Legislative Counsel’s Digest:

1 Existing law defines “concealed firearm” as a loaded or unloaded pistol,
2 revolver or other firearm which is carried upon a person in such a manner as not to
3 be discernible by ordinary observation. (NRS 202.3653) Existing law provides that
4 a person who applies for a permit to carry a concealed firearm may submit one
5 application and obtain one permit to carry all revolvers and semiautomatic firearms
6 owned by the person. A permit must list each category of firearm to which the
7 permit pertains and is valid for any revolver or semiautomatic firearm which the
8 permittee owns or thereafter obtains. An applicant for a permit must demonstrate
9 competence with revolvers, semiautomatic firearms or both, as applicable, before
10 obtaining a permit. (NRS 202.3657) Existing law also requires a permittee who
11 wishes to renew his or her permit to demonstrate continued competence with
12 revolvers, semiautomatic firearms or both, as applicable. (NRS 202.3677)

13 **Section 1** of this bill revises the definition of “concealed firearm” and defines
14 the term as a loaded or unloaded handgun which is carried upon a person in a
15 manner as not to be discernible by ordinary observation. **Section 2** of this bill
16 provides that a person may obtain one permit to carry all handguns owned by the
17 person, and such a permit is valid for any handgun which the person owns or
18 thereafter obtains. **Section 2** requires an applicant for a permit to demonstrate
19 competence with handguns before obtaining a permit, and **section 4** of this bill

20 requires a permittee to demonstrate continued competence with handguns before
21 renewing a permit. **Section 3** of this bill revises the required form of a permit.
