AN ACT relating to public safety; requiring the Department of Motor Vehicles to establish a registry on the Internet website of the Department for the storage of and access to emergency contact information for certain persons with drivers' licenses and identification cards; requiring certain law enforcement personnel to use the registry to notify emergency contact persons designated previously by certain victims of a motor vehicle accident; providing immunity from liability for the Department and law enforcement personnel for certain acts and omissions related to the registry; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 11** of this bill requires the Department of Motor Vehicles to establish a
2 registry on its Internet website to be known as the Next-of-Kin Registry. The
3 Registry must include, in a secure portion of the Department's Internet website, an
4 account unique to each registrant in which the registrant may provide the names
5 and telephone numbers of one or two emergency contact persons. Any person may
6 register if he or she possesses a Nevada driver's license or identification card,
7 except that holders of a commercial driver's license are not included, to avoid any

8 potential conflict with federal law. The emergency contact persons listed in the
9 Registry must be at least 18 years of age, but do not have to be related to the
10 registrant, except that if the registrant is under 18 years of age and not emancipated,
11 at least one of the emergency contact persons must be a parent or legal guardian of
12 the registrant. Information in the Registry must be accessible to: (1) law
13 enforcement personnel, for the purpose of making contact on behalf of a registrant
14 who is the victim of a motor vehicle accident and who is dead, seriously injured or
15 incapacitated and unable to communicate; and (2) the registrant, for the purpose of
16 amending or deleting contact information. **Section 13** of this bill requires law
17 enforcement personnel to use the Registry when possible and as soon as is
18 practicable to make such contact. **Section 14** of this bill limits access to the
19 information in the Registry to the registrant, law enforcement personnel and the
20 Department, with certain exceptions, including others authorized by a court order.
21 **Section 15** of this bill provides that the names and telephone numbers of
22 emergency contact persons in the Registry are confidential, not public records for
23 the purposes of Nevada's Open Meeting Law, and not discoverable except upon a
24 subpoena issued in a criminal matter. **Sections 18-23** of this bill require the
25 Department, at the time of the issuance or renewal of a driver's license or
26 identification card, to give the holder of the driver's license or identification card
27 the opportunity to register the names and telephone numbers of emergency contact
28 persons in accordance with the provisions of this bill.

35 applicant, while having the permit in his or her immediate
36 possession, to drive a motor vehicle upon the highways for a period
37 of 1 year when accompanied by a licensed driver who is at least 21
38 years of age, who has had at least 1 year of licensed driving
39 experience in the type of vehicle for which the permit was issued
40 and who is actually occupying a seat beside the driver, except when
41 the permittee is occupying a motorcycle. The term "licensed driving
42 experience" as used in this subsection does not include driving
43 experience gained under an instruction permit issued pursuant to the
44 provisions of this section.

1 2. The Department may, in its discretion, issue a temporary
2 driver's permit to an applicant for a driver's license permitting the
3 applicant to drive a motor vehicle while the Department is
4 completing its investigation and determination of all facts relative to
5 the applicant's right to receive a driver's license. The permit must
6 be in the applicant's immediate possession while driving a motor
7 vehicle, and is invalid when the applicant's license has been issued
8 or for good cause has been refused.

9 3. The Department, upon receiving proper application, may, in
10 its discretion, issue a restricted instruction permit effective for a
11 school year, or for a more restricted period, to an applicant who is
12 enrolled in a drivers' education program which includes practice
13 driving and which is approved by the Department even though the
14 applicant has not reached the legal age to be eligible for a driver's
15 license. The instruction permit entitles the permittee, when the
16 permittee has the permit in his or her immediate possession, to drive
17 a motor vehicle only on a designated highway or within a designated
18 area, but only when an approved instructor is occupying a seat
19 beside the permittee.

20 ***4. At the time of issuance of a permit pursuant to this section,***
21 ***the Department shall give the holder of the permit the opportunity***
22 ***to register with the Next-of-Kin Registry in accordance with the***
23 ***provisions of sections 4 to 17, inclusive, of this act.***

24 **Sec. 21.** NRS 483.340 is hereby amended to read as follows:

44 Department of Public Safety, the director of the appropriate federal
45 agency, the Attorney General, the Secretary of State or his or her

1 designee or the Chair of the State Gaming Control Board. Such a
2 license is exempt from the fees required by NRS 483.410. The
3 Department, by regulation, shall provide for the cancellation of any
4 such driver's license upon the completion of the special
5 investigation for which it was issued.

6 4. Except as otherwise provided in NRS 239.0115, information
7 pertaining to the issuance of a driver's license pursuant to
8 subsection 3 is confidential.

9 5. It is unlawful for any person to use a driver's license issued
10 pursuant to subsection 3 for any purpose other than the special
11 investigation for which it was issued.

12 6. At the time of the issuance or renewal of the driver's license,
13 the Department shall:

14 (a) Give the holder the opportunity to have indicated on his or
15 her driver's license that the holder wishes to be a donor of all or part
16 of his or her body pursuant to NRS 451.500 to 451.598, inclusive, or

18 thereof.

19 (b) Give the holder the opportunity to have indicated whether he
20 or she wishes to donate \$1 or more to the Anatomical Gift Account
21 created by NRS 460.150.

22 (c) Provide to each holder who is interested in becoming a donor
23 information relating to anatomical gifts, including the procedure for
24 registering as a donor with the donor registry with which the
25 Department has entered into a contract pursuant to this paragraph.
26 To carry out this paragraph, the Department shall, on such terms as
27 it deems appropriate, enter into a contract with a donor registry that
28 is in compliance with the provisions of NRS 451.500 to 451.598,
29 inclusive.

30 (d) If the Department has established a program for imprinting a
31 symbol or other indicator of a medical condition on a driver's
32 license pursuant to NRS 483.3485, give the holder the opportunity
33 to have a symbol or other indicator of a medical condition imprinted
34 on his or her driver's license.

35 *(e) Give the holder the opportunity to register with the Next-of-
36 Kin Registry in accordance with the provisions of sections 4 to 17,
37 inclusive, of this act.*

38 7. If the holder wishes to make a donation to the Anatomical
39 Gift Account, the Department shall collect the donation and deposit
40 the money collected in the State Treasury for credit to the
41 Anatomical Gift Account.

42 8. The Department shall submit to the donor registry with
43 which the Department has entered into a contract pursuant to
44 paragraph (c) of subsection 6 information from the records of the
45 Department relating to persons who have drivers' licenses that

1 indicate the intention of those persons to make an anatomical gift.
2 The Department shall adopt regulations to carry out the provisions
3 of this subsection.

4 **Sec. 22.** NRS 483.490 is hereby amended to read as follows:

5 483.490 1. Except as otherwise provided in this section, after

18 ➤ Before a restricted license may be issued, the applicant must
19 submit sufficient documentary evidence to satisfy the Department
20 that a severe hardship exists because the applicant has no alternative
21 means of transportation and that the severe hardship outweighs the
22 risk to the public if the applicant is issued a restricted license.

23 2. A person who has been ordered to install a device in a motor
24 vehicle pursuant to NRS 484C.460:

25 (a) Shall install the device not later than 21 days after the date

37 felony pursuant to NRS 484C.410 or 484C.420;

39 person is not eligible for a license, if the person was convicted of a
40 violation of subsection 6 of NRS 484B.653; or

44 3. If the Department has received a copy of an order requiring a
45 person to install a device in a motor vehicle pursuant to

2 license to such a person pursuant to this section unless the applicant
3 has submitted proof of compliance with the order and subsection 2.

4 4. After a driver's license has been revoked or suspended
5 pursuant to title 5 of NRS, the Department may issue a restricted
6 driver's license to an applicant permitting the applicant to drive a

19 visit a child.

20 6. A driver who violates a condition of a restricted license
21 issued pursuant to subsection 1 or by another jurisdiction is guilty of
22 a misdemeanor and, if the license of the driver was suspended or
23 revoked for:

24 (a) A violation of NRS 484C.110, 484C.210 or 484C.430;

25 (b) A homicide resulting from driving or being in actual

37 the suspensions must run concurrently.

38 8. Whenever the Department suspends or revokes a license, the
39 period of suspension, or of ineligibility for a license after the
40 revocation, begins upon the effective date of the revocation or
