AN ACT relating to firearms; requiring a court to transmit certain records of adjudication concerning a person's mental health to the Central Repository for Nevada Records of Criminal History for certain purposes relating to the purchase or possession of a firearm; establishing procedures for those persons to petition a court to regain certain rights relating to the purchase or possession of a firearm; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Federal law requires states to transmit to the National Instant Criminal Background  
2 Check System records of adjudication of mental illness or incompetence, involuntary  
3 admission to mental health facilities and other records which indicate a person is prohibited  
4 from purchasing a firearm. Federal law also requires states to implement a program by which  
5 a person who was previously adjudicated mentally ill or involuntarily committed can apply to  
6 have his right to possess a firearm restored and ties this requirement to certain federal funding  
7 for states under the NICS Improvement Amendments Act of 2007. (Public Law 110-180)  
8 Nevada law prohibits a person from owning or possessing a firearm if he has been adjudicated  
9 as mentally ill or has been committed to any mental health facility. (NRS 202.360)

10 **Sections 1-4 and 13** of this bill require a court to transmit to the Central Repository for  
11 Nevada Records of Criminal History a record of any court order, judgment, plea or verdict  
12 concerning the involuntary admission of a person to a mental health facility, the appointment  
13 of a guardian for a person who has a mental defect, a finding that a person is incompetent to  
14 stand trial, a verdict acquitting a person by reason of insanity or a plea of guilty but mentally  
15 ill, along with a statement that the record is being transmitted for inclusion in all appropriate  
16 databases of the National Instant Criminal Background Check System. (NRS 159.055,  
17 174.035, 175.533, 175.539, 178.425, 433A.310)

18 **Section 7** of this bill requires the Central Repository to take reasonable steps to ensure  
19 that the records transmitted to it by the court are included in each appropriate database of the  
20 National Instant Criminal Background Check System. In accordance with federal law, this

21 section also provides a procedure for a person who is the subject of such a record to petition a  
22 court to have the record removed from the National Instant Criminal Background Check  
23 System and to have his right to possess or purchase a firearm restored.

24 **Section 8** of this bill provides that the records transmitted by the court to the Central  
25 Repository are confidential, may not be used for any purpose other than for inclusion in each  
26 appropriate database of the National Instant Criminal Background Check System, and no  
27 cause of action for damages may be brought for transmission, failure to transmit, delay in  
28 transmitting or inaccuracies within such records.

29 **Section 8.5** of this bill authorizes a person who is or believes he is the subject of a record  
30 of mental health held by the Central Repository to inspect and correct such records. This  
31 section, which is modeled after NRS 179A.150, also requires the Central Repository and the  
32 Director of the Department of Public Safety to adopt certain regulations relating to the  
33 inspection and correction of such records.

34 **Section 11.5** of this bill requires a court, when appointing a general guardian, to  
35 determine whether a proposed ward is a person with a mental defect who is prohibited from  
36 possessing a firearm pursuant to federal law.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 174.035 is hereby amended to read as follows:

2 174.035 1. A defendant may plead not guilty, guilty, guilty but mentally ill  
3 or, with the consent of the court, nolo contendere. The court may refuse to accept a  
4 plea of guilty or guilty but mentally ill.

5 2. If a plea of guilty or guilty but mentally ill is made in a written plea  
6 agreement, the agreement must be in substantially the form prescribed in NRS  
7 174.063. If a plea of guilty or guilty but mentally ill is made orally, the court shall  
8 not accept such a plea or a plea of nolo contendere without first addressing the  
9 defendant personally and determining that the plea is made voluntarily with  
10 understanding of the nature of the charge and consequences of the plea.

11 3. With the consent of the court and the district attorney, a defendant may  
12 enter a conditional plea of guilty, guilty but mentally ill or nolo contendere,  
13 reserving in writing the right, on appeal from the judgment, to a review of the  
14 adverse determination of any specified pretrial motion. A defendant who prevails  
15 on appeal must be allowed to withdraw the plea.

16 4. A plea of guilty but mentally ill must be entered not less than 21 days  
17 before the date set for trial. A defendant who has entered a plea of guilty but  
18 mentally ill has the burden of establishing his mental illness by a preponderance of  
19 the evidence. Except as otherwise provided by specific statute, a defendant who  
20 enters such a plea is subject to the same criminal, civil and administrative penalties  
21 and procedures as a defendant who pleads guilty.

22 5. The defendant may, in the alternative or in addition to any one of the pleas  
23 permitted by subsection 1, plead not guilty by reason of insanity. A plea of not  
24 guilty by reason of insanity must be entered not less than 21 days before the date set  
25 for trial. A defendant who has not so pleaded may offer the defense of insanity  
26 during trial upon good cause shown. Under such a plea or defense, the burden of  
27 proof is upon the defendant to establish by a preponderance of the evidence that:

28 (a) Due to a disease or defect of the mind, he was in a delusional state at the  
29 time of the alleged offense; and

30 (b) Due to the delusional state, he either did not:

31 (1) Know or understand the nature and capacity of his act; or

32 (2) Appreciate that his conduct was wrong, meaning not authorized by law.

1 6. If a defendant refuses to plead or if the court refuses to accept a plea of  
2 guilty or guilty but mentally ill or if a defendant corporation fails to appear, the  
3 court shall enter a plea of not guilty.

4 7. A defendant may not enter a plea of guilty or guilty but mentally ill  
5 pursuant to a plea bargain for an offense punishable as a felony for which:

6 (a) Probation is not allowed; or

7 (b) The maximum prison sentence is more than 10 years,

8 unless the plea bargain is set forth in writing and signed by the defendant, the  
9 defendant's attorney, if he is represented by counsel, and the prosecuting attorney.

10 8. *If the court accepts a plea of guilty but mentally ill pursuant to this*  
11 *section, the court shall cause, on a form prescribed by the Department of Public*  
12 *Safety, a record of that plea to be transmitted to the Central Repository for*

21 **Sec. 2.** NRS 175.533 is hereby amended to read as follows:

22 175.533 1. During a trial, upon a plea of not guilty by reason of insanity, the  
23 trier of fact may find the defendant guilty but mentally ill if the trier of fact finds all  
24 of the following:

25 (a) The defendant is guilty beyond a reasonable doubt of an offense;

26 (b) The defendant has established by a preponderance of the evidence that due  
27 to a disease or defect of the mind, he was mentally ill at the time of the commission  
28 of the offense; and

29 (c) The defendant has not established by a preponderance of the evidence that  
30 he is not guilty by reason of insanity pursuant to subsection 5 of NRS 174.035.

32 guilty but mentally ill is subject to the same criminal, civil and administrative

48 pending the judicial determination pursuant to subsection 2 has the same effect as if  
49 he were regularly adjudged insane, and the judge must:

50 (a) Order a peace officer to take the person into protective custody and  
51 transport him to a forensic facility for detention pending a hearing to determine his  
52 mental health;

1 (b) Order the examination of the person by two psychiatrists, two
