ASSEMBLY BILL NO. 23—COMMITTEE ON LEGISLATIVE OPERATIONS AND ELECTIONS

(ON BEHALF OF THE SECRETARY OF STATE)

PREFILED DECEMBER 20, 2014

Referred to Committee on Legislative Operations and Elections

SUMMARY—Makes various changes to provisions governing elections. (BDR 24-446)

AN ACT relating to elections; clarifying the authority of the Secretary of State regarding interpretations and other actions necessary for the effective administration of certain statutes and regulations; revising the beginning and ending dates of the period during which certain limits apply to the amount that may be committed or contributed to a candidate or a legal defense fund; providing that a petition to recall a public officer may only be signed by a registered voter who actually voted in the election at which the public officer was elected; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Secretary of State to provide interpretations and take other actions necessary for the effective administration of statutes and regulations governing the conduct of primary, general, special and district elections. (NRS 293.247) Section 1 of this bill clarifies that the Secretary of State may provide interpretations and take other actions necessary for the effective administration of all of the provisions of title 24 of NRS and any regulations adopted pursuant thereto, including statutes and regulations governing the conduct of elections.

Under existing law, a person may not contribute or commit to contribute more than $5,000 for a primary election and $5,000 for a general election to a candidate for state, district, county or township office during the period beginning 30 days before the start of the regular session of the Legislature immediately after a general election for that office and ending 30 days before the start of the regular session of
the Legislature immediately following the next general election for that office. During the same period, a person is prohibited from making or committing to make a contribution to a legal defense fund of a candidate or public officer in an amount which exceeds $10,000. Existing law also prohibits a candidate or public officer, as applicable, from accepting a contribution or commitment to make a contribution in excess of those amounts. (Nev. Const. Art. 2, §10, NRS 294A.100, 294A.287) Section 2 of this bill changes the period to which those contribution limits apply so that the period begins on January 1 immediately after a general election for an office and ends on December 31 immediately after the next general election for that office.

Existing law provides that a violation of the contribution limits to a candidate or a legal defense fund is a category E felony. (NRS 294A.100, 294A.287) Section 4 of this bill provides that certain contributions made or committed to be made under existing law at the end of the contribution periods in early January 2011, 2013 or 2015 shall be deemed to have been made or committed to be made on December 31, 2010, 2012 or 2014, respectively, so that no person is guilty retrospectively of committing a crime as a result of the changes made by section 2.

In Strickland v. Waymire, 126 Nev. 230, 240 (2010), the Nevada Supreme Court held that Section 9 of Article 2 of the Nevada Constitution provides that, “[w]hile all registered voters can vote at a special recall election, only voters who voted at the relevant baseline election can qualify a recall petition” by signing a petition for the recall. Section 3 of this bill conforms statute to this ruling.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
