusion or limitation of a plan of self-insurance to the same extent as other medical services or prescription drugs covered by the policy.

3. A governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada that provides health insurance through a plan of self-insurance which provides coverage for outpatient care shall not:

(a) Require an insured to pay a higher deductible, copayment or coinsurance or require a longer waiting period for coverage for outpatient care related to autism spectrum disorders than is required for other outpatient care covered by the plan of self-insurance; or

(b) Refuse to issue a plan of self-insurance or cancel a plan of self-insurance solely because the person applying for or covered by the plan of self-insurance uses or may use in the future any of the services listed in subsection 1.

4. Except as provided in subsections 1 and 2, a governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada that provides health insurance through a plan of self-insurance shall not limit the number of visits an insured may make to any person, entity or group for treatment of autism spectrum disorders.

5. Treatment of autism spectrum disorders must be identified in a treatment plan and may include medically necessary habilitative or rehabilitative care, prescription care, psychiatric care, psychological care, behavior therapy or therapeutic care that is:

(a) Prescribed for a person diagnosed with an autism spectrum disorder by a licensed physician or licensed psychologist; and

(b) Provided for a person diagnosed with an autism spectrum disorder by a licensed physician, licensed psychologist, licensed behavior analyst or other provider that is supervised by the licensed physician, psychologist or behavior analyst.

↳ A governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada that provides health insurance through a plan of self-insurance may request a copy of and review a treatment plan created pursuant to this subsection.

6. A plan of self-insurance subject to the provisions of this chapter that is delivered, issued for delivery or renewed on or after July 1, 2011, has the legal effect of including the coverage required by subsection 1, and any provision of the plan of self-insurance or the renewal which is in conflict with subsections 1 or 2 is void.

7. Nothing in this section shall be construed as requiring a governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada that provides health insurance through a plan of self-insurance to provide reimbursement to an early intervention agency or school for services delivered through early intervention or school services.

8. *As used in this section:*

(a) *“Applied behavior analysis” means the design, implementation and evaluation of environmental modifications using behavioral stimuli and consequences to produce socially significant improvement in human behavior, including, without limitation, the use of direct observation, measurement and functional analysis of the relations between environment and behavior.*
