

Assembly Bill No. 260–Assemblymen Elliot Anderson
and Bustamante Adams

Joint Sponsor: Senator Spearman

CHAPTER.....

AN ACT relating to the Nevada System of Higher Education; clarifying provisions governing tuition charges assessed against certain students; revising provisions relating to exemptions from tuition charges for veterans of the Armed Forces of the United States who were honorably discharged; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Board of Regents of the University of Nevada to assess tuition charges against students who are not residents of Nevada at all campuses of the Nevada System of Higher Education. The tuition charges are in addition to registration fees and other fees assessed against students who are residents of Nevada. Existing law also provides that tuition must be free for certain students and veterans. (NRS 396.540) This bill clarifies the statutory provisions governing the assessment of tuition charges. Additionally, this bill revises the group of veterans against whom tuition charges must not be assessed by: (1) removing the requirement that such veterans were, at some point, on active duty while stationed at a military installation in the State of Nevada or a military installation in another state which has a specific nexus to this State; and (2) requiring that such veterans were honorably discharged within the 2 years immediately preceding the date of matriculation of the veteran at a university, state college or community college within the System. However, this bill authorizes the Board of Regents to grant more favorable exemptions from tuition charges for veterans who were honorably discharged if required for the receipt of federal money.
