AN ACT relating to elections; requiring registered voters to provide
photographic identification to vote in person; requiring
county clerks to issue photographic identification under
certain circumstances; revising provisions concerning
provisional ballots; and providing other matters properly
relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires a registered voter to provide satisfactory identification to
2 vote in person. (NRS 293.2725, 293.277, 293.303, 293.3085, 293.353, 293.3585,
3 293.541, 293C.270, 293C.292, 293C.3585) **Sections 8, 9, 11, 14, 15, 17, 18, 19**
4 **and 20** of this bill require a registered voter who wishes to vote in person to
5 provide photographic identification as that term is defined in **section 2** of this bill.
6 That definition includes various forms of photographic identification that may be
7 issued by an agency of this State, the United States or a federally recognized Indian
8 tribe. The definition also includes a photographic voter identification card issued by
9 a county clerk pursuant to **section 3** of this bill and a document given by the
10 administrator of a licensed medical facility or licensed facility for the dependent to
11 a resident of the facility attesting to the person’s identity and that he or she is a
12 resident of the facility. The provisions of this bill that require photographic
13 identification, as that term is defined in **section 2**, in order to vote in person are
14 similar to the provisions of the Indiana law upheld by the United States Supreme

15 Court. (*Crawford v. Marion Cty. Election Bd.*, 128 S. Ct. 1610 (2008)) The Court
16 held that the Indiana law requiring a person to provide photographic identification
17 to vote in person did not unconstitutionally burden the person's right to vote, in part
18 because Indiana provided one of the forms of required photographic identification
19 free of charge. **Section 3** requires county clerks to issue, free of charge, a
20 photographic voter identification card to any registered voter who does not possess
21 one of the other forms of photographic identification. **Sections 4 and 5** of this bill
22 set forth the requirements for the issuance and the form of the voter identification
23 card. **Section 6** of this bill requires the Secretary of State to adopt regulations
24 concerning the voter identification cards.

25 Under existing law, a person who is not eligible to cast a regular ballot because
26 he or she fails to produce identification at the polling place may vote a provisional
27 ballot for federal offices if he or she fulfills certain requirements. (NRS 293.3081,
28 293.3082) However, the provisional ballot will not be counted unless the person
29 provides identification to the county or city clerk by 5 p.m. on the Friday following
30 the election. (NRS 293.3085) **Section 14** of this bill extends that period until 12
31 p.m. on the Monday following the election and further provides that the person's
32 provisional ballot will be counted if the person provides photographic identification
33 or executes an affidavit stating that he or she is unable to provide the photographic
34 identification because he or she is indigent or has a religious objection to being
35 photographed.

12 has voted before at the same election. A registered voter who
13 initiates a challenge pursuant to this paragraph must submit an
14 affirmation that is signed under penalty of perjury and in the form
15 prescribed by the Secretary of State stating that the challenge is
16 based on the personal knowledge of the registered voter.

21 until he or she furnishes satisfactory identification which contains
22 proof of the address at which the person actually resides. For the
