

THE TWENTY-FIFTH DAY

CARSON CITY (Thursday), February 26, 2009

Assembly called to order at 11:09 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblywoman Leslie, who was excused.

Prayer by the Chaplain, Pastor Ron Torkelsen.

Dear God, in the Bible a promise is given that You are able to do immeasurably more than all we ask or imagine, according to Your power that is at work within us. As we look and listen at our surroundings we can see an incredible task before us. The people of Nevada are fearful of the future, job loss, home foreclosure, and their children's well being. These neighbors of ours are looking to this Assembly with hope that the government may be able to help stem the pain and worry of these circumstances. And yet, this is no simple task. Therefore, I pray for these men and women again today. I pray that their insight, wisdom, and compassion will be part of the solution to the pain, hurt, and hopelessness of so many they represent.

The task may not be simple but then your promise is to do more than we can possibly imagine. May your wisdom be ours. I pray that the decisions made here today will be those You can bless tomorrow.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Remarks by Assemblyman Ohrenschall.

Assemblyman Ocegüera requested that the following remarks be entered in the Journal.

ASSEMBLYMAN OHRENSCHALL:

Thank you, Madam Speaker. In January of 2008, I was deeply saddened when I learned Eugene Toby Hoban had passed away. He was one of my most beloved constituents, and one of the most beloved constituents of the predecessor in my seat, my mother, who represented District 12. It was always a treat when we got to visit with the Hoban family. I remember visiting with Toby in the living room, sitting in his big armchair, the King of the Hoban clan. He is someone who built and managed apartments, which was affordable housing in downtown Las Vegas. He helped a lot of people throughout his life, not just his family. He was integral in all our efforts to try and preserve the Huntridge neighborhood that we all grew up in. His son, Bob, is sitting with me today. He is very active with the city and serves on a couple of different boards, trying to improve things in the area that we grew up in. It is hard to know exactly what to say when you lose someone like that. He was a great father, a great husband, and a great pioneer for the city.

Resolution adopted.

Assemblyman Ohrenschall moved that all rules be suspended and that Assembly Concurrent Resolution No. 10 be immediately transmitted to the Senate.

Motion carried.

Madam Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.
