

Senate Bill No. 99—Committee on
Health and Human Services

CHAPTER.....

AN ACT relating to child welfare; requiring an agency which provides child welfare services to obtain and examine the credit report for certain children in its custody; requiring the agency to report each potential instance of identity theft or other crime to the Attorney General and make a diligent effort to resolve any inaccuracy in the report; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires an agency which provides child welfare services to provide maintenance and special services to children who are placed in the custody of the agency. (NRS 432.020) This bill requires an agency which provides child welfare services to obtain and examine the credit report of certain children placed into its custody when each child reaches the age of 16 years or, if a child has reached the age of 16 years before being placed into the custody of the agency, within 90 days after placement of the child, and at least once annually thereafter to identify any inaccuracies in the credit report. This bill requires the agency, before obtaining the credit report, to inform each child of this requirement to obtain and examine his or her credit report and to explain to the child how inaccuracies on his or her credit report may be resolved and what financial impact an inaccuracy may have if left unresolved. If the agency finds any inaccuracies, this bill requires the agency to report any information which indicates that a potential instance of identity theft or other crime may have occurred to the Attorney General and to continue to make a diligent effort to resolve each inaccuracy until all inaccuracies have been corrected or the child leaves the custody of the agency. If the child leaves the custody of the agency, this bill requires the agency to notify the child or the person responsible for the welfare of the child of any remaining inaccuracies, how the inaccuracies may be resolved and any community services that may be available to assist in resolving the inaccuracies. This bill authorizes the Attorney General to investigate any such reports and prosecute the persons responsible for any identity theft identified in the investigation.
