REMARKS FROM THE FLOOR

Assemblyman Conklin moved that the following budget closure remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN BOBZIEN:

The Ways and Means Committee Meeting Jointly has reviewed the following budgets for the Office of the Attorney General. The closings decrease General Fund appropriations for the Office of the Attorney General (AG) by \$1,064,245 in FY 2012 and \$1,091,519 in FY 2013.

Administrative Fund (101-1030) ELECTED-60:

The Committee approved the Governor's recommendation to eliminate two Deputy Attorney General positions, one Legal Secretary, and one Computer Forensic Examiner as a budget reduction measure, providing a General Fund savings of \$349,351 and reduced assessments of \$399,942, over the 2011-13 biennium.

The Committee also approved the Governor's recommendation to move 42 unclassified law enforcement Investigator positions within the AG to classified state service effective July 1, 2011, providing a net General Fund savings of approximately \$23,000 over the 2011-13 biennium. The 42 law enforcement positions are included in the Administrative Fund (12), Workers' Compensation Fraud account (17), Medicaid Fraud account (8), and Consumer Advocate account (5).

Additionally, the Committee approved the Governor's budget amendments to revise The Executive Budget for the allocated share of costs represented in the AG Cost Allocation Plan, which inadvertently eliminated the non-General Fund share of the AG Cost Allocation Plan within the AG's Office. As a result, the General Fund in this account was overstated by approximately \$1.2 million in each year of the 2011-13 biennium, and the Charges for Services revenue was understated by the same amounts. The AG accounts adjusted include, Workers' Compensation Fraud, Medicaid Fraud, Consumer Advocate, Council for Prosecuting Attorneys, Victims of Domestic Violence, and Tort Claim Fund. The remainder of the account was closed as recommended by the Governor.

Special Fund (101-1031) ELECTED-68:

The Committee approved the addition of General Funds of \$100,000 in each year of the 2011-13 biennium to support costs for the continued pending litigation related to Yucca Mountain. The remainder of the account was closed as recommended by the Governor.

Medicaid Fraud (101-1037) ELECTED-82:

The Committee approved the Governor's budget amendment to transfer the federal grant funds for the Senior Medicare Patrol program, including two positions and the associated program and operating costs, to the Division of Aging and Disability Services Federal Program and Administration account. This action will allow volunteers who provide public outreach to the senior population to maximize their resources under one agency. The remainder of the account was closed as recommended by the Governor.

Consumer Advocate (330-1038) ELECTED-88:

The Committee approved the Governor's budget amendment to transfer the federal grant funds for the Byrne Grant Mortgage Fraud program, including eight positions and the associated program and operating costs, to the AG Administrative Fund where the supervision of staff and the monitoring of mortgage fraud activity has been placed. The remainder of the account was closed as recommended by the Governor.

The following budgets were closed by the Committee as recommended by the Governor, with technical adjustments:

- **Extradition Coordinator (101-1002) ELECTED-55**
- **Workers' Compensation Fraud (101-1033) ELECTED-72**
- **Crime Prevention (101-1036) ELECTED-78**

- **Violence Against Women Grants (101-1040) ELECTED-95**
- **Council for Prosecuting Attorneys (101-1041) ELECTED-100**
- **Victims of Domestic Violence (101-1042) ELECTED-105**
- **Tort Claim Fund (715-1348) ELECTED-109**

ASSEMBLYMAN HOGAN:

The Assembly Ways and Means Committee completed its review of the budgets for the Colorado River Commission for the 2011-13 biennium and took action on the Governor's recommendations as follows:

Colorado River Commission (296-4490) COLORADO RIVER COMM-1:

The Committee approved the Governor's recommendation to eliminate three vacant unclassified positions, as the positions are not anticipated to be needed in the 2011-13 biennium. The positions include a Power Facilities Communications Technician, a Senior Power Facilities Electrician and a Natural Resources Technician. Elimination of the three positions results in a reduction of power and water administrative fees assessed totaling \$288,145 in FY 2012 and \$292,663 in FY 2013. Additionally, the Committee approved reserve funding of \$21,916 over the 2011-13 biennium, as recommended by the Governor, for replacement of office furniture, computer software and hardware and for minor equipment repair. However, in accordance with the agency's request, the Committee approved the removal of \$24,718 of reserve funding in FY 2012 for a replacement vehicle that was recommended by the Governor.

The Committee approved closing the following Colorado River Commission budget accounts as recommended by the Governor with staff authority to make technical adjustments.

- Research and Development (296-4497) COLORADO RIVER COMM-7
- Power Delivery System (502-4501) COLORADO RIVER COMM-9
- Power Marketing Fund (505-4502) COLORADO RIVER COMM-12

ASSEMBLYWOMAN MASTROLUCA:

The Committee has completed its review of the State Treasurer's Office Bond Interest and Redemption account, the Public Works Board and the Buildings and Grounds Division Mail Services accounts, and has approved the following.

Treasurer-Bond Interest and Redemption (395-1082) ELECTED-156:

The Committee approved closing the account as recommended by the Governor with approval for Fiscal staff to make technical adjustments to reduce the balance forward and reserve amounts for the 2011-13 biennium by approximately \$49.0 million in order to more closely match the reserve amount included in the *General Obligation Debt Capacity and Affordability Report-Biennium 2011-13*.

SPWD-Engineering and Planning (401-1562) ADMIN-80:

The Committee approved the Governor's recommended budget reorganization to create a new Public Works Division within the Department of Administration (DOA) that would implement the State's CIP, provide the physical building and grounds maintenance and housekeeping for state-owned buildings, and manage the Marlette Lake Water System. The reorganization would combine building design, engineering, and maintenance functions in one organization in order to construct building systems that are more efficient to maintain. In addition, the Committee approved reductions in fee revenues totaling \$4.3 million for the 2011-13 biennium by eliminating 27 positions as recommended by the Governor.

SPWD-Facility Condition and Analysis (101-1560) ADMIN-89:

The Committee approved funding six positions with fees from the State's CIP and maintaining the positions in the SPWD-Engineering and Planning account to avoid approximately \$1.3 million in General Fund costs for the 2011-13 biennium, as recommended by the Governor. For the 2011-13 biennium, the Committee approved the use of fees from the State's CIP to pay a new Division Administrator position as recommended by the Governor. The Committee also approved issuing a letter of intent instructing the Department of

Administration to cost allocate the Division Administrator's salary between the sections the position oversees in the 2013-15 biennium budget.

SPWD-Buildings and Grounds (710-1349) ADMIN-95:

As part of the Governor's recommended budget reorganization to create a new Public Works Division within the Department of Administration, the Committee approved reclassifying the Buildings and Grounds Division Administrator position to an unclassified Deputy Administrator. Due to the nature of the Chief Engineer's duties, the Committee approved moving the Chief Engineer position from the classified to the unclassified service for increased costs totaling \$9,485 in the 2011-13 biennium. As a part of the Governor's recommended consolidation and reorganization of various administrative divisions and departments within the Department of Administration, the Committee approved the transfer of a Program Officer I to the Department of Administration, Administrative Services account, and funding for tenant improvements and insurance costs contingent upon the closing actions for the various administrative divisions and departments. The Committee approved \$239,008 for deferred maintenance projects in the 2011-13 biennium, as recommended by the Governor.

SPWD-Marlette Lake (712-1366) ADMIN-105:

The Committee approved reassigning responsibility for oversight of the Marlette Lake Water System from the Buildings and Grounds Division to the Public Works Division.

NSLA-Mail Services (713-1346) ADMIN-221:

The Committee approved authority for Fiscal staff to make technical adjustments to decision units recommended by the Governor that would transfer oversight of the State's mail services operation to the Nevada State Libraries and Archives Division based upon the action taken on Senate Bill 427, which provides for the transfer of the oversight responsibilities for the State's mail service operations.

NSLA-Mail Services Equipment (713-1347) ADMIN-227:

The Committee approved closing the account as recommended by the Governor.

Amendment adopted.

Assembly Bill No. 566.

Bill read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 609.

AN ACT relating to elections; revising the legislative districts from which the members of the Senate and Assembly are elected; revising the districts from which Representatives in the Congress of the United States are elected; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 5 of Article 4 of the Nevada Constitution provides that it is the mandatory duty of the Legislature at its first session after the taking of the decennial census, to: (1) fix by law the number of Senators and the number of members of the Assembly; (2) determine the boundaries of the legislative districts; and (3) apportion the number of the members of the Senate and Assembly in each district. Section 13 of Article 1 of the Nevada Constitution provides that representation shall be apportioned according to population. Finally, Section 13 of Article 15 of the Nevada Constitution requires that the decennial census serve as the basis of representation in both Houses of the Legislature.

~~Sections [4-45]~~ **54-118** of this bill revise the boundaries of the **21 Senate Districts and the** 42 Assembly Districts by designating the blocks, block groups and census tracts that comprise each of those districts based upon the data from the Twenty-third United States Census, known as Census 2010. ~~[Section 1 of this bill establishes the boundaries of the 21 Senate Districts by designating the two Assembly Districts that comprise each Senate District.]~~

Section 2 of Article I of the United States Constitution provides that congressional representatives must be apportioned among the several states according to population. The apportionment of the number of congressional representatives is based upon the decennial census. Currently, Nevada is apportioned three congressional representatives and, based upon the results of Census 2010, is apportioned a fourth congressional representative. **Section [46] 119** of this bill describes the boundaries of the new fourth congressional district by designating the blocks, block groups and census tracts that comprise the fourth congressional district. ~~Sections [50-52]~~ **123-125** of this bill revise the boundaries of the existing three congressional districts by designating the blocks, block groups and census tracts that comprise each of those congressional districts.

Section [54] 127 of this bill provides that the 11 Senators who were elected on November 2, 2010, shall serve out the term of office for which they were elected by representing the district to which they were elected through November 6, 2012, and representing the corresponding new Senate District established by ~~section 1~~ **sections 54-74** of this bill from November 7, 2012, until the expiration of their current term of office.

Under existing law, a person shall not use the term “reelect” in any material, statement or publication supporting the election of a candidate unless the candidate: (1) was elected to the identical office with the same district number in the most recent election to fill that office; and (2) is serving and has served continuously in that office from the beginning of the term to which the candidate was elected. (NRS 294A.330) **Section ~~128~~ 128** of this bill provides that notwithstanding this prohibition on the use of the term “reelect,” each Senator who was elected on November 4, 2008, and serves continuously in that office may use the term “reelect” in the 2012 General Election when running for the Senate from the same new corresponding Senate District if he or she is otherwise qualified for election to that office. **Section ~~128~~ 128** also provides that the members of the Assembly who currently represent Assembly Districts 38 and 39 which were renumbered as a result of this bill as Assembly Districts 35 and 38, respectively, may use the term “reelect” in the 2012 General Election if those members run for election to Assembly Districts 35 and 38, respectively, and are qualified for election in those Districts. Because a majority of existing Assembly District 35 was reapportioned into new Assembly Districts 33 and 38, with a significant part apportioned to new Assembly District 33, **section ~~128~~ 128** also authorizes the members of the Assembly who currently represent Assembly Districts 33 and 35, respectively, to use the term “reelect” in the 2012 General Election if those members run for election to Assembly District 33, and are qualified for election in that District.

Section ~~129~~ 129 of this bill provides that at the general election in 2012, one member of the Senate must be elected to a term of 4 years to the open seat in the newly created Senate District 15.

Section ~~131~~ 131 of this bill provides that **sections ~~119-125~~ 54-118** of this bill, which revise the boundaries of the Assembly and Senate Districts, become effective on January 1, 2012, for the purpose of filing for office and for nominating and electing members of the newly revised Senate and Assembly Districts, and for all other purposes on November 7, 2012, the day after the 2012 General Election and the first day of the new terms. **Section ~~131~~ 131** also provides that **sections ~~119-125~~ 119-125** of this bill, which revise the boundaries of the Congressional Districts, become effective on January 1, 2012, for the purpose of filing for office and for nominating and electing the members of the newly revised Congressional Districts, and for all other purposes on January 3, 2013, when the members of the United States House of Representatives take office.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

GENERAL FILE AND THIRD READING

Assembly Bill No. 566.

Bill read third time.

Remarks by Assemblyman Segerblom.

Assemblyman Conklin moved that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN SEGERBLOM:

Assembly Bill 566 revises the districts for election of members to the Nevada Senate and Assembly and representatives to the United States House of Representatives. The measure retains a 21-member Senate. The ideal population for each Senate district is 128,598. The overall range of population deviation is 0.23 percent. The plan eliminates the multi-member Senate districts in Clark County and includes 15 Senate districts wholly within Clark County and 3 districts wholly within Washoe County. The remaining three districts contain parts of Clark and Washoe Counties and the rural counties.

The measure retains a 42-member Assembly. The ideal population in each Assembly district is 64,299. The overall range of population deviation is 0.49 percent. No Assembly districts are nested within Senate districts. The plan includes 30 Assembly districts wholly within Clark County and 6 districts wholly within Washoe County. The remaining six districts contain parts of Clark and Washoe Counties and the rural counties.

Based on the 2010 United States Census, Nevada has been apportioned a fourth congressional district. The ideal population in each district is 675,138. The overall range of population deviation is 0.00 percent. Two congressional districts are wholly contained in Clark County. A

third district contains a portion of Clark County and all or parts of rural counties. A fourth district contains all of Washoe County and all or parts of rural counties.

The bill provides for the use of the term *reelect* in the 2012 General Election under certain circumstances. The measure also includes a severability clause.

Today we are moving to adopt a second redistricting proposal following a veto by the Governor. The plan we offer today continues to focus on commonsense criteria that put people before politics and do what is right for all Nevadans.

The plan today has minor changes to the legislative proposal in the first plan adopted by the Legislature. Most of those changes involved reducing the population deviation in both the Senate and Assembly plan to fall below one half of 1 percent. This is the lowest number in the history of the state. Others were based on continuing conversations with community representatives and members.

The more significant changes come to the congressional plan presented. This plan continues a 0.00 percent deviation but makes two fundamental changes.

The first is that the district containing a Hispanic community of interest, defined by several community organizations and leaders during our hearings, has been geographically expanded. The original district went from the I-15 to Nellis and Sahara to Cheyenne. In this proposal, those boundaries have been expanded north of Cheyenne, east of Nellis, and south of Sahara. This expanded district for this community of interest will provide a greater ability for the Hispanic community to elect candidates of their choice.

The second change is that Congressional District 3 remains a Clark County district. Following our initial proposal, there were several points made that CD1 and CD3 had always been Clark County districts. Additionally, in our initial proposal, a sizeable rural population of approximately 70,000 people was located in a predominantly Clark County district. We have drafted the new map such that the districts always in Clark County stay in Clark County and that this new rural—Clark hybrid district be established as an open seat, with those voters having an opportunity to choose their own destiny.

This plan is fair, common sense, and will give all Nevadans, including minorities, a fair and equal opportunity to participate in the electoral process and elect candidates of their choice. I urge this body to adopt the plan.
