AN ACT relating to local governments; eliminating binding fact-finding in negotiations between local governments and employee organizations; authorizing the governing body of a local government employer to impose employment conditions on certain employee organizations with which it has been negotiating under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, if the parties to a collective bargaining dispute between a local government and an employee organization, other than an employee organization that represents teachers and educational support personnel, cannot resolve their dispute through mediation and arbitration, they may submit their dispute to a neutral fact finder, and they may agree to make the findings and recommendations of the fact finder final and binding on the parties. (NRS 288.200) Sections 1, 2 and 4 of this bill remove from the negotiation process the option of final and binding fact-finding for disputes between local government employers and employee organizations that represent local government employees other than police officers and firefighters. Instead, if the parties do not reach an agreement after receiving a report from a fact finder providing findings and recommendations, the governing body of the local government employer may, at a public hearing, impose the economic conditions of their most recent offer. Such an imposition is final and binding on the parties and is effective only for the following fiscal year. In the case of police officers and firefighters, section 3 of this bill removes the option of binding fact-finding. Instead, if a local government employer and an employee organization representing police officers or firefighters do not reach an agreement after fact-finding, the parties still submit the dispute to binding arbitration.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 288.045 is hereby amended to read as follows:

288.045 “Fact-finding” means the formal procedure by which an investigation of a labor dispute is conducted by one person, a panel or a board at which:

1. Evidence is presented; and
2. A written report is issued by the fact finder describing the issues involved and setting forth recommendations for settlement, which may or may not be binding as provided in NRS 288.200.

Sec. 2. NRS 288.200 is hereby amended to read as follows:

288.200 Except in cases to which NRS 288.205 and 288.215, or NRS 288.217 apply:

1. If:
   (a) The parties have failed to reach an agreement after at least six meetings of negotiations; and
   (b) The parties have participated in mediation and by April 1, have not reached agreement,
   either party to the dispute, at any time after April 1, may submit the dispute to an impartial fact finder for the findings and recommendations of the fact finder. The findings and recommendations of the fact finder are not binding on the parties, except as provided in subsections 5, 6 and 11. The mediator of a dispute may also be chosen by the parties to serve as the fact finder.

2. If the parties are unable to agree on an impartial fact finder or a panel of neutral arbitrators within 5 days, either party may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a list of seven potential fact finders. If the parties are unable to agree upon which arbitration service should be used, the Federal Mediation and Conciliation Service must be used. Within 5 days after receiving a list from the applicable arbitration service, the parties shall select their fact finder from this list by alternately striking one name until the name of only one fact finder remains, who will be the fact finder to hear the dispute in question. The employee organization shall strike the first name.

3. The local government employer and employee organization each shall pay one-half of the cost of fact-finding. Each party shall pay its own costs of preparation and presentation of its case in fact-finding.

4. A schedule of dates and times for the hearing must be established within 10 days after the selection of the fact finder pursuant to subsection 2, and the fact finder shall report the findings
and recommendations of the fact finder to the parties to the dispute within 30 days after the conclusion of the fact-finding hearing.

5. The parties to the dispute may agree, before the submission of the dispute to fact-finding, to make the findings and recommendations on all or any specified issues final and binding on the parties.

6. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the formation of a panel to determine whether the findings and recommendations of a fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 11 are to be final and binding. The determination must be made upon the concurrence of at least two members of the panel and not later than the date which is 30 days after the date on which the matter is submitted to the panel, unless that date is extended by the Commissioner of the Board. Each panel shall, when making its determination, consider whether the parties have bargained in good faith and whether it believes the parties can resolve any remaining issues. Any panel may also consider the actions taken by the parties in response to any previous fact-finding between these parties, the best interests of the State and all its citizens, the potential fiscal effect both within and outside the political subdivision, and any danger to the safety of the people of the State or a political subdivision.

7. Except as otherwise provided in subsection 10, any fact finder shall base such recommendations or award on the following criteria:

(a) A preliminary determination must be made as to the financial ability of the local government employer based on all existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

(b) Once the fact finder has determined in accordance with paragraph (a) that there is a current financial ability to grant monetary benefits, and subject to the provisions of paragraph (c), the fact finder shall consider, to the extent appropriate, compensation of other government employees, both in and out of the State and use normal criteria for interest disputes regarding the terms and provisions to be included in an agreement in assessing the reasonableness of the position of each party as to each issue in dispute and the fact finder shall consider whether the Board found that either party had bargained in bad faith.
(c) A consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multiyear contract, the fact finder must consider the ability to pay over the life of the contract being negotiated or arbitrated.

- The fact finder’s report must contain the facts upon which the fact finder based the fact finder’s determination of financial ability to grant monetary benefits and the fact finder’s recommendations or award.

6. Within 45 days after the receipt of the report from the fact finder, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
   (a) The issues of the parties submitted pursuant to subsection 3;
   (b) The report of findings and recommendations of the fact finder; and
   (c) The overall fiscal impact of the findings and recommendations, which must not include a discussion of the details of the report.

- The fact finder must not be asked to discuss the decision during the meeting.

7. The chief executive officer of the local government shall report to the local government the fiscal impact of the findings and recommendations. The report must include, without limitation, an analysis of the impact of the findings and recommendations on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

8. If the parties have failed to reach an agreement by the date of the meeting held pursuant to subsection 6, at that meeting, or at a subsequent public meeting held in accordance with the provisions of chapter 241 of NRS, the governing body of the local government employer may impose the economic provisions of the most recent offer of the local government employer.

9. The terms imposed pursuant to subsection 8 are:
   (a) Final and binding on the parties; and
   (b) Effective only for the succeeding fiscal year.

10. Any sum of money which is maintained in a fund whose balance is required by law to be:
    (a) Used only for a specific purpose other than the payment of compensation to the bargaining unit affected; or
    (b) Carried forward to the succeeding fiscal year in any designated amount, to the extent of that amount,

- must not be counted in determining the financial ability of a local government employer and must not be used to pay any monetary benefits recommended [or awarded] by the fact finder.
11. The issues which may be included in a panel’s order pursuant to subsection 6 are:

— (a) Those enumerated in subsection 2 of NRS 288.150 as the subjects of mandatory bargaining, unless precluded for that year by an existing collective bargaining agreement between the parties; and
— (b) Those which an existing collective bargaining agreement between the parties makes subject to negotiation in that year.

This subsection does not preclude the voluntary submission of other issues by the parties pursuant to subsection 5.

Sec. 3. NRS 288.215 is hereby amended to read as follows:

288.215 1. As used in this section:

(a) “Firefighters” means those persons who are salaried employees of a fire prevention or suppression unit organized by a political subdivision of the State and whose principal duties are controlling and extinguishing fires.

(b) “Police officers” means those persons who are salaried employees of a police department or other law enforcement agency organized by a political subdivision of the State and whose principal duties are to enforce the law.

2. The provisions of this section apply only to firefighters and police officers and their local government employers.

3. If the parties have not agreed to make the findings and recommendations of the fact finder final and binding upon all issues, and do not otherwise resolve their dispute, they shall, within 10 days after the fact finder’s report is submitted, submit the issues remaining in dispute to an arbitrator who must be selected in the manner provided in NRS 288.200 and have the same powers provided for fact finders in NRS 288.210.

4. The arbitrator shall, within 10 days after the arbitrator is selected, and after 7 days’ written notice is given to the parties, hold a hearing to receive information concerning the dispute. The hearings must be held in the county in which the local government employer is located and the arbitrator shall arrange for a full and complete record of the hearings.

5. At the hearing, or at any subsequent time to which the hearing may be adjourned, information may be presented by:

(a) The parties to the dispute; or
(b) Any interested person.

6. The parties to the dispute shall each pay one-half of the costs incurred by the arbitrator.

7. A determination of the financial ability of a local government employer must be based on:

(a) All existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government
employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

(b) Consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multi-year contract the arbitrator must consider the ability to pay over the life of the contract being negotiated or arbitrated.

Once the arbitrator has determined in accordance with this subsection that there is a current financial ability to grant monetary benefits, the arbitrator shall consider, to the extent appropriate, compensation of other governmental employees, both in and out of this State.

8. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearings for a period of 3 weeks. An agreement by the parties is final and binding, and upon notification to the arbitrator, the arbitration terminates.

9. If the parties do not enter into negotiations or do not agree within 30 days, each of the parties shall submit a single written statement containing its final offer for each of the unresolved issues.

10. The arbitrator shall, within 10 days after the final offers are submitted, accept one of the written statements, on the basis of the criteria provided in NRS 288.200, and shall report the decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last contract.

11. The decision of the arbitrator must include a statement:
   (a) Giving the arbitrator’s reason for accepting the final offer that is the basis of the arbitrator’s award; and
   (b) Specifying the arbitrator’s estimate of the total cost of the award.

12. Within 45 days after the receipt of the decision from the arbitrator pursuant to subsection 10, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:
   (a) The issues submitted pursuant to subsection 3;
   (b) The statement of the arbitrator pursuant to subsection 11;
   (c) The overall fiscal impact of the decision, which must not include a discussion of the details of the decision.

The arbitrator must not be asked to discuss the decision during the meeting.

13. The chief executive officer of the local government shall report to the local government the fiscal impact of the decision.
report must include, without limitation, an analysis of the impact of
the decision on compensation and reimbursement, funding, benefits,
hours, working conditions or other terms and conditions of
employment.
