

CHAPTER.....

AN ACT relating to crimes; establishing procedures for identifying certain funds associated with prepaid or stored value cards; authorizing certain contracts to carry out the provisions relating to the identification of such funds; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

This bill establishes procedures to allow law enforcement to identify funds associated with prepaid or stored value cards. This bill allows a peace officer to determine the name, personal information and amount of funds associated with a prepaid or stored value card in certain circumstances where there is probable cause to believe that the prepaid or stored value card is an instrumentality of a crime. Finally, this bill allows the Attorney General or a state or local law enforcement agency to enter into a contract to carry out the provisions of this bill concerning the identification of funds.
