(BDR 32-964)

Effect on the State: No.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to taxation; enacting provisions relating to the imposition, collection and remittance of sales and use taxes by retailers located outside this State; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 The Commerce Clause of the United States Constitution prohibits a state from  
2 requiring a retailer to collect sales and use taxes unless the activities of the retailer  
3 have a substantial nexus with the taxing state. (*Quill Corp. v. North Dakota*, 504  
4 U.S. 298 (1992)) Existing law requires every retailer whose activities create such a  
5 nexus with this State to impose, collect and remit the sales and use taxes imposed in  
6 this State. (NRS 372.724, 374.724) This bill provides that a retailer who engages in  
7 certain specified activities is required to collect and remit the sales and use taxes  
8 imposed in this State.

9 **Section 1** of this bill requires the Department of Taxation to submit a report to  
10 the Director of the Legislative Counsel Bureau concerning each finding, ruling or  
11 agreement by the Department or the Nevada Tax Commission which provides that  
12 the provisions of existing law requiring a retailer to impose, collect and remit sales  
13 and use taxes do not apply to the retailer even though the retailer or an affiliate  
14 owns or operates a warehouse, distribution center, fulfillment center or other  
15 similar facility in this State.

16 **Sections 2 and 5** of this bill enact provisions based on a Colorado law which  
17 creates a presumption that a retailer is required to impose, collect and remit sales  
18 and use taxes if the retailer is: (1) part of a controlled group of business entities that  
19 has a component member who has physical presence in this State; and (2) the  
20 component member with such physical presence engages in certain activities in this  
21 State that relate to the ability of the retailer to make retail sales to residents of this  
22 State. (Ch. 364, Colo. Session Laws 2014, at p. 1740) Under **sections 2 and 5**, a  
23 retailer may rebut this presumption by providing proof that the component member  
24 with physical presence in this State did not engage in any activity in this State that

25 was significantly associated with the retailer's ability to establish or maintain a  
26 market in this State for the retailer's products or services.

27 **Sections 3 and 6** of this bill enact a provision based on a New York law which  
28 creates a presumption that a retailer is required to impose, collect and remit sales  
29 and use taxes if: (1) the retailer enters into an agreement with a resident of this  
30 State under which the resident receives certain consideration for referring potential  
31 customers to the retailer through a link on the resident's Internet website or  
32 otherwise; and (2) the cumulative gross receipts from sales by the retailer to  
33 customers in this State through all such referrals exceeds a certain amount during  
34 the preceding four quarterly periods. A retailer may rebut this presumption by  
35 providing proof that each resident with whom the retailer has an agreement did not  
36 engage in any activity that was significantly associated with the retailer's ability to  
37 establish or maintain a market in this State for the retailer's products or services  
38 during the preceding four quarterly periods. In *Overstock.com v. New York State*  
39 *Department of Taxation and Finance*, 987 N.E.2d 621 (2013), the New York Court  
40 of Appeals held that the New York law is facially constitutional because, through  
41 these agreements with New York residents, a retailer may establish a sufficient  
42 nexus with the State of New York to satisfy the requirements of the United States  
43 Constitution.

1       4. As used in this section:

2       (a) "Component member" has the meaning ascribed to it in  
3 section 1563(b) of the Internal Revenue Code, 26 U.S.C. §  
4 1563(b), and includes any entity that, notwithstanding its form of  
5 organization, bears the same ownership relationship to the retailer  
6 as a corporation that would qualify as a component member of the  
7 same controlled group of corporations as the retailer.

8       (b) "Controlled group of corporations" has the meaning  
9 ascribed to it in section 1563(a) of the Internal Revenue Code, 26  
10 U.S.C. § 1563(a), and includes any entity that, notwithstanding its  
11 form of organization, bears the same ownership relationship to the  
12 retailer as a corporation that would qualify as a component  
13 member of the same controlled group of corporations as the  
14 retailer.

15       **Sec. 6. 1.** Except as otherwise provided in this section, it is  
16 presumed that the provisions of this chapter relating to:

17       (a) The imposition, collection and remittance of the sales tax;  
18 and

19       (b) The collection and remittance of the use tax,  
20 ↪ apply to every retailer who enters into an agreement with a  
21 resident of this State under which the resident, for a commission  
22 or other consideration based upon the sale of tangible personal  
23 property by the retailer, directly or indirectly refers potential  
24 customers, whether by a link on an Internet website or otherwise,  
25 to the retailer, if the cumulative gross receipts from sales by the  
26 retailer to customers in this State who are referred to the retailer  
27 by all residents with this type of an agreement with the retailer is  
28 in excess of \$10,000 during the preceding four quarterly periods  
29 ending on the last day of March, June, September and December.

30       2. A retailer may rebut the presumption set forth in  
31 subsection 1 by providing proof satisfactory to the Department that  
32 each resident with whom the retailer has an agreement did not  
33 engage in any activity in this State that was significantly  
34 associated with the retailer's ability to establish or maintain a  
35 market in this State for the retailer's products or services during  
36 the preceding four quarterly periods ending on the last day of  
37 March, June, September and December. Such proof may consist  
38 of the sworn written statements of each resident with whom the  
39 retailer has an agreement stating that the resident did not engage  
40 in any solicitation in this State on behalf of the retailer during the  
41 preceding four quarterly periods ending on the last day of March,  
42 June, September and December, if such statements were obtained  
43 from each resident and provided to the Department in good faith.

44       3. In administering the provisions of this chapter, the  
45 Department shall construe the terms "seller," "retailer" and

1 *“retailer maintaining a place of business in this State” in*  
2 *accordance with the provisions of this section.*

3 **Sec. 6.5.** Notwithstanding the provisions of section 7 of this  
4 act, in determining whether, pursuant to sections 3 and 6 of this act,  
5 a retailer has rebutted the presumption that the provisions of  
6 chapters 372 and 374 of NRS relating to the imposition, collection  
7 and remittance of the sales tax, and the collection and remittance of  
8 the use tax, apply to the retailer, any quarterly periods preceding  
9 October 1, 2015, may be considered.

10 **Sec. 7.** 1. This section and sections 1, 1.5, 2, 4 and 5 of this  
11 act become effective on July 1, 2015.

12 2. Sections 3, 6 and 6.5 of this act become effective on  
13 October 1, 2015.
