

Assembly Bill No. 495—Committee on
Legislative Operations and Elections

CHAPTER.....

AN ACT relating to the Legislature; requiring certain legislative measures requested by Legislators to be prefiled; revising provisions governing the submission of a request for the drafting of a legislative measure to the Legislative Counsel; revising the deadline for prefiling legislative measures; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the Legislative Counsel is prohibited from assigning a number to a bill draft request to establish the priority of the request until sufficient detail has been received to allow complete drafting of the requested measure. (NRS 218D.100) **Sections 3-10** of this bill clarify that this prohibition applies to bill draft requests from Legislators and authorized nonlegislative requesters.

Existing law establishes deadlines by which Legislators and legislative committees are required to submit bill draft requests and subsequent deadlines by which they are required to submit sufficient detail to allow complete drafting of those requests. (NRS 218D.150, 218D.155, 218D.160) **Sections 1-5** of this bill eliminate the subsequent deadlines relating to the submission of details for the drafting of a legislative measure, thereby requiring the submission of details for the drafting of a legislative measure with the bill draft request for that measure.

Under existing law, certain measures requested on behalf of nonlegislative requesters are required to be prefiled on or before December 20 preceding a regular session or are deemed withdrawn. (NRS 218D.175-218D.220, 218D.575-218D.585) **Sections 6-10** of this bill move that prefiling deadline for those measures to the third Wednesday in November preceding a regular session. **Section 2** of this bill requires certain measures requested by Legislators to be prefiled on or before the first day of a regular legislative session.
