Legislative Counsel’s Digest:

Existing law requires a notice of default and election to sell real property subject to a deed of trust to include an affidavit based on the personal knowledge of the affiant setting forth certain information concerning the deed of trust, the amounts due, the possession of the note secured by the deed of trust and the authority to foreclose. (NRS 107.080) **Section 1** of this bill provides that certain information provided in the affidavit may be based on: (1) the information obtained by the affiant’s review of the business records of the beneficiary of the deed of trust; and (2) the information contained in the records of the recorder of the county in which the property is located or the title guaranty or title insurance issued by a title insurer or title agent authorized to do business in this State. **Section 1** also revises the information required to be stated in the affidavit. **Section 1** further provides that the power of sale may not be exercised until the beneficiary or its successor in interest or the servicer of the obligation or debt secured by the deed of trust has instructed the trustee to exercise the power of sale. Under **sections 2 and 3** of this bill, the amendatory provisions of this bill become effective upon passage and approval and apply to a notice of default and election to sell recorded on or after the effective date of this bill.
