Legislative Counsel’s Digest:

Existing law provides for a safe and respectful learning environment in public schools, which includes, without limitation, a prohibition on bullying, cyber-bullying, harassment and intimidation in public schools, the provision of training to school personnel and the reporting of incidents of bullying, cyber-bullying, harassment and intimidation in public schools. (NRS 388.121-388.139) This bill makes various revisions to those provisions and is modeled after the “Anti-Bullying Bill of Rights Act” enacted by the State of New Jersey on January 5, 2011. (2010 N.J. Laws 122)

Sections 1-3 of this bill revise the components of the annual reports of accountability prepared by the State Board of Education and the boards of trustees of school districts to include reports on incidents of bullying, cyber-bullying, harassment and intimidation.

Section 7 of this bill requires the Department of Education to develop an informational pamphlet to assist pupils and the parents or legal guardians of pupils in resolving incidents of bullying, cyber-bullying, harassment and intimidation.

Section 8 of this bill requires the Department to establish a program of training on the prevention of bullying, cyber-bullying, harassment and intimidation for: (1) members of the State Board; (2) members of the boards of trustees of school districts; and (3) persons who are appointed as anti-bullying school district coordinators and anti-bullying school specialists. Section 8 also requires: (1) each member of the State Board and each member of a board of trustees to complete the training program within 1 year after the member is elected or appointed; and (2) each anti-bullying school district coordinator and anti-bullying school specialist to complete the program before the commencement of his or her duties in that position.

Section 9 of this bill creates the Bullying Prevention Fund in the State General Fund to be administered by the Superintendent of Public Instruction. Section 9 also authorizes school districts to apply to the State Board for a grant of money from the Fund, which must be used to establish programs, provide training and implement procedures that create a school environment which is free from bullying, cyber-bullying, harassment and intimidation.

Section 10 of this bill requires the board of trustees of each school district to appoint an employee of the school district to serve as the anti-bullying school district coordinator and prescribes the duties of the coordinator.

Sections 11 and 12 of this bill require the principal of each public school to appoint an anti-bullying school specialist and a school safety team and prescribes their qualifications and duties.

Section 13 of this bill requires the principal of each public school to submit to the board of trustees of the school district a report on the number of incidents of bullying, cyber-bullying, harassment and intimidation occurring at the school or involving a pupil enrolled at the school during the previous school semester.
Section 13 also requires the board of trustees to submit to the Department a compilation of the reports. Section 13 further requires the Department to assign a grade to each school district and each public school based upon the report.

Section 14 of this bill requires a teacher or other staff member of a school who witnesses a violation of the prohibition on bullying, cyber-bullying, harassment and intimidation occurring at the school or who receives information of such a violation, to report the violation to the principal. Section 14 also requires the principal to initiate an investigation of the reported violation, which must be conducted by the anti-bullying school specialist and to submit a report of his or her recommendations to the superintendent of schools of the school district. A parent or legal guardian of a pupil involved in the reported violation may appeal the decision of the superintendent of schools to the board of trustees of the school district.

Sections 15 and 16 of this bill authorize a parent or legal guardian of a pupil involved in a reported violation of an incident of bullying, cyber-bullying, harassment or intimidation to appeal a decision of the board of trustees of a school district to the State Board.

Section 17 of this bill requires the board of trustees of each school district, in conjunction with the school police officers of the school district, if any, and the local law enforcement agencies that have jurisdiction over the school district, to establish a policy for the procedures which must be followed by an employee of the school district when reporting a violation of the prohibition of bullying, cyber-bullying, harassment and intimidation to a school police officer or local law enforcement agency.

Section 27 of this bill requires applicants for a license to teach and licensed teachers to complete a course in the prevention of bullying, cyber-bullying, harassment or intimidation in schools.

Section 28 of this bill revises the grounds for which a teacher or administrator may be demoted, suspended, dismissed or not reemployed to include an intentional failure to report a violation of the prohibition of bullying, cyber-bullying, harassment and intimidation. Section 28 also provides that a principal may be demoted, suspended, dismissed or not reemployed for intentional failure to initiate or conduct an investigation into a reported incident of bullying, cyber-bullying, harassment or intimidation or failure to take appropriate action if he or she should have known of the violation.

Section 30 of this bill encourages the private schools of this State to adopt policies and programs consistent with the provisions governing a safe and respectful learning environment in public schools to prevent bullying, cyber-bullying, harassment or intimidation in private schools.

Section 31 of this bill authorizes the Board of Regents of the University of Nevada to adopt a policy to provide a safe and respectful learning environment that is free from bullying, cyber-bullying, harassment and intimidation in a university, state college or community college within the Nevada System of Higher Education.

Existing law sets forth certain days of observance in this State to commemorate certain persons or occasions or to publicize information regarding certain important topics. (Chapter 236 of NRS) Section 32 of this bill requires the Governor to annually proclaim the first week in October to be “Week of Respect.”
