AN ACT relating to foster care; authorizing the storage of a firearm and ammunition on the premises of a family foster home in certain circumstances; authorizing certain persons to carry a firearm on their person while off of the premises of a family foster home in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Division of Child and Family Services of the
2 Department of Health and Human Services to adopt regulations to establish
3 requirements for the licensure of family foster homes, specialized foster homes,
4 independent living foster homes and group foster homes. (NRS 424.020) Existing
5 regulations require all weapons on the premises of a foster home to be unstrung and
6 unloaded at all times when children are in the home and stored in locked containers
7 or rooms out of the reach of children or made inoperable. Ammunition is required
8 to be kept in a separate locked container and weapons may not be transported in a
9 vehicle in which children are riding unless the weapons are made inoperable and
10 inaccessible. (NAC 424.600) This bill authorizes a person lawfully in possession of
11 a firearm or ammunition to store the firearm or ammunition on the premises of a

12 family foster home in a locked secure storage container. This bill also authorizes a
13 provider of family foster care or other person who resides in a family foster home
14 to carry a firearm on his or her person while off of the premises of a family foster
15 home but in the presence of a foster child in a manner which ensures that the
16 firearm is inaccessible to the foster child if the provider or other person is a law
17 enforcement officer or has a permit to carry a concealed firearm.
