

CHAPTER.....

AN ACT relating to pets; reducing the amount of real property required for the operation of a pet cemetery; revising provisions governing crematories for pets; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 2 of this bill authorizes the governing body of a county, city or town to adopt ordinances for the maintenance and operation of a crematory for pets. **Section 3** of this bill reduces the amount of real property required to have a pet cemetery from 5 acres to 2.5 acres. **Section 4** of this bill removes the requirement that a crematory for pets must be operated by a person who is a cemetery authority, who has a certificate of authority and who operates the crematory on the property of a pet cemetery. Instead, **section 4** requires a crematory for pets which is independent of a cemetery for pets to have an area of a facility that is designated only for the cremation of pets and which complies with any applicable laws. **Section 5** of the bill allows the operator of a crematory for pets to dispose of the remains of a pet which have been left with the crematory when arrangements have not been made within 7 days.
