AN ACT relating to elections; authorizing an elector to register to vote on the day of certain elections and setting forth requirements for such registration; extending the period during which an elector can register to vote in person or by computer; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, registration for any primary, primary city, general or general city election closes on the third Tuesday before the election. Unless otherwise specified, registration for a recall or special election closes on the third Saturday before the election. After the fifth Sunday before a primary, primary city, general or general city election, a person may register to vote only by appearing in person at the office of the county or city clerk, as applicable, or other designated site for registering to vote. (NRS 293.560, 293C.527)

Sections 5 and 12 of this bill extend the period in which a person may register to vote for primary, primary city, general and general city elections until the last day of early voting for those elections, which is the Friday before the election. Sections 5 and 12 also allow a person to register to vote by computer after the fifth Sunday before the election. Additionally, sections 5 and 12 extend the period in which a person may register to vote for all elections except otherwise specified recall and special elections until the fourth day before the election. These changes take effect on January 1, 2014.

Sections 1 and 8 of this bill authorize an elector to register for a primary, primary city, general or general city election on the day of the election. Under sections 1 and 8, the county or city clerk shall, with the approval of, as applicable, the board of county commissioners or the governing body of the city, designate one or more polling places in the county or city as a site for registering to vote on election day. To register to vote, an elector must appear at such a site, complete an application to register to vote, and provide proof of identity and residence. Upon
completion of the application, the elector is deemed registered to vote and may vote
in that election only at the polling place at which he or she registered to vote. These
